GENERAL REQUIREMENTS

A. The debtor-in-possession is required to comply in all respects with the Bankruptcy Code, the Bankruptcy Rules and the Local Bankruptcy Rules.

B. The debtor-in-possession must pay all obligations arising after the filing of the petition (“post-petition”) in full when due. This includes quarterly fee payments to the United States Trustee, which are payable until the case has been converted to a case under another chapter of the Code, dismissed by the Court, or closed by Court order. The Debt Collection Improvement Act of 1996, PL 104-134, states that in the event of non-payment of quarterly fees, the United States Trustee has the option of referring the matter to the Department of the Treasury to attempt collection. Treasury Department collection efforts will include: (a) sending dunning notices to the debtor; (b) withholding any government payment to the debtor, including tax refunds, in the amount of the indebtedness; © employing collection agencies to enforce collection, and (d) reporting the indebtedness to credit bureaus.

C. The debtor-in-possession may not pay pre-petition obligations except as allowed by the Bankruptcy Code or by order of the Court.

D. The debtor-in-possession shall file all federal, state and local tax returns when due or shall procure an extension from the appropriate taxing authority, unless otherwise provided by the Bankruptcy Code or by order of the Court. All post-petition taxes are to be paid timely.

E. Notices and copies of pleadings must be sent to the United States Trustee as required by Bankruptcy Rules 1007, 2002, 2014, 2015, 2016, and by applicable Local Bankruptcy Rules.

INSURANCE REQUIREMENTS

A. All debtors-in-possession must maintain insurance coverage and make all premium payments thereon when due.

B. Unless the United States Trustee otherwise directs, the following types of insurance coverage must be maintained.

1. Casualty insurance for tangible assets susceptible to loss (fire, weather, theft, vandalism, etc.).

2. **Worker's Compensation insurance and unemployment insurance if the debtor-in-possession has employees.**

3. **General liability and, if appropriate, product liability insurance must be maintained if the debtor-in-possession conducts business operations.**

C. **The United States Trustee must be provided with proof that the required insurance is being maintained throughout the pendency of the Chapter 11 case. To fulfill this requirement, the debtor-in-possession shall deliver to the United States Trustee at the debtor interview the first page of each insurance policy exhibiting the expiration date of the policy, together with such addenda as are necessary to clearly identify the insured properties. A Certificate of Insurance is acceptable so long as it clearly identifies the insured properties and the expiration date of the policy.**

Should any insurance policy lapse during the pendency of the Chapter 11 case, the debtor-in-possession must forward proof of the renewal of that policy to the United States Trustee. Such a renewal policy should contain the new expiration date and clearly identify the properties insured under the new policy. If any of the properties covered by previous policies are no longer a part of bankruptcy estate, the United States Trustee should be so advised at the time that the renewal policies are tendered.

OPERATING REPORTS

The debtor-in-possession must file monthly operating reports with both the United States Trustee and the Clerk of the Bankruptcy Court. Effective October 1, 2003, the United States Bankruptcy Court instituted Mandatory Electronic Filing (CM/ECF) pursuant to General Order 2003-04. However, a *hardcopy* of the Monthly Operating Report (MOR) must be provided to the Office of the United States Trustee. The hardcopy of the Monthly Operating Report filed with the United States Trustee's Office must contain an *original signature* of the debtor-in-possession or an authorized representative (i.e.; corporate officer, general partner, etc.). In addition, the debtor must provide a copy of the report to their attorney and to the chair of any creditors' committee appointed in the case. All operating reports must be filed no later than the twentieth day of the month following the end of the month covered by the report. The debtor must file a report every month. The debtor must use the report forms designated for the case by the United States Trustee.

After confirmation of the plan of reorganization, the reorganized debtor is required to file quarterly operating reports with the Clerk of the Bankruptcy Court and with the United States Trustee twenty days after the conclusion of each calendar quarter; (i.e., April 20th, July 20th, October 20th and January 20th.) The quarterly operating reports are required until such time as substantial consummation of the Plan has occurred and the

Court has entered a final decree closing the case pursuant to Federal Rule of Bankruptcy Procedure 3022 and Section 350 of the Bankruptcy Code.

BANK ACCOUNTS AND MONEY OF ESTATES

A. Section 345 of the Bankruptcy Code governs the investment and protection of funds of bankruptcy estates. Section 345(b) provides that, unless the Court orders otherwise, a debtor-in-possession must require that all financial institutions in which estate monies exceeding federal deposit insurance limits are deposited or invested have either posted a bond or pledged securities of a type specified in the statute. This requirement is imposed to insure that all estate fund balances exceeding federal deposit insurance limits are protected against loss in the event of the failure of the financial institution. The United States Trustee maintains a list of financial institutions that have agreed to pledge securities with the Federal Reserve or post a bond in order to insure their bankruptcy accounts. These institutions are monitored by the United States Trustee to insure that the requirements of Section 345(b) are met with regard to all bankruptcy accounts which they maintain.

Financial institutions not appearing on the list are not part of the United States Trustee's reporting and monitoring system. A debtor-in-possession choosing to use such a financial institution is solely responsible for insuring that the requirements of Section 345(b) are met, either by securing the posting of a bond or a pledge of securities from the financial institution, or by obtaining a court order excusing compliance with this requirement for cause.

B. If the debtor-in-possession utilizes a financial institution that is not a part of the United States Trustee's reporting and monitoring system, a copy of the current monthly bank statement for each account must be submitted to the United States Trustee as an attachment to the monthly operating report.

C. Each debtor-in-possession must insure that their checks are imprinted with the full name of the debtor-in-possession exactly as shown on their voluntary petition, (Official Bankruptcy Form 1). [If the debtor-in-possession is an individual or an individual and their spouse, the petition must include the first, middle and last names (not initials) of all petitioners.] If use of a d/b/a is desired in the styling of the check, the d/b/a must have been recorded in the box on their petition labeled "All other Names used by the Debtor in the last 6 years (including married, maiden and trade names)." The designation "Debtor-In-Possession" (not "DIP") and the case number must also be imprinted on all checks. (See the following sample check as an illustration.)

Voided samples of permanent checks from each account must be provided to the United States Trustee.

D. All receipts and disbursements of estate funds must be made through the debtor-in-possession account(s). Any funds in excess of those required for current operations should be invested in accordance with the provisions of Section 345(a).

E. Pursuant to Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (BAPCPA) *Property of the Estate* §1115, 1123(a)(8), 1129(a)(15), earnings from services performed by an individual debtor-in-possession after the commencement of a Chapter 11 case should be deposited into a debtor-in-possession bank account. These funds are considered property of the bankruptcy estate. Funds on hand at the time a bankruptcy case is filed are property of the estate and must be placed into a debtor-in-possession account. Should the individual’s post-petition earnings be derived from services rendered to a related entity which is also a Chapter 11 debtor-in-possession, the total amounts paid to the individual must be disclosed on each monthly operating report submitted by the related entity.

F. Once the Chapter 11 plan has been confirmed by the Bankruptcy Court, the debtor-in-possession account(s) must be closed and regular accounts re-established. The United States Trustee exercises no responsibility with respect to monitoring accounts once a plan of reorganization is confirmed, or the case is dismissed or converted. A copy of the Bankruptcy Court's order must be presented to the financial institution when seeking to close a debtor-in-possession account.

SCHEDULES AND STATEMENT OF FINANCIAL AFFAIRS

A. The debtor-in-possession must comply fully with Bankruptcy Rules 1002 and 1007. These rules require the debtor-in-possession to file schedules and a statement of financial affairs with the Clerk of the Bankruptcy Court. Either the schedules or a complete list of all creditors and their addresses must be filed with the petition.

B. Pursuant to Bankruptcy Rule 1007(d), you must file a separate list containing the name, address, phone number and amount of claim of the twenty largest unsecured creditors. This list must not contain the names of any creditors who are "insiders" as that term is defined in Section 101(31) of the Bankruptcy Code. This list is utilized by the United States Trustee to attempt to form a creditors' committee to serve in the case.

CREDITORS MEETINGS

Section 341 of the Bankruptcy Code requires a meeting of creditors in each case. This meeting is scheduled by the United States Trustee and notice of the meeting is sent to all creditors by counsel for the debtor-in-possession. A representative of the debtor-in-possession is required to attend the meeting and submit to examination under oath. Counsel for the debtor-in-possession should also attend this meeting. After notice has been sent, a meeting cannot be canceled or rescheduled to accommodate scheduling conflicts of parties or attorneys. After the initial creditors meeting the United States Trustee may decide to continue the meeting from time to time until a plan is confirmed, or the case is dismissed or converted.

QUARTERLY FEES

Pursuant to Section 213 of Title II, Division B, Consolidated Appropriations Act, 2008, (P.L. 110-161), the chapter 11 quarterly fee scheduled established by 28 U.S.C. §1930(a)(6) is amended effective January 1, 2008. The following chart displays the revised quarterly fee schedule for calendar quarters beginning January 1, 2008:

Note that a minimum payment of \$325 is due each quarter even if no disbursements are made in the case during the period.

Fees are to be paid pursuant to the following schedule:

<u>Payment</u>	<u>Quarter</u>	<u>Ending</u>	<u>Due Date for</u>
1st Quarter	Jan-Feb-Mar	March 31	April 30
2nd Quarter	Apr-May-June	June 30	July 31
3rd Quarter	July-Aug-Sep	Sep 30	Oct 31
4th Quarter	Oct-Nov-Dec	Dec 31	Jan 31

The fee due is based on disbursements made during the days of the quarter that the Chapter 11 case is open, and is not prorated for a partial quarter. The minimum fee applies even if the case is open for only one day of the quarter. The obligation to pay any further fee ends when the court enters an order closing or dismissing the case or the case is converted to a case under another chapter of the Bankruptcy Code. A plan must provide for payment of all unpaid quarterly fees, or it cannot be confirmed by the Court. In addition, all unpaid quarterly fees should be paid prior to the dismissal or conversion of a case.

Each debtor will receive a statement regarding the fee prior to each of the due dates noted above. Each statement contains a "tear off" payment stub which should be returned along with the debtor's check to the following address:

U.S. Trustee
P.O. Box 70937
Charlotte, NC 28272-0937

Please make all checks payable to "U.S. Trustee." The debtor's account number, which can be obtained from the statement, should be written on the face of the check. Direct all correspondence and questions regarding your account to your local U.S. Trustee Office, 1100 Commerce, Suite 976, Dallas, TX 75242. 214/767-8967.

NOTICE OF INTEREST ASSESSMENT

Pursuant to 31 U.S.C. §3717, the United States Trustee Program will begin assessing interest on unpaid Chapter 11 quarterly fees charged in accordance with 28 U.S.C. §1930(a) effective October 1, 2007. Interest assessed on past due amounts will first appear on your October 2007 statement. The interest rate assessed is the rate in effect as determined by the Treasury Department at the time your account becomes past due. If payment of the full principal amount past due is received within thirty (30) days of the date of the notice of initial interest assessment the interest assessed will be waived.

Part I: Purpose

The United States Trustee is responsible for supervising the administration of cases under chapters 7, 11, 12 and 13 of the United States Bankruptcy code, 28 U.S.C. §586. To fulfill this responsibility, the U.S. Trustee has issued Guidelines for Debtors-In-Possession. The Guidelines impose certain administrative and reporting responsibilities on Chapter 11 debtors-in-possession. In addition, there are other requirements imposed by law, including a requirement to pay U.S. Trustee quarterly fees. The U.S. Trustee's staff is available to assist debtors-in-possession in fulfilling these requirements. In addition, it is frequently necessary for members of the U.S. Trustee's staff to contact debtors concerning missing documents, incomplete forms, and other administrative matters. Many debtors-in-possession and attorneys prefer that these administrative matters be handled directly between the debtor and the U.S. Trustee's staff. Others prefer that all such contacts be made through counsel. We need to know how you and your client would like these matters to be handled.

Part II: Direction

_____ We direct that all contacts between the U.S. Trustee's staff concerning the administrative requirements of the U.S. Trustee, including completion of operating reports, insurance, banking arrangements, payments and calculation of quarterly fees, may be made directly between the U.S. Trustee and the debtor-in-possession.

_____ We direct that all contacts between the U.S. Trustee's staff concerning this case, including all administrative matters, be conducted through counsel for the debtor-in-possession.
