JOINT MOTION TO AMEND THE HEARING DATE AND CERTIFY THE QUESTION TO THE COMMISSION FOR DETERMINATION

The parties move jointly for the date of the hearing in this matter to be rescheduled to April 21, 2009, or such later date as determined by the Administrative Law Judge assigned to this matter. This date will still be well within five months of the issuance of the complaint in this matter. The district court has not yet issued an opinion in the 13(b) case, and additional time is requested to properly address any issue that may arise from a decision in that case. In addition, Respondents have indicated that they will abandon their attempts to consummate the transaction and will withdraw their HSR Filings should the merger be preliminarily enjoined. Thus, it would waste unnecessarily the resources of the parties to proceed rapidly towards a March 31st hearing date before we know the outcome of the 13(b) proceeding.

Because the Commission set the original hearing date for March 31, 2009, the parties also jointly move that this question immediately be certified to the Commission for determination.
