ATTENTION

ACTION REQUIRED FOR ENTRY OF NEW DATA

TO ALL BANKRUPTCY PRACTITIONERS

Effective with the upgrade to CM/ECF Version 3.3 on February 8, 2009, additional data will be required during case opening for Chapters 7, 11, 12 and 13 cases. A new data collection screen appears after the Summary of Schedules screen. Additionally, a new CM/ECF event to gather this information must be used by counsel to enter this data for involuntary cases, upon conversion, and when the data needs to be corrected. The event is Bankruptcy>Other>Update EOUST Stats.

Also, effective February 23, 2009, joint debtors will no longer receive separate copies of notices when they have the same address unless a statement is filed with the Court requesting that each spouse receive a separate copy of all notices. There is a new CM/ECF event under Bankruptcy>Other>Request for Separate Notice that must be used to file such a statement.
