General Instructions

This schedule must be attached to Form 5500 or 5500-C/R for every defined benefit, defined contribution, and welfare benefit plan where any benefits under the plan are provided by an insurance company, insurance service, or other similar organization.

Specific Instructions

Information entered on Schedule A (Form 5500) should pertain to contracts with policy or contract years ending with or within the plan year (for reporting purposes, a year cannot exceed 12 months).

Exception: If the insurance company maintains records on the basis of a plan year rather than a policy or contract year, the information entered on Schedule A (Form 5500) may pertain to the plan year instead of the policy or contract year.

Include only the contracts issued to the plan for which this return/report is being filed.

Plans participating in master trust(s) and 103-12 IEs.—See **Investment Arrangements Filing Directly With DOL** on page 4 of the instructions for Form 5500 or 5500-C/R.

Line 2(c).—Since the plan coverage may fluctuate during the year, the administrator should estimate the number of persons that were covered by the plan at the end of the policy or contract year.

Where contracts covering individual employees are grouped, entries should be determined as of the end of the plan year.

Lines 2(d) and (e).—Enter the beginning and ending dates of the policy year for each contract listed under column (b). Enter "N/A" in column (d) if separate contracts covering individual employees are grouped.

Line 3.—Report all sales commissions in column (c) regardless of the identity of the recipient. Do not report override commissions, salaries, bonuses, etc., paid to a general agent or manager for managing an agency, or for performing other administrative functions.

Fees to be reported in column (d) represent payments by insurance carriers to agents and brokers for items other than commissions (e.g., service fees, consulting fees, and finders fees).

Note: For purposes of this item, commissions and fees include amounts paid by an insurance company on the basis of the aggregate value (e.g., policy amounts, premiums) of contracts or

policies (or classes thereof) placed or retained. The amount (or pro rata share of the total) of such commissions or fees attributable to the contract or policy placed with or retained by the plan must be reported in column (c) or (d), as appropriate.

Fees paid by insurance carriers to persons other than agents and brokers should be reported in Parts II and III on Schedule A (Form 5500) as acquisition costs, administrative charges, etc., as appropriate. For plans with 100 or more participants, fees paid by employee benefit plans to agents, brokers, and other persons are to be reported on Schedule C (Form 5500).

Line 5a.—The rate information called for here may be furnished by attaching the appropriate schedules of current rates filed with the appropriate state insurance departments or by providing a statement regarding the basis of the rates.

Line 6.—Show deposit fund amounts rather than experience credit records when both are maintained.

Line 8(d).—The rate information called for here may be furnished by attaching the appropriate schedules of current rates or a statement as to the basis of the rates.
