

# EVERYBODY WINS!

When Adults Read With Children

## FMCSA Volunteer Community Service Program

### Join Your Fellow DOT Employees!

Do your part for our future by helping a child learn how exciting reading can be! Not only does it spark the imagination and create a better vocabulary, but reading greatly increases a child's self esteem!

**Our children need your help!**

All it takes is one hour a week during the school year!

For more information, please send an e-mail to FMCSA
