

GSA FIPS 201 Evaluation Program

Errata for Caching Status Proxy Approval Procedure v1.0.0

Date	Section, Page	Change
08/10/09	Section 3.1.1, Page 4	Update CSP.8 to read: If the Product uses middleware to communicate with the PIV Card (e.g. as part of Card Management System functionality), this middleware is approved by the GSA FIPS 201 Evaluation program as approved PIV Middleware.
