**27 CFR Ch. I (4-1-04 Edition)**

(b) Each bond and each extension of coverage of bond shall at the time of filing be accompanied by a power of attorney authorizing the agent or officer who executed the bond to so act on behalf of the surety. The appropriate ATF officer who is authorized to approve the bond may, whenever he deems it necessary, require additional evidence of the authority of the agent or officer to execute the bond or extension of coverage of bond. The power of attorney shall be prepared on a form provided by the surety company and executed under the corporate seal of the company. If the power of attorney submitted is other than a manually signed document, it shall be accompanied by a certificate of its validity.

**§ 44.122 Deposits of bonds, notes, or obligations in lieu of corporate surety.**

Bonds or notes of the United States, or other obligations which are unconditionally guaranteed as to both interest and principal by the United States, may be pledged and deposited by the export warehouse proprietor as security in connection with bond to cover his operations, in lieu of the corporate surety, in accordance with the provisions of Treasury Department Circular No. 154, revised (31 CFR part 225). **§ 44.123 Amount of bond.**

The amount of the bond filed by the export warehouse proprietor, as required by §44.86, shall be not less than the estimated amount of tax which may at any time constitute a charge against the bond: *Provided*, That the amount of any such bond (or the total amount where original and strengthening bonds are filed) shall not exceed \$200,000 nor be less than \$1,000. The charge against such bond shall be subject to increase upon receipt of tobacco products, and cigarette papers and tubes into the export warehouse and to decrease as satisfactory evidence of exportation, or satisfactory evidence of such other disposition as may be used as the lawful basis for crediting such bond, is received by the appropriate ATF officer with respect to such articles transferred or removed. When the limit of liability under a bond given in less than the maximum amount has been reached, no additional shipments shall be received into the warehouse until a strengthening or superseding bond is filed, as required by §44.124 or §44.125.

**§ 44.124 Strengthening bond.**

Where the appropriate ATF officer determines that the amount of the bond, under which an export warehouse proprietor is currently carrying on business, no longer adequately protects the revenue, and such bond is in an amount of less than \$200,000, the appropriate ATF officer may require the proprietor to file a strengthening bond in an appropriate amount with the same surety as that on the bond already in effect, in lieu of a superseding bond to cover the full liability on the basis of §44.123. The appropriate ATF officer shall refuse to approve any strengthening bond where any notation is made thereon which is intended or which may be construed as a release of any former bond, or as limiting the amount
