

Guide to Federal
Employees
Health Benefits Plans

**For Certain Temporary
(Non-Career)
United States Postal
Service Employees**

UNITED STATES
OFFICE OF PERSONNEL MANAGEMENT
WASHINGTON, DC 20415-0001

OFFICE OF THE DIRECTOR

Dear Federal Employees Health Benefits Program Participant:

Welcome to the 2005 Open Season! By continuing to introduce pro-consumer health care ideas, the Office of Personnel Management (OPM) team has given you greater, cost effective choices. This year several national and local health plans are offering new options strengthening the Federal Employees Health Benefits (FEHB) Program and once again highlighting its strength as one of the best benefits systems among employers anywhere. I am firm in my belief that you, when fully informed as a Federal subscriber, are in the best position to make the decisions that meet your needs and those of your family. I am pleased to present the *2005 Guide to Federal Employees Health Benefits Plans* to assist you in making an informed decision.

Exciting new features this year give you additional opportunities to save and better manage your hard-earned dollars. For 2005, I am very pleased and enthusiastic about the new High Deductible Health Plans (HDHP) with Health Savings Account (HSA) and Health Reimbursement Arrangements (HRA) components. This combination of health plan and savings vehicle provides a new opportunity to save and better manage your money.

If an HDHP/HSA is not for you and you are not retired, I encourage you to consider a Flexible Spending Account (FSA) for health care. FSAs allow you to reduce your out-of-pocket health care costs by 20 to more than 40 percent by paying for certain health care expenses with tax-free dollars, instead of after-tax dollars.

Since prevention remains a major factor in the cost of health care, last year OPM launched the *HealthierFeds* campaign. Through this effort we are encouraging Federal team members to take greater responsibility for living a healthier lifestyle. The positive effect of a healthier life style brings dividends for you and reduces the demands and costs within the health care system. This campaign embraces four key "actions" that can lead to a healthy America: be physically active every day, eat a nutritious diet, seek out preventative screenings, and make healthy lifestyle choices. Be sure to visit *HealthierFeds* at www.healthierfeds.opm.gov for more details on this important initiative. I also encourage you to visit the Department of Health and Human Services website on Wellness and Safety, www.hhs.gov/safety/index.shtml, which complements and broadens healthier lifestyle resources. The site provides extensive information from health care experts and organizations to support your personal interest in staying healthy.

The FEHB Program offers the Federal team the widest array of cost-effective health care options and the information needed to make the best choice for you and your family. You will find comprehensive health plan information in this guide, in the brochures of the various health plans, and on the OPM Website at www.opm.gov/insure. I hope you find these resources helpful, and thank you once again for your service to the nation.

Sincerely,

A handwritten signature in blue ink that reads "Kay C. James".

Kay Coles James
Director

Things to Remember

- The plan you choose can make a difference in your health.
- Be aware of benefit changes for 2005.
- Check the premium for 2005.

The information in this Guide gives you an overview of the FEHB Program and its participating plans. Read the plan brochures before you make any final decisions about health plans. Some union and association plans available to all federal employees charge a membership fee in addition to health coverage premiums.

This page intentionally left blank.

FEHB and You

Overview

The United States Postal Service (USPS) provides health benefits to its career employees by participating in the Federal Employees Health Benefits (FEHB) Program, which is administered by the U.S. Office of Personnel Management (OPM), Office of Retirement and Insurance Services. FEHB began operation in July 1960 and almost 815 million people are in the program, including 2.2 million federal and postal employees, 1.85 million retirees, and eligible family members. It is the largest employer-sponsored health insurance program in the world. OPM interprets health insurance laws and writes regulations for the FEHB Program. It gives advice and guidance to the USPS and other participating agencies to process your enrollment changes and to deduct your premiums. OPM also contracts with and monitors all of the plans participating in the FEHB Program.

The purpose of this 2005 Guide to Federal Employees Health Benefits (FEHB) Plans is to provide information about enrollment and premium features that USPS non-career employees must consider when selecting a health insurance plan under the FEHB Program. The Guide is a summary of FEHB plans – the plan brochures give specific benefit information. You can get individual plan brochures directly from the health plans, from your local personnel office, or from the OPM web site www.opm.gov/insure which also has a copy of this guide in addition to various health plan brochures and helpful information. Some plans available to federal and Postal employees are sponsored by unions or associations that charge a membership fee in addition to health premiums. You should read individual plan brochures carefully before making any final coverage decisions.

You may choose from among Fee-for-Service (FFS) plans regardless of where you live (see pages 27 through 36) and from Health Maintenance Organizations (HMO's) plans if you live (or sometimes if you work) within the area serviced by the plan (see pages 37 through 65). Some HMOs also offer a Point of Service (POS) product which allows you to use providers who

are not part of the HMO network, but at an increased cost. New to the FEHB Program in 2005 is the addition of High Deductible Health Plans located at the very end of this Guide.

FEHB eligibility, enrollment requirements premium costs, and the plans available for 2005 are the same for USPS temporary (non-career) employees as for federal (non-postal) temporary employees.

Non-career Rural Carriers and Transitional Employees who are represented by the American Postal Workers Union (APWU) may elect to have premium costs withheld from pay on a pre-tax basis. If you are an employee in either category be sure to read pages 4 through 5 of this Guide which provide information regarding pre-tax payment. There are advantages and disadvantages to the pre-tax payment of premium contributions that you need to understand. Certain restrictions may affect your ability to cancel coverage outside of FEHB Open Season.

Coverage

To be eligible for FEHB enrollment, non-career employees must meet three requirements:

- (1) Complete one full year (365 calendar days) of continuous employment with no breaks in service of more than five days;
- (2) Have a regular scheduled tour of duty, arranged in advance and expected to last for at least six months, and
- (3) Maintain sufficient earnings each biweekly pay period to have the total cost of premiums withheld from pay after mandatory deductions for Social Security, retirement, Medicare and federal tax.

Newly Eligible – Newly eligible non-career employees may select a health plan within 60 days of becoming eligible.

FEHB and You

Currently Enrolled – Non-career employees currently enrolled under the FEHB program have an opportunity to select or change plans:

- During Open Season, or;
- When certain qualifying life events occur (see Table of Qualifying Events on pages 17 through 20 of this guide). **These elections must be made within the timeframes specified in this table.**

Your choice of plans and options includes Self Only coverage just for you, or Self and Family coverage for you, your spouse, and unmarried dependent children under age 22 (and in some cases, a disabled child 22 years or older who is incapable of self-support).

Eligible Family Members – Eligible family members for Self and Family health benefits registration purposes include an enrollee's:

- Spouse
- Unmarried dependent children under age 22, including legally adopted children and recognized natural (born out-of-wedlock) children.
- Unmarried dependent stepchildren and foster children, (including foster children who are also your grandchildren) under age 22 if they live with the enrollee in a regular parent-child relationship.
- Unmarried dependent children age 22 or over who are incapable of self-support because of physical or mental incapacity that existed before their 22nd birthday.

Ineligible Members – Even though the following family members may live with and/or be dependent upon the enrollee, they are **not eligible** for coverage under the enrollee's Self and Family FEHB program enrollment:

- Parents and other relatives
- Former spouses.

Loss of Coverage – When an event occurs that causes you or your family member to lose coverage, the FEHB Program offers a continuation of coverage feature, either temporarily or by permanent conversion to a private sector policy. Such events include but are not limited to:

- Child reaching age 22
- Separation
- Retirement
- Divorce
- Application for Spouse Equity
- Death
- Relocation
- Leave Without Pay Status*

* Leave Without Pay Status – FEHB Program regulations state that you may continue your FEHB coverage for up to 365 days while you are in an LWOP status, provided that you continue to pay the employee share of the premium. The Postal Service will invoice you for your share of the premium unless you complete and submit to your personnel office PS Form 3111, FEHB Coverage or Termination While In Leave Without Pay (LWOP) Status, to terminate coverage. At 365 days in LWOP status, your FEHB coverage terminates.

It is your responsibility to report life events that may cause you or your family member to lose eligibility. It is also your responsibility to complete and submit any required paperwork to your local personal office to change your enrollment and/or apply the any continuation of coverage, if eligible, with the time limits specified in the Table on pages 17 through 20 of this Guide.

If you lose coverage under the FEHB Program, you should automatically receive a Certificate of Group Health Plan Coverage from the last FEHB Plan to cover you. If not, the plan must give you one on request. This certificate may be important to qualify for benefits if you join a non-FEHB plan.

FEHB and You

FEHB Open Season

Each year you have the opportunity to enroll or change enrollment during an open season. The 2004 Open Season is from November 8 through December 14, 2004 at 5:00, p.m. Central Time. Employees may make any one – or a combination – of the following changes:

- Enroll if not enrolled
- Change from one plan to another
- Change from one option to another
- Change from Self Only to Self and Family
- Change from Self and Family to Self Only
- Change from pre-tax to post tax premium deductions or vice versa (see pages 17 through 20 of this Guide)
- Cancel enrollment

If you decide to do any of the above actions, you **must** follow the instructions on the FEHB Worksheet contained in the center of this Guide and enter your election in *PostalEASE* by 5:00 p.m. Central Time on December 14, 2004. **It is critical that this be done timely.**

Your new enrollment or any changes that you make to your existing coverage will take effect on January 8, 2005 and the change in premium rate deductions will be seen in your January 28, 2005 earnings statement. If you decide not to change your enrollment, **do nothing**, and your present enrollment will continue automatically unless your plan is not participating in 2005. If your plan is not participating in 2005 you **must** choose another plan during this Open Season or you will not have FEHB coverage. Ask your local personnel office for a list of the plans that will terminate at the end of the 2004 plan year.

If you decide to cancel your coverage during open season, you must cancel your enrollment in *PostalEASE* which includes a confirmation by you that you clearly accept the consequences of canceling. The cancellation will become effective on January 7, 2005.

If you pay premium contributions on a pre-tax basis, you will not be able to cancel or reduce (change from Self and Family to Self Only) coverage unless you experience a qualifying life event and your election is in keeping with the change. See pages 4 through 5 of this Guide on Pre-tax Payment of Premium Contributions and the OPM table of permissible changes pages 17 through 20 of this Guide.

You as an employee are responsible for being informed about your health benefits. You should thoroughly read this Guide, the brochures of individual plans that interest you, and the bulletin board notices on health benefits topics. These topics include family member eligibility, the option to continue or to terminate enrollment during periods of non-pay status or insufficient pay, dual enrollment prohibition, coverage for former spouses, and discontinued health insurance plans. If you choose to have your premium contribution deducted on a pre-tax basis, be sure to read the section in this Guide on the pre-tax payment of health insurance premium contributions, which specifies Internal Revenue Service (IRS) restrictions for reducing or canceling coverage

After referring to these sources, if you still have questions regarding eligibility, policy, enrollment criteria, and continued coverage after certain life events, or if you need assistance making your choice in *PostalEASE*, contact your local personnel office.

NOTE: Falsifying or misrepresenting family member eligibility or enrollment is a violation of federal law and may subject an employee to fine, imprisonment and/or disciplinary action.

Pre-Tax Payment of Premium Contributions

Premium payment for non-career employees is automatically withheld on an after-tax basis. However, the Postal Service has established the pre-tax payment of health insurance premium contributions as a tax-saving benefit feature for its employees. This feature has been sponsored by the Postal Service since 1994. Payment of premiums on a pre-tax basis prohibits enrollees from reducing coverage unless they qualify as described in the section “Reducing Coverage” below.

Pre-Tax Withholding

There are two possible disadvantages of paying your premiums with pre-tax money that you should balance against the tax savings you receive.

First, when you retire, if you begin to collect Social Security (normally this occurs at age 62 at the earliest), you may receive a slightly lower Social Security benefit. Paying your FEHB premiums with pre-tax money reduces the earnings reported to the Social Security Administration. (Your Medicare, life insurance, retirement plan, and Thrift Savings Plan benefits are not affected.)

Second, there are some restrictions on reducing or canceling your coverage outside FEHB Open Season that apply if you pay your premium contributions with pre-tax money. These are explained in the section “Reducing Coverage” below.

Most employees prefer paying their premiums with pre-tax money because they save on taxes. Nevertheless, if for any reason you do not want this method of payment, and instead wish to have premiums paid with after-tax money, you must submit a form that is available from your local personnel office to waive the pre-tax treatment. For more information, see the section “How to Elect or Waive Pre-Tax Payment” on page 5 of this Guide.

Reducing Coverage

When your premium contributions are withheld on a pre-tax basis, certain Internal Revenue Service (IRS) guidelines affect your ability to change coverage. You may elect to reduce your coverage, that is, to cancel your FEHB enrollment, or to go from Self and Family to Self Only coverage, only during an FEHB Open Season, unless you have a qualifying life event. These are shown in the chart on pages 17 to 20 of this Guide titled “USPS Employees: Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment.” Refer to the column labeled “FEHB Enrollment Change That May Be Permitted” and the header “Cancel or Change to Self Only.” You also must satisfy the time limits shown in the column labeled “Time Limits in Which Change May Be Permitted.”

If you are the only person left in your Self and Family enrollment as a result of a qualifying life event in marital or family status, you must elect to reduce the enrollment (elect Self Only coverage or cancel coverage) by submitting the FEHB *PostalEASE* Worksheet to your local personnel office within the time limit shown in the column labeled “Time Limits in Which Change May Be Permitted” in the chart on pages 17 to 20 of this Guide. Otherwise, your self and family enrollment will continue until another event (that is, a qualifying life event or FEHB Open Season) occurs that allows you to elect to reduce coverage.

Reducing your FEHB coverage outside of FEHB Open Season must be in keeping with, or on account of, your qualifying life event. For example, if you have a new baby, you usually would not change from Self and Family to a Self Only enrollment, or cancel coverage.

To reduce your FEHB coverage outside of FEHB Open Season, submit an FEHB *PostalEASE* Worksheet to your local personnel office within the time limits shown in the column labeled “Time Limits in Which Change May Be Permitted” in the table on pages 17 to 20 of this Guide. You must provide any supporting documentation requested by your local personnel office. The

Pre-Tax Payment of Premium Contributions

effective date of a change from Self and Family to Self Only will be the first day of the pay period that follows the pay period in which your Worksheet is received by your personnel office. The effective date of a cancellation will be the last day of the pay period in which your Worksheet is received by your personnel office, if received within the specified time limits.

It is your responsibility to notify and submit necessary forms to your local personnel office on time when you are the only person left on your enrollment.

Retirement is NOT a qualifying life event that allows cancellation prior to the date of your retirement. If you wish to cancel an enrollment at retirement, your personnel office will accept your completed SF 2809 and forward it to OPM for processing after separation from the Postal Service. (Annuitants' FEHB premium contributions are not withheld as a pre-tax payment, thus once you are an annuitant, reduction in coverage is allowed at any time.)

During periods of non-pay status or insufficient pay, you may terminate your FEHB enrollment. The effective date of termination is retroactive to the end of the last pay period in which a premium contribution was withheld from pay. Contact your local personnel office for more information about how termination during periods of non-pay status or insufficient pay affects FEHB enrollment.

How to Elect or Waive Pre-Tax Payments

If you pay premiums with after-tax money, you will not be affected by the IRS guidelines described above that restrict reductions in coverage. You may reduce your level of FEHB coverage at any time of year without having a qualifying life event. You will give up the tax savings from paying your premium contributions with pre-tax money.

If you are eligible and you wish to pay your premiums with pre-tax money, you must contact your local personnel office and ask for Postal Service (PS) Form 8202, Pre-Tax Health Insurance Premium Election/Waiver Form for Noncareer Employees. During Open Season, complete the form and return it to your local personnel office by close of business December 14, 2004. If this is your initial opportunity to enroll in FEHB and you qualify for pre-tax payments, you have 60 days to submit your election to your local personnel office. You also may make such an election when you have a qualifying life event which is shown in the Table on pages 17 to 20 of this Guide. Refer to the column labeled "Premium Conversion Election Change That May Be Permitted." You must also satisfy the time limits shown in the column labeled "Time Limits in Which Change May Be Permitted."

If you previously submitted an election to participate in pre-tax payments and you want to begin paying your premiums with after-tax money again, you may submit a new PS 8202 to restore after-tax payment of your premium contributions. You may change the method of payment from pre-tax to after-tax, or the reverse only during the annual FEHB Open Season or following a qualifying life event and within the time limits in the Table on pages 17 through 20 of this Guide..

Your Right To More Information

This section of the FEHB Guide serves as your summary plan description of the USPS Plan for the Pre-tax Payment of Health Insurance Premiums. There is also a legal plan document containing the full legal plan provisions, which you may arrange to view by writing to:

WASHINGTON DC 20260-4210

USPS Flexible Spending Accounts

Flexible Spending Accounts for U.S. Postal Service Career Employees

Any of these expenses in your future?

Doctor visits. Orthodontia. Eye exams, contacts and eyeglasses. Laser vision surgery. Medical and dental deductibles and co-pays. Prescription and over-the-counter drugs. Nursery school. Day care. Summer day camp. Day care for a dependent parent.

Plan ahead and save money.

Set aside dollars in a Flexible Spending Account (FSA). They're tax free. And, FSAs cover eligible expenses for you and your eligible dependents.

Start saving now.

Whether you're selecting a new health benefits plan, or keeping the same one you have now, plan to cover your out-of-pocket health care expenses, including dental and vision expenses, with a Health Care FSA. Enroll in the FSA program during the current open season and your full annual Health Care FSA contribution will be available to you beginning Jan. 1, 2005, even though your payments are spread out over the 2005 pay dates.

What a difference an FSA makes!

You won't pay federal income, Social Security or Medicare taxes on the amount you contribute to an FSA. When you take the tax savings into consideration, an FSA can make a big difference in the amount of money you spend on your family's health.

- Without an FSA you might spend \$400 next year on prescriptions and over-the-counter drugs. With an FSA you may only pay \$250.

- Without an FSA you'll pay about \$325 for eyeglasses compared to \$200 with an FSA.
- Without an FSA, you could pay your dentist or orthodontist \$2,000 next year. An FSA can help trim that cost down to about \$1,250.

Better hurry.

FSA open season ends 5 p.m. Central Time, Dec. 31, 2004. An FSA brochure coming soon to your mailbox will explain more about how you can save with FSAs.

Enroll now!

Call 1-800-842-2026 for more information on how an FSA can work for you and your family and to make sure the expenses you're planning to cover are eligible. Then use convenient *PostalEASE* to enroll.

FSAs and HSAs

Please note that you are not eligible to enroll in a Health Care FSA if you have a Health Savings Account (HSA). To have an HSA, you must enroll in one of the "High Deductible Health Plans" listed at the end of this Guide. If you have an HSA, you may enroll in a Dependent Care FSA as long as you are otherwise eligible.

Now when you access *PostalEASE* by phone or on the Web, instead of your Social Security Number, use your eight-digit employee ID — found at the top of your earnings statement — and your USPS PIN.

The change helps safeguard your Social Security Number by reducing its exposure on printed documents and other media, and that helps protect your privacy.

The Federal Long Term Care Insurance Program

It's important protection.

Here's why you should consider applying for coverage under the Federal Long Term Care Insurance Program (FLTCIP):

- **FEHB plans do not cover the cost of long term care.** Also called “custodial care,” long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself—or supervision you receive because of a severe cognitive impairment. The need for long term care can strike anyone at any age and the cost of care can be substantial.
- **The Federal Long Term Care Insurance Program can help protect you from the potentially high cost of long term care.** This coverage gives you options regarding the type of care you receive and where you receive it. With FLTCIP coverage, you won't have to worry about relying on your loved ones to provide or pay for your care.
- **It's to your advantage to apply sooner rather than later.** To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a future change in your health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums.
- **You don't have to wait for an open season to apply.** The Federal Long Term Care Insurance Program accepts applications from eligible persons at any time. You will have to complete a full underwriting application, which asks a number of questions about your health. However, if you are a new or newly eligible employee, you (and your spouse, if applicable) have a limited opportunity to apply using the abbreviated underwriting application, which asks fewer questions. If you marry, your new spouse will also have a limited opportunity to apply using abbreviated underwriting.
- **Qualified relatives are also eligible to apply.** Qualified relatives include spouses and adult children of employees and annuitants, and parents, parents-in-law, and stepparents of employees.

To find out more and to request an application. Call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Program Features

- **No Waiting Periods.** You can use your benefits as soon as your coverage becomes effective. There are no pre-existing condition limitations even if you change plans.
- **A Choice of Coverage.** Choose between Self Only or Self and Family.
- **A Choice of Plans and Options.** Select from Fee-For-Service (with the option of a Preferred Provider Organization), Health Maintenance Organization, Point of Service plans, or Consumer-Driven plans.
- **Salary Deduction.** You pay your premium through a payroll deduction and have the choice of doing so using pretax dollars. When your premium contributions are withheld on a pre-tax basis, certain Internal Revenue Service guidelines affect your ability to change coverage. You may elect to reduce your coverage, that is, to cancel your FEHB enrollment, or to go from Self and Family to Self Only coverage, only during an FEHB Open Season, unless a qualified life status change occurs. See your local personnel office for details.
- **Annual Enrollment Opportunity.** Each year you can enroll or change your health plan enrollment. This year the Open Season runs from November 8, 2004, through December 14, 2004. Other events allow for certain types of changes throughout the year. See your local personnel office for details.
- **Continued Group Coverage.** Eligibility for you or your family members may continue following your retirement, divorce, death, or changes in employment status. See your local personnel office for more information.
- **Coverage after FEHB Ends.** You or your family members may be eligible for temporary continuation of FEHB coverage or for conversion to non-group (private) coverage when FEHB coverage ends. See your local personnel office for more information.
- **Consumer Protections.** Go to www.opm.gov/insure/health/consumers to see your appeal rights to OPM if you and your plan have a dispute over a claim; to read the Patients' Bill of Rights and the FEHB Program; and to learn about your privacy protections when it comes to your medical information.

Picking a Health Plan

Step 1: What type of health plan is best for you? You have some basic questions to answer about how you pay for and access medical care. Here are the different types of plans from which to choose.

	Choice of doctors, hospitals, pharmacies, and other providers	Specialty care	Out-of-pocket costs	Paperwork
Fee-for-Service w/PPO	You must use the plan's network for full benefits. Not using PPO providers means only some or none of your benefits will be paid.	Referral not required to get benefits.	You pay fewer costs if you use a PPO provider than if you don't.	Some if you don't use network providers.
Health Maintenance Organization	You generally must use the network. You pay all costs for care outside the network.	Referral generally required from primary care doctor to get benefits.	Your out-of-pocket costs are generally limited to copayments.	Little, if any.
Point-of-Service	You must use the network for full benefits. You may go outside the network but it will cost you more.	Referral generally required to get full benefits.	You pay less if you use a network provider than if you don't.	Little if you use the network. You have to file your own claims if you don't use the network.
Consumer-Driven Plans	You may use network and non-network providers. Not using the network will cost you more.	Referral not required to get full benefits.	You will pay an annual deductible and cost-sharing. You pay less if you use the network.	Some if you don't use network providers.
High Deductible Health Plans w/HSA or HRA	Some plans are network only, others pay something even if you do not use a network provider.	Referral not required to get full benefits.	You will pay an annual deductible and cost-sharing. You pay less if you use the network.	If you have an HSA account, you may have to file a claim to obtain reimbursement.

See Definitions starting on page 8 for a more detailed description of each type of plan.

Picking a Health Plan

Step 2: Medical care services. Are preventive care services important to you? What about the freedom to choose your own doctors? Do you prefer to pay a higher deductible in return for a lower premium? Estimate what you might spend on your health care for deductibles, coinsurance/copayments, and services that are not covered. What is the maximum you will have to pay out-of-pocket each year?

An easy-to-use tool allowing you to compare plans is available on the web at www.opm.gov/insure/04/spmt/plansearch.aspx. If you do not have Internet access, use the chart below by consulting the health plans' brochures to review your costs, including premiums, and estimate what you might spend on health care next year. Plan brochures can be obtained from your Human Resources office or on the OPM web site at www.opm.gov/insure/health.

	Health Plan _____	Health Plan _____	Health Plan _____
Annual premium			
Annual deductible			
Office visit to primary care doctor			
Office visit to specialist			
Hospital inpatient deductible/copayment/ coinsurance			
Hospital room & board charges			
Generic drug (local pharmacy)			
Brand name drug (local pharmacy)			
Catastrophic protection limit			
Home health care visits			
Durable medical equipment			
Maternity care			
Well-child care			
Routine physicals			
Accreditation			

The following information can be found in the Member Survey Results section in the benefit charts.

Overall member satisfaction with plan			
Getting needed care			
Getting care quickly			
How well doctors communicate			
Customer service			
Claims processing			

Picking a Health Plan

Step 3: Consider quality. How well do health plans keep their members healthy? How well do health plans treat members when they are sick? Good quality health care means doing the right thing at the right time, in the right way, for a person to achieve the best possible results. Good quality doesn't always mean receiving more care. We provide two types of quality information: accreditation (independent evaluations from private organizations) and member survey opinions (by enrollees).

HMO Accreditation. The evaluations shown in this Guide are performed by the National Committee for Quality Assurance (NCQA), the Joint Commission on Accreditation of Healthcare Organizations (JCAHO), and URAC. The following are the accreditation levels used by each organization. Check your health plan's brochure for its accreditation level.

National Committee for Quality Assurance (www.ncqa.org)	Excellent – Levels of service and clinical quality that meet or exceed NCQA's requirements for consumer protection and quality improvement AND achieve health plan performance results that are in the highest range of national or regional performance.	Commendable – Meets or exceeds NCQA's requirements for consumer protection and quality improvement.	Accredited – Meets most of NCQA's requirements for consumer protection and quality improvement.	Provisional – Meets some but not all of NCQA's requirements for consumer protection and quality improvement.	New Health Plan – Applies to health plans that are less than two years old.
Joint Commission on Accreditation of Healthcare Organizations (www.jcaho.org)	Accreditation with Full Compliance – Demonstrates satisfactory compliance with JCAHO standards in all performance areas.	Accreditation with Requirements for Improvement – Demonstrates satisfactory compliance with JCAHO standards in most performance areas.	Provisional – Demonstrates a previously unaccredited plan's satisfactory compliance with a subset of standards.	Conditional – Demonstrates failure to meet standard(s) or specific policy requirement(s) but is believed capable to do so in a specified time period.	
URAC (www.urac.org)	Full Accreditation – Demonstrates full compliance with standards.	Conditional – Meets most of the standards but needs some improvement before achieving full compliance.	Provisional – A plan that has otherwise complied with all standards but has been in operation for less than 6 months.		

Note: This chart shows the accreditation levels available under each accrediting organization listed. It is not intended to draw comparisons among the different accrediting organizations.

Member Survey. The results shown in the plan comparison sections are collected, scored, and reported by an independent organization – not by the health plans. For each survey measure, individual plan scores are compared to a national average for all plans of the same type. Plan scores are reported as at, above, or below the national average. Here is a brief explanation of each survey category.

Overall Plan Satisfaction	<ul style="list-style-type: none"> • How would you rate your overall experience with your health plan?
Getting Needed Care	<ul style="list-style-type: none"> • Were you satisfied with the choices your health plan gave you to select a personal doctor? • Were you satisfied with the time it takes to get a referral to a specialist?
Getting Care Quickly	<ul style="list-style-type: none"> • Did you get the advice or help you needed when you called your doctor during regular office hours? • Could you get an appointment for regular or routine care when you wanted?
How Well Doctors Communicate	<ul style="list-style-type: none"> • Did your doctor listen carefully to you and explain things in a way you could understand? • Did your doctor spend enough time with you?
Customer Service	<ul style="list-style-type: none"> • Was your plan helpful when you called its customer service department? • Did you have paperwork problems? • Were the plan's written materials understandable?
Claims Processing	<ul style="list-style-type: none"> • Did your plan pay your claims correctly and in a reasonable time?

Picking a Health Plan

Fee-for-Service (FFS) plans and their Preferred Provider Organizations (PPO) are organized much differently and perform different functions than Health Maintenance Organizations (HMO) and Point-of-Service (POS) plans. Consequently, the accreditation of these plans is different from HMOs and POS plans. The following chart shows activities common to FFS/PPO plans and the X indicates that your FFS/PPO plan (or a vendor with which it contracts) has achieved accreditation in these areas.

	Behavioral Health	Case Management	Disease Management	Health Utilization Management	Health Network Accreditation	Health Plan Accreditation
APWU Health Plan	X	X	X	X	X	
Blue Cross and Blue Shield		X				
GEHA		X	X	X	X	
Mail Handlers			X	X		
NALC	X			X		
PBP Health Plan					X	
Rural Carrier				X		X

Behavioral Health – a utilization management program that specializes in mental health and substance abuse or chemical dependency services.

Case Management – identifying plan members with special healthcare needs, developing a strategy that meets those needs, and coordinating and monitoring the ongoing care.

Disease Management – intensively managing a particular disease. Disease management encompasses all settings of care and places a heavy emphasis on prevention and maintenance. Similar to case management but more focused on a defined set of diseases.

Health Utilization Management – managing the use of medical services so that a patient receives necessary, appropriate, high-quality care in a cost-effective manner. It requires plans to use clinical personnel to make decisions.

Health Network Accreditation – this standard includes key quality benchmarks for network management, provider credentialing, utilization management, quality management and improvement and consumer protection.

Health Plan Accreditation – a comprehensive assessment of a plan’s performance in key areas including network management, provider credentialing, utilization management, quality management and improvement, and consumer protection.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems, such as permanent disabilities, extended hospital stays, longer recoveries, and additional treatments. By asking questions, learning more, and understanding your risks, you can improve the safety of your health care, and that of your family. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Give your doctor and pharmacist a list of all the medicines that you take, including non-prescription medicines.
- Tell them about any drug allergies you have.
- Ask about side effects and what to avoid while taking the medicine.
- Read the label when you get your medicine, including all warnings.
- Make sure your medicine is what the doctor ordered and know how to use it.
- Ask the pharmacist about your medicine if it looks different than you expected.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - Exactly what will you be doing?
 - About how long will it take?
 - What will happen after surgery?
 - How can I expect to feel during recovery?
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Want more information on patient safety?

- ➔ www.ahrq.gov/consumer/pathqpack.htm. The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality healthcare providers and improve the quality of care you receive.
- ➔ www.patientsafety.gov. The VA National Center for Patient Safety is dedicated to improving the care of America's veterans and offering patients and health care providers, as well as the general public, information on what can be done to improve patient safety.
- ➔ www.npsf.org. The National Patient Safety Foundation has information on how to ensure safer healthcare for you and your family.
- ➔ www.leapfroggroup.org. The Leapfrog Group is active in promoting safe practices in hospital care.
- ➔ www.ahqa.org. The American Health Quality Association represents organizations and healthcare professionals working to improve patient safety.

Stop Health Care Fraud

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program (FEHBP) premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHBP regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud - Here are some things you can do to prevent fraud:

- Be wary of giving your health plan identification number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid health care providers who say that an item or service is not usually covered, but they know how to bill your health plan to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from your health plan.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get your health plan to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call your health plan and explain the situation.
 - If they do not resolve the issue:

CALL – THE HEALTH CARE FRAUD HOTLINE

202-418-3300

OR WRITE TO:

The United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, DC 20415

- Do not maintain as a family member under your FEHB coverage:
 - your former spouse after a divorce decree or annulment is final (even if a court orders it); or
 - your child over age 22 unless he/she is incapable of self support.
- If you have any questions about the eligibility of a dependent, check with your local personnel office.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHBP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

FEHB Web Resources

Use the FEHB web site for additional help in choosing the health plan that is right for you.

The FEHB web site at www.opm.gov/insure/health can help you to choose your health plan and enroll. In addition to the information found in this Guide you will find:

- An interactive tool that allows you to make side-by-side comparisons of the costs, benefits, and quality indicators of the plans in your area.
- All health plan brochures.
- A comparison of how FEHB plans perform in important medical areas under the Health Plan Employer Data and Information Set (HEDIS). HEDIS is a set of standardized performance measures that allows users to reliably compare managed care health plan performance across specific clinical areas. The performance measures are related to many significant diseases such as cancer, heart disease, asthma, and diabetes. Compare plan results at www.opm.gov/insure/health/hedis2004.
- Information on enrolling, including online enrollment for employees of selected agencies.
- Information on how plans in the FEHB Program coordinate benefit payments with Medicare.
- A comprehensive set of Frequently Asked Questions and answers on all aspects of the Program.
- An online version of the FEHB Handbook for more information on FEHB policies and procedures.

USPS Employees:

Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment

The following chart combines and replaces the OPM chart titled “Table of Permissible Changes in Enrollment for SF2809,” previously published in the SF2809 Health Benefits Election Form, and the list of qualified life status changes published in 2002 and earlier editions of RI 70-2, Guide to Federal Employees Health Benefits Plans For United States Postal Service Employees, and the FEHB guides for USPS law enforcement and noncareer employees. (Since USPS is using PostalEASE for Federal Employees Health Benefits (FEHB) elections, SF2809 is no longer used.)

All employees must meet the time limits stated in the far right column. Employees who are paying premiums on a pre-tax basis may only make changes that are in keeping with, or on account of, the change described in the table. For example, if you have a new baby, you would usually not cancel coverage. This restriction does not apply to open season changes, or to the initial opportunity to enroll. USPS career employees are automatically enrolled for pre-tax payment of health insurance premiums; noncareer employees must elect it. Employees who are paying premiums on an after-tax basis may cancel coverage or reduce coverage from Self and Family to Self Only at any time—they do not need to have an event.

USPS Employees: Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment

See explanatory note on first page of this chart.

Code	Event	FEHB ENROLLMENT CHANGE THAT MAY BE PERMITTED				PREMIUM CONVERSION ELECTION CHANGE THAT MAY BE PERMITTED		TIME LIMITS IN WHICH CHANGE MAY BE PERMITTED
		From Not Enrolled to Enrolled	From Self Only to Self and Family	From One Plan or Option to Another	Cancel or Change to Self Only	Participate	Waive	When You Must File Health Benefits Election with Your Employing Office
1A	Initial Opportunity to Enroll, for example: <ul style="list-style-type: none"> • New employee • Change from excluded position • Temporary (Non-career) employee who completes 1 year of service and is eligible to enroll under 5 USC 8906a 	Yes	N/A	N/A	N/A	Automatic unless waived (except for temporary employees)	Yes (Automatic for temporary employees)	Within 60 days after becoming eligible
1B	Open Season	Yes	Yes	Yes	Yes	Yes	Yes	As announced by OPM
1C	Change in family status that results in increase or decrease in number of eligible family members, for example: <ul style="list-style-type: none"> • Marriage, divorce, annulment, legal separation • Birth, adoption, acquiring foster child or stepchild, issuance of court order requiring employee to provide coverage for child • Last dependent child loses coverage, for example child reaches age 22 or marries, stepchild moves out of employee's home, disabled child becomes capable of self-support, child acquires other coverage by court order • Death of spouse or dependent 	Yes	Yes	Yes	Yes	Yes	Yes	Within 60 days after change in family status
		<i>Employees may enroll or change beginning 31 days before the event</i>						
1D	Any change in employee's employment status that could result to entitlement to coverage, for example: <ul style="list-style-type: none"> • Reemployment after a break in service of more than 3 days • Return to pay status from nonpay status, or return to receiving pay sufficient to cover premium withholdings, if coverage terminated (If coverage did not terminate, see 1G) 	Yes	N/A	N/A	N/A	Automatic unless waived	Yes	Within 60 days after employment status change
1E	Any change in employee's employment status that could affect the cost of insurance, including: <ul style="list-style-type: none"> • Change from temporary appointment with eligibility for coverage under 5 USC 8906a to appointment that permits receipt of government contribution • Change from full time to part time career or the reverse 	Yes	Yes	Yes	Yes	Yes	Yes	Within 60 days after employment status change

USPS Employees: Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment

See explanatory note on first page of this chart.

Code	Event	FEHB ENROLLMENT CHANGE THAT MAY BE PERMITTED				PREMIUM CONVERSION ELECTION CHANGE THAT MAY BE PERMITTED		TIME LIMITS IN WHICH CHANGE MAY BE PERMITTED
		From Not Enrolled to Enrolled	From Self Only to Self and Family	From One Plan or Option to Another	Cancel or Change to Self Only ¹	Participate	Waive	When You Must File Health Benefits Election with Your Employing Office
1F	Employee restored to civilian position after serving in uniformed service ²	Yes	Yes	Yes	Yes	Yes	Yes	Within 60 days after return to civilian position
1G	Employee, spouse or dependent: <ul style="list-style-type: none"> • begins nonpay status or insufficient pay³ or • ends nonpay status or insufficient pay if coverage continued • (If employee's coverage terminated, see 1D) • (If spouse's or dependent's coverage terminated, see 1M) 	No	No	No	Yes	Yes	Yes	Within 60 days after employment status change
1H	Salary of temporary employee insufficient to make withholdings for plan in which enrolled	N/A	No	Yes	Yes	Yes	Yes	Within 60 days after receiving notice from employing office
1I	Employee (or covered family member) enrolled in FEHB health maintenance organization (HMO) moves or becomes employed outside the geographic area from which the FEHB carrier accepts enrollments or, if already outside the area, moves further from this area. ⁴	N/A	Yes	Yes	N/A (see M1)	No (see M1)	No (see M1)	Upon notifying employing office of move
1J	Transfer from post of duty within a state of the United States or the District of Columbia to post of duty outside a State of the United States or District of Columbia, or reverse	Yes	Yes	Yes	Yes	Yes	Yes	Within 60 days after arriving at new post
1K	Separation from Federal Employment when the employee or employee's spouse is pregnant	Yes	Yes	Yes	N/A	N/A	N/A	During employee's final pay period
1L	Employee becomes entitled to Medicare and wants to change to another plan or option. ⁵	No	No	Yes (Change may be made only once)	N/A (see M1)	No (see M1)	No (see M1)	Any time beginning on the 30th day before becoming eligible for Medicare

¹ Employees may change to Self Only outside of Open Season only if **the QLE caused** the enrollee to be the last eligible family member under the FEHB enrollment. Employees may cancel enrollment outside of Open Season only if **the QLE caused** the enrollee and all the eligible family members to acquire other health insurance coverage.

² Employees who enter active military service are given the opportunity to terminate coverage. Termination for this reason does not count against the employee for purposes of meeting the requirements for continuing coverage after retirement. Additional information on the FEHB coverage of employees who return from active military service will be forthcoming.

³ Employees who begin nonpay status or insufficient pay **must** be given an opportunity to elect to continue or terminate coverage. A termination differs from a cancellation as it allows conversion to nongroup coverage and does not count against the employee for purposes of meeting the requirements for continuing coverage after retirement.

USPS Employees: Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment

See explanatory note on first page of this chart.

QUALIFYING LIFE EVENTS (QLEs) THAT MAY PERMIT CHANGE IN FEHB ENROLLMENT OR PREMIUM CONVERSION ELECTION		FEHB ENROLLMENT CHANGE THAT MAY BE PERMITTED				PREMIUM CONVERSION ELECTION CHANGE THAT MAY BE PERMITTED		TIME LIMITS IN WHICH CHANGE MAY BE PERMITTED
Code	Event	From Not Enrolled to Enrolled	From Self Only to Self and Family	From One Plan or Option to Another	Cancel or Change to Self Only	Participate	Waive	When You Must File Health Benefits Election with Your Employing Office
1M	<p>Employees or eligible family member loses coverage under FEHB or another group insurance plan including the following:</p> <ul style="list-style-type: none"> • Loss of coverage under another FEHB enrollment due to termination, cancellation, or change to self-only of the covering enrollment • Loss of coverage due to termination of membership in employee organization sponsoring the FEHB plan ⁶ • Loss of coverage under another federally-sponsored health benefits program, including: TRICARE, Medicare, Indian Health Service • Loss of coverage under Medicaid or similar State-sponsored program of medical assistance for the needy • Loss of coverage under a non-Federal health plan, including foreign, state or local government, private sector • Loss of coverage due to change in worksite or residence (<i>Employees in an FEHB HMO, also see 1I</i>) 	Yes	Yes	Yes	Yes	Yes	Yes	Within 60 days after loss of coverage
		<i>Employees may enroll or change beginning 31 days before the event</i>						
1N	Loss of coverage under a non-Federal group health plan because an employee moves out of the commuting area to accept another position and the employee's non-Federally employed spouse terminates employment to accompany the employee	Yes	Yes	Yes	Yes	Yes	Yes	From 31 days before the employee leaves the commuting area to 180 days after arriving in the new commuting area

⁴This code reflects the FEHB regulation that gives employees enrolled in an FEHB HMO who **change from Self Only to Self and Family or from one plan or option to another** a different timeframe than that allowed under 1M. For change to Self Only, cancellation, or change in premium conversion status see 1M.

⁵This code reflects the FEHB regulation that gives employees enrolled in FEHB a one-time opportunity to change plans or options under a different timeframe than that allowed by 1P. For change to Self Only, cancellation, or change in premium conversion status, see 1P.

⁶If employees membership terminates, (e.g., for failure to pay membership dues), the employee organization will notify the agency to **terminate** the enrollment.

USPS Employees: Table of Permissible Changes in FEHB Enrollment and Pre-Tax/After-Tax Premium Payment

See explanatory note on first page of this chart.

Code	Event	FEHB ENROLLMENT CHANGE THAT MAY BE PERMITTED				PREMIUM CONVERSION ELECTION CHANGE THAT MAY BE PERMITTED		TIME LIMITS IN WHICH CHANGE MAY BE PERMITTED
		From Not Enrolled to Enrolled	From Self Only to Self and Family	From One Plan or Option to Another	Cancel or Change to Self Only	Participate	Waive	When You Must File Health Benefits Election with Your Employing Office
10	Employee or eligible family member loses coverage due to discontinuation in whole or part of FEHB plan ⁷	Yes	Yes	Yes	Yes	Yes	Yes	During open season, unless OPM sets a different time
1P	Employee or eligible family member gains coverage under FEHB or another group insurance plan, including the following: <ul style="list-style-type: none"> • Medicare (<i>Employees who become eligible for Medicare and want to change plans or options, see 1I</i>) • TRICARE for Life, due to enrollment in Medicare • TRICARE due to change in employment status, including: (1) entry into active military service, (2) retirement from reserve military service under chapter 67, title 10 • Medicaid or similar state sponsored program of medical assistance for the needy • Health insurance acquired due to change of worksite or residence that affects eligibility for coverage • Health insurance acquired due to spouse's or dependent's change in employment status (including state, local or foreign government or private sector employment) ⁸ 	No	No	No	Yes	Yes	Yes	Within 60 days after QLE
1Q	Change in spouse's or dependent's coverage options under a non-Federal health plan, for example: <ul style="list-style-type: none"> • Employer starts or stops offering a different type of coverage (<i>If no other coverage is available, also see 1M</i>) • Change in cost of coverage • HMO adds a geographic service area that now makes spouse eligible to enroll in that HMO • HMO removes a geographic area that makes spouse ineligible for coverage under that HMO, but other plans or options are available (<i>If no other coverage is available, see 1M</i>) 	No	No	No	Yes	Yes	Yes	Within 60 days after QLE

⁷ Employee's failure to select another FEHB plan is deemed a cancellation for purposes of meeting the requirements for continuing coverage after retirement.

⁸ Under IRS rules, this includes start/stop of employment or nonpay status, strike or lockout, and change in worksite.

FEHB and *PostalEASE*

The United States Postal Service is now using *PostalEASE* to enter Federal Employee Health Benefit (FEHB) Program Open Season enrollments and changes. By using *PostalEASE* for health benefits, and by sending information to health insurance companies electronically instead of via paper forms as in past open seasons, the Postal Service expects that employees who make health benefits changes will get their new insurance cards more quickly. All the information you need for using *PostalEASE* is included in the FEHB *PostalEASE* Worksheet found on pages 22 to 25 of this Guide. Just follow the instructions to:

- Enroll
- Change Enrollment
- Cancel Enrollment
- Review or change your pending open season transaction
- Review or update your dependent information
- Review your current enrollment information
- Receive a copy of a health benefits election that was processed using *PostalEASE*

If you want to make a change for the 2005 plan year, you may do so during the annual FEHB Open Season, which is from November 8 through December 14, 2004, at 5:00 PM Central Time. If you currently have an FEHB enrollment and you do not want to make any changes, *do nothing*. Your coverage will continue automatically.

Please do not wait until late in the open season to enter your choice via *PostalEASE*. If you select Self and Family coverage, then you'll need to enter information about your dependents. Although this will take extra time, providing this information is required under FEHB regulations. Just complete the FEHB *PostalEASE* Worksheet and follow the instructions carefully.

All open season Self Only enrollments, changes to Self Only coverage, and cancellations, should be entered as employee "self service" transactions using *PostalEASE*. Since dependent information is not required, such transactions are simple. Most Self and Family enrollments can also be completed as employee self service transactions, although they require additional information. The easiest way to do this is via the *PostalEASE* Employee Web, which is available through the Blue page or on a kiosk. Many Self and Family transactions can also be completed by telephone. If you are unable to enter your dependent information via the telephone, the *PostalEASE* system will refer you to the Web, a kiosk, or your local personnel office. *PostalEASE* provides the enrollment date, processing date, and effective date when you complete your transaction. You may delete or change a pending transaction until it is processed. If you are newly eligible for FEHB as a career employee, you may also use *PostalEASE* during the first 60 days after your date of appointment.

This Guide contains important FEHB policy information that used to be provided to you as part of the SF 2809 *Health Benefits Election Form*. Be sure you understand how your health benefits work, including information on which family members are eligible, how you pay for your health benefits premiums using pre-tax dollars, and the limitations on making a health benefits change outside of open season. As a reminder, to continue health benefits coverage during retirement, you must have had five consecutive years of FEHB coverage immediately prior to your retirement. If you need help understanding any of this information, or you need help using *PostalEASE*, you should contact your local personnel office for assistance.

FEHB Program *PostalEASE* Worksheet

Federal Employees Health Benefits (FEHB) Program *PostalEASE* Worksheet

The *PostalEASE* telephone system and web site provide a convenient, confidential, and secure way for you to newly enroll, change your current enrollment, or cancel your enrollment in the Federal Employees Health Benefits (FEHB) Program. If you have access to *PostalEASE* on the Intranet (from the blue page) or at an Employee Self-Service Kiosk (available in some facilities), using either of these may be easier than using the telephone.

Through *PostalEASE* you may:

- Make a change to your current enrollment during FEHB Open Season (November 8, 2004 – December 14, 2004, 5 p.m. Central Time)
- Make an election as a new employee within 60 days of your date of hire.
- Update your dependents' information — although if you are not making a change in your enrollment at the same time, you must also contact your health plan carrier directly with this information. *PostalEASE* will not transmit dependent change information to the insurance carrier if an enrollment transaction has not occurred.

You cannot use *PostalEASE* to newly enroll or change your enrollment due to the occurrence of a permitting event, nor to cancel or reduce your coverage due to a qualified life status change. You must contact your local personnel office to assist you with these actions.

If you are not making any changes to your current FEHB enrollment, then you do not need to do anything.

Preparing for *PostalEASE* FEHB Enrollment

1. **Read the Privacy Act Statement** on the other side of this page.
2. **Read and understand the RI 70-2, *Guide to FEHB Plans***, which is mailed to you each FEHB open season.
3. **Make sure you have the following information** ready before using *PostalEASE*:
 - a. Your USPS personal identification number (**PIN**). If you don't know your PIN, just call *PostalEASE*. When prompted to enter your PIN, pause and you will be given the option of having it mailed to your address of record. Usually it will be mailed by the next business day. Or, request your USPS PIN from *PostalEASE* on the Intranet (from the blue page) or at an Employee Self-Service Kiosk (available in some facilities).
 - b. Your Employee Identification number (EID).
 - c. Your daytime **phone number**.
 - d. The name of the **health benefits plan** in which you are enrolling.
 - e. The **code** of the health benefits plan in which you are **enrolling**. For the name and code, refer to the list of codes in RI 70-2, *Guide to FEHB Plans*, or to the health plan brochure.
 - f. The names, Social Security Numbers (optional), addresses, and dates of birth for all **eligible family members** that will be covered under your health benefits enrollment. For more information on family member eligibility, see RI 70-2, *Guide to FEHB Plans*.
 - g. The name and policy number of any **other group insurance** you or any of your eligible family members may have (including Tricare, Medicare, etc.).
 - h. If you are changing plans or canceling coverage, the **code** of the health benefits plan in which you are **currently enrolled** — that is, the plan that you will not have after your choice takes effect. The code for your current plan is found on your biweekly earnings statement. It is the three-character code that follows the letters "HP" or "HB." For example, the Blue Cross Self and Family Standard plan will be shown as HP105 or HB105, and you will enter the code 105 in *PostalEASE*. You may also refer to the list of codes in RI 70-2, *Guide to FEHB Plans*.
4. **Complete the worksheet** on following pages, using the information you prepared above.

PostalEASE FEHB Worksheet

Now You Are Ready To Call

- If you have access to the *PostalEASE* Employee Web on the Intranet (from the blue page) or to an Employee Self-Service Kiosk (available in some facilities), using either may be simpler than using the telephone. Just follow the instructions.
- Otherwise, call *PostalEASE* toll-free at 1-877-4PS-EASE (1-877-477-3273).
- When prompted, select Federal Employees Health Benefits.
- Follow the script and prompts to enter your EID, your USPS PIN, and other required information. (Having your completed *PostalEASE* FEHB Worksheet on hand will help you complete your transaction.)
- If you currently have an FEHB enrollment and you do not want to make any changes . . . **do nothing**.

WARNING: Any intentionally false statement in this application or willful misrepresentation relative thereto is a violation of the law punishable by a fine of not more than \$10,000 or imprisonment of not more than 5 years, or both. (18 U.S.C. 1001)

PRIVACY ACT STATEMENT: The collection of this information is authorized by 39 USC 401, 1001, 1003, 1005; 5 USC 8339; 42 USC 2000e-16, and Executive Orders 11478 and 11590. This information will be used to process your enrollment in the Federal Employees Health Benefit system and to manage your claim under that plan. As a routine use, the information may be disclosed to an appropriate government agency, domestic or foreign, for law enforcement purposes; where pertinent, in a legal proceeding to which the USPS is a party or has an interest; to a government agency in order to obtain information relevant to a USPS decision concerning employment, security clearances, contracts, licenses, grants, permits or other benefits; to a government agency upon its request when relevant to its decision concerning employment, security clearances, security or suitability investigations, contracts, licenses, grants or other benefits; to a congressional office at your request; to an expert, consultant, or other person under contract with the USPS to fulfill an agency function; to the Federal Records Center for storage; to the Office of Management and Budget for review of private relief legislation; to an independent certified public accountant during an official audit of USPS finances; to an investigator, administrative judge or complaints examiner appointed by the Equal Employment Opportunity Commission for investigation of a formal EEO complaint under 29 CFR 1614; to the Merit Systems Protection Board or Office of Special Counsel for proceedings or investigations involving personnel practices and other matters within their jurisdiction; to a labor organization as required by the National Labor Relations Act; to agencies having taxing authority for taxing purposes; to financial organizations receiving allotments; to State Employment Security Agencies to process unemployment compensation claims; to a Federal or state agency providing parent locator service or to other authorized persons as defined by Pub. L. 93-647; to the National Association of Postal Supervisors that relates to postal supervisors; to a prospective employer for consideration of employment; to management for compilation of a local seniority list for posting; to the EEOC for enforcement of Federal EEO regulations; to the appropriate finance center as required under the provisions of the Dual Compensation Act; to the Office of Personnel Management, Social Security Administration, Veterans Administration, Office of Workers' Compensation Programs; health insurance carriers, or plans, or other program management agencies or retirement systems for use in determining a claim for benefits; and to OPM for its active employee/annuitant data systems used to analyze Federal retirement and insurance costs. Providing the information is voluntary; however, if this information is not provided, we may not be able to process your enrollment. We also request that you provide your social security number so that it may be used as your individual identifier in the Federal Employee Health Benefits system. Executive order 9397 dated November 22, 1943, allows Federal Agencies to use the social security number as an individual identifier to distinguish between people with the same or similar names.

Computer Matching: Limited information may be disclosed to a Federal, state, or local government administering benefits or other programs pursuant to statute for purpose of conducting computer matching programs under the Act. These programs include, but are not limited to, matches performed to verify an individual's initial or continuing eligibility for, indebtedness to, or compliance with requirements of a benefit program.

PostalEASE FEHB Worksheet

This worksheet will help you prepare to call *PostalEASE*, or use *PostalEASE* on the Intranet (from the blue page), or on an Employee Self - Service Kiosk (now available in some facilities). You may also prepare this worksheet and contact your local personnel office if you cannot enroll or make a change because *PostalEASE* does not accept the required documentation.

Note: If you have any trouble using *PostalEASE*, or if you are unable to use the telephone because you are deaf or hard of hearing, or you cannot use the telephone, Internet, or Employee Self-Service Kiosk for medical reasons, you may contact your local personnel office for assistance. **If you contact your local personnel office, be sure to complete this worksheet first.**

Old Plan Enrollment Code (if you are changing plans or cancelling your current plan) _____

Please note:

Changes due to a qualifying life event (QLE) cannot be made via *PostalEASE*.

If you wish to make any change that is not listed under “Type of Action You Are Requesting” above, you must contact your local personnel office. You will need to present documentation showing that your election is due to a QLE and that you are contacting personnel within the required time frame.

For more information on qualifying life events, please refer to the RI 70-2, *Guide to FEHB Plans*, which is mailed to you each FEHB open season.

Your Other Group Insurance (Not used for waiving enrollment as a new employee)	
Do you have any group health insurance coverage other than under the FEHB plan in which you are now enrolling or already enrolled? <input type="checkbox"/> Yes <input type="checkbox"/> No	Identify Type of Other Insurance Coverage <input type="checkbox"/> Medicare Part A <input type="checkbox"/> Medicare Part B <input type="checkbox"/> Tricare or Champus Policy No. (if known) _____

Nationwide Fee-For-Service Plans Open to All

(Pages 28 through 32)

Fee-for-Service (FFS) Plans with a Preferred Provider Organization (PPO) – A Fee-for-Service plan provides flexibility in using medical providers of your choice. You may choose medical providers who have a contract with the health plan to offer discounted charges. You can also choose medical providers who are not contracted with the plan, but you will pay more of the cost.

Medical providers who have contracts with the health plan (Preferred Provider Organization or PPO) offer discounted charges. You usually pay a copayment or a coinsurance charge and do not file claims or other paperwork. Going to a PPO hospital does not guarantee PPO benefits for all services received in the hospital. Lab work and radiology services from independent practitioners within the hospital are frequently not covered by a PPO agreement. If you receive treatment from medical providers who are not contracted with the health plan, you either pay them directly and submit a claim for reimbursement to the health plan or the health plan pays the provider directly according to plan coverage, and you pay a deductible and coinsurance. You pay a greater amount of the out-of-pocket cost.

PPO-only – A PPO-only plan provides medical services only through medical providers that have contracts. There is no medical coverage if you or your family members receive care from providers not contracted with the plan.

Nationwide Fee-for-Service Plans Open to All

How to read this chart:

The table below highlights selected features that may help you narrow your choice of health plans. *Always consult plan brochures before making your final decision.* The chart does not show all of your possible out-of-pocket costs.

The **Deductibles** shown are the amount of covered expenses that you pay before your health plan begins to pay.

Calendar Year deductibles for families are two or more times the per person amount shown.

In some plans your combined **Prescription Drug** purchases from Mail Order and local pharmacies count toward the deductible. In other plans, only purchases from local pharmacies count. Some plans require each family member to meet a per person deductible.

The **Hospital Inpatient** deductible is what you pay each time you are admitted to a hospital.

Doctors shows what you pay for inpatient surgical services and for office visits.

Your share of **Hospital Inpatient Room and Board** covered charges is shown.

The **Generic** drug figure is the copayment or coinsurance most commonly paid by members of this health plan for a Generic formulary drug.

Plan Name	Telephone Number	Enrollment Code		Total Monthly Premium		Total Biweekly Premium

Brand Name/Non-formulary is what you pay for a manufacturer's Brand name drug on this health plan's formulary. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in this column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a Non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

The prescription drug copayments or coinsurances described in this chart do not represent the complete range of cost-sharing under these plans. Many plans have variations in their prescription drug benefits (e.g., you pay the greater of a dollar amount or a percentage, or you pay one amount for your first prescription and then a different amount for refills). The prescription drug figures in this chart show what most plan members pay for their medications under each plan. **You must read the plan brochure for a complete description of prescription drug and all other benefits.**

Fee-for-Service Plans – Blue Cross and Blue Shield Service Benefit Plan – Member Survey Results for Select States

Again this year we are providing more detailed information regarding the quality of services provided by our health plans. We are including the results of the Member Satisfaction survey at the *state level* for eight local Blue Cross Blue Shield (BCBS) Plans. Prior to 2003, BCBS conducted a single survey representing all of its members *nationwide*. We now provide local member satisfaction results for both the Standard Option plan and the Basic Option plan.

In the future, we expect to increase the number of plans conducting local or regional Member Satisfaction surveys. We look forward to making those results available to help you select quality health plans.

Below are Member Survey ratings for local BCBS plans by location.

Plan Name		Location	Plan Code	Member Survey Results

Nationwide Fee-For-Service Plans Open Only to Specific Groups

(Pages 34 through 36)

Fee-For-Service (FFS) Plans with a Preferred Provider Organization (PPO) — An FFS plan that allows you to see medical providers who reduce their charges to the plan; you pay less money out-of-pocket when you use a PPO provider. When you visit a PPO you usually won't have to file claims or paperwork. However, going to a PPO hospital does not guarantee PPO benefits for all services received within that hospital. For instance, lab work and radiology services from independent practitioners within the hospital are frequently not covered by the PPO agreement.

Fee-For-Service (FFS) Plans (non-PPO) — An FFS plan that either pays the medical provider directly or reimburses you for covered medical expenses. When you need medical attention, you visit the doctor or hospital of your choice.

Nationwide Fee-for-Service Plans Open Only to Specific Groups

How to read this chart:

The table below highlights selected features that may help you narrow your choice of health plans. *Always consult plan brochures before making your final decision.* The chart does not show all of your possible out-of-pocket costs.

The **Deductibles** shown are the amount of covered expenses that you pay before your health plan begins to pay.

Calendar Year deductibles for families are two or more times the per person amount shown.

In some plans your combined **Prescription Drug** purchases from Mail Order and local pharmacies count toward the deductible. In other plans, only purchases from local pharmacies count. Some plans require each family member to meet a per person deductible.

The **Hospital Inpatient** deductible is what you pay each time you are admitted to a hospital.

Doctors shows what you pay for inpatient surgical services and for office visits.

Your share of **Hospital Inpatient Room and Board** covered charges is shown.

The **Generic** drug figure is the copayment or coinsurance most commonly paid by members of this health plan for a Generic formulary drug.

Plan Name	Telephone Number	Enrollment Code		Total Monthly Premium		Total Biweekly Premium	
		Self only	Self & family	Self only	Self & family	Self only	Self & family
Rural Carrier Benefit Plan (Rural)	800/638-8432	381	382	451.92	919.51	208.58	424.39

Brand Name/Non-formulary is what you pay for a manufacturer's Brand name drug on this health plan's formulary. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in this column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a Non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

The prescription drug copayments or coinsurances described in this chart do not represent the complete range of cost-sharing under these plans. Health Maintenance Organization Plans and Plans Offering a Point-of-Service Product

(Pages 38 through 65)

Health Maintenance Organization (HMO) – A Health Maintenance Organization provides care through a network of physicians and hospitals in particular geographic or service areas. HMOs coordinate the health care service you receive and free you from completing paperwork or being billed for covered services. Your eligibility to enroll in an HMO is determined by where you live or, for some plans, where you work. If you travel or are away from home for extended periods, some HMOs are affiliated with or have arrangements with HMOs in other service areas for non-emergency care (reciprocity). Plans that offer reciprocity discuss it in their brochure.

- The HMO provides a comprehensive set of services – as long as you use the doctors and hospitals affiliated with the HMO. HMOs charge a copayment for primary physician and specialist visits and generally no coinsurance for in-hospital care.
- Most HMOs ask you to choose a doctor or medical group as your primary care physician (PCP). Your PCP provides your general medical care. In many HMOs, you must get authorization or a “referral” from your PCP to see other providers. The referral is a recommendation by your physician for you to be evaluated and/or treated by a different physician or medical professional. The referral ensures that you see the right provider for the care most appropriate to your condition.
- Medical Care from a provider not in the plan’s network is not covered unless it’s emergency care or your plan has an arrangement with another plan.

Plans Offering a Point-of-Service (POS) Product – A Point-of-Service (POS) plan is like having two plans in one – an HMO and a FFS plan. A POS allows you and your family members to choose between using, (1) a network of providers in a designated service area (like an HMO), or (2) out-of-network providers (like a FFS plan). When you use the POS network of providers, you usually pay a copayment for services and do not have to file claims or other paperwork. If you use out-of-network providers, you pay a deductible then coinsurance. Your out-of-pocket costs are higher and you file your own claims for reimbursement.

Health Maintenance Organization (HMO) and Point-of-Service (POS) Plans

How to read this chart: The table below highlights selected features that may help you narrow your choice of health plans. Always consult plan brochures before making your final decision. This chart does not show all of your possible out-of-pocket costs.

Primary Care Specialist/Office Copay shows what you pay for each office visit to your primary care doctor and specialist. Contact your plan to find out what providers it considers specialists.

Hospital per Stay Deductible is the amount you pay when you are admitted into a hospital.

Health Maintenance Organization (HMO) and Point-of-Service (POS) Plans

How to read this chart: The table below highlights selected features that may help you narrow your choice of health plans. Always consult plan brochures before making your final decision. This chart does not show all of your possible out-of-pocket costs.

Primary Care Specialist/Office Copay shows what you pay for each office visit to your primary care doctor and specialist. Contact your plan to find out what providers it considers specialists.

Hospital per Stay Deductible is the amount you pay when you are admitted into a hospital.

Prescription Drugs — Generic, Brand Name, and Non-formulary shows what you pay for prescriptions when you use a plan pharmacy. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in the Brand name/Non-formulary column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is

superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

Member Survey Results — See page 3 for a description.

Accredited — The National Committee for Quality Assurance (NCQA); the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); and/or URAC (URAC). See page 3 for details.

Prescription Drugs — Generic, Brand Name, and Non-formulary shows what you pay for prescriptions when you use a plan pharmacy. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in the Brand name/Non-formulary column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is

superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

Member Survey Results — See page 3 for a description.

Accredited — The National Committee for Quality Assurance (NCQA); the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); and/or URAC (URAC). See page 3 for details.

Prescription Drugs — Generic, Brand Name, and Non-formulary shows what you pay for prescriptions when you use a plan pharmacy. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in the Brand name/Non-formulary column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is

superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

Member Survey Results — See page 3 for a description.

Accredited — The National Committee for Quality Assurance (NCQA); the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); and/or URAC (URAC). See page 3 for details.

Prescription Drugs — Generic, Brand Name, and Non-formulary shows what you pay for prescriptions when you use a plan pharmacy. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in the Brand name/Non-formulary column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is

superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

Member Survey Results — See page 3 for a description.

Accredited — The National Committee for Quality Assurance (NCQA); the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); and/or URAC (URAC). See page 3 for details.

Prescription Drugs — Generic, Brand Name, and Non-formulary shows what you pay for prescriptions when you use a plan pharmacy. You pay the Brand name amount if you or your doctor request the Brand name or if a Generic is not available. The figure in the Brand name/Non-formulary column is the copayment or coinsurance most commonly paid by members of this health plan for a Brand name formulary drug. If a non-formulary drug is prescribed and the cost to you is different than the Brand name, you pay the second amount if listed.

Mail Order Discounts. If your plan has a Mail Order program and that program is

superior to the purchase of medications at the pharmacy (e.g., you get a greater quantity or pay less through Mail Order), your plan's response is "yes." If the plan does not have a Mail Order program or it is not superior to its pharmacy benefit, the plan's response is "no."

Member Survey Results — See page 3 for a description.

Accredited — The National Committee for Quality Assurance (NCQA); the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); and/or URAC (URAC). See page 3 for details.

High Deductible and Consumer-Driven Health Plans

Nationwide and Regional High Deductible Health Plans with a Health Savings Account or Health Reimbursement Arrangement and Consumer-Driven Plans

(Pages 66 through 91)

A **High Deductible Health Plan** (HDHP) provides comprehensive coverage for high-cost medical events and a tax-advantaged way to help you build savings for future medical expenses. The HDHP gives you greater flexibility and discretion over how you use your health care benefits.

When you enroll, your health plan establishes for you either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA). The plan automatically deposits the monthly “premium pass through” into your HSA. The plan credits an amount into the HRA. (This is the “Premium Contribution to HSA/HRA” column in the following charts.)

Preventive care is often covered in full, usually with no or only a small deductible or copayment. Preventive care expenses may also be payable up to an annual maximum dollar amount (up to \$300 for instance). As you receive other non-preventive medical care, you must meet the plan deductible before the health plan pays benefits. You can choose to pay your deductible with funds from your HSA or you can choose instead to pay for your deductible out-of-pocket, allowing your savings to continue to grow.

The HDHP features higher annual deductibles (a minimum of \$1,050 for Self and \$2,100 for Family coverage) and annual out-of-pocket limits (not to exceed \$5,000 for Self and \$10,000 for Family coverage) than other insurance plans. Depending on the HDHP you choose, you may have the choice of using in-network and out-of-network providers. There may be higher deductibles and out-of-pocket limits when you use out-of-network providers. Using in-network providers will save you money.

Health Savings Account (HSA)

Health Savings Accounts are available to members who do not have Medicare or another health plan. The amount of the “premium pass through” is based on whether you have a Self Only or Self and Family enrollment. You have the option to make tax-free contributions to your account, provided the total contributions do not exceed the limits established by law, which are typically not more than the plan deductible. If you are over 55, you can make an additional “catch up” contribution. You can use funds in your account to help pay your health plan deductible. However, if you enroll in an HDHP with an HSA, you are not eligible to participate in a Health Care Flexible Spending Account.

Features of an HSA include:

- Tax-deductible deposits you make to the HSA.
- Tax-deferred interest earned on the account.
- Tax-free withdrawals for qualified medical expenses.
- Carryover of unused funds and interest from year to year.
- Portability; the account is owned by you and is yours to keep – even when you retire.

Health Reimbursement Arrangement (HRA)

For members who are not eligible for an HSA, have Medicare or another non-High Deductible Health Plan, the HDHP will provide and administer a Health Reimbursement Arrangement.

The plan will credit the HRA different amounts depending on whether you have a Self Only or a Self and Family enrollment. You can use funds in your account to help pay your health plan deductible.

Features of an HRA include:

- Tax-free withdrawals for qualified medical expenses.
- Carryover of unused credits from year to year.
- Credits in an HRA do not earn interest.
- Credits in the HRA are forfeited if you leave federal employment or switch health insurance plans.

High Deductible and Consumer-Driven Health Plans

	Health Savings Account (HSA)	Health Reimbursement Arrangement (HRA)
ELIGIBILITY	You must enroll in a High Deductible Health Plan. No other general medical insurance coverage permitted. You cannot be enrolled in Medicare Part A or Part B.	You must enroll in a High Deductible Health Plan.
FUNDING	The plan deposits a monthly “premium pass through” into your account.	The plan deposits the credit amount directly into your HRA.
CONTRIBUTIONS	The maximum allowed is a combination of the health plan “premium pass through” and the member contribution up to the amount of the plan deductible.	Only that portion of the premium specified by the health plan will be contributed. You cannot add your own money to an HRA.
DISTRIBUTIONS	May be used to pay the out-of-pocket medical expenses for yourself, your spouse, or your dependents, or to pay the plan’s deductible. See IRS Publication 502 for a complete list of eligible expenses.	May be used to pay the out-of-pocket expenses for qualified medical expenses for individuals covered under the health plan, or to pay the plan’s deductible. See IRS Publication 502 for a complete list of eligible expenses.
PORTABLE	Yes, you can take this account with you when you terminate employment or retire.	If you retire and remain in your health plan you may continue to use and accumulate credits in your HRA. If you terminate employment or change health plans, only eligible expenses incurred while covered under that health plan will be eligible for reimbursement, subject to timely filing requirements. Unused credits are forfeited.
ANNUAL ROLLOVER	Yes, funds accumulate without a maximum cap.	Yes, credits accumulate without a maximum cap.

IMPORTANT REMINDER: This is only a summary of the features of the HDHP/HSA or HRA. Refer to the specific Plan brochure for the complete details covering Plan design, operation, and administration as each Plan will have differences.

Consumer-Driven Plans – A Consumer-Driven plan provides you with greater freedom in spending health care dollars the way you want. The typical plan has common components: Member responsibility for certain up-front medical costs, an employer-funded account that you may use to pay these up-front costs, and catastrophic coverage with a high deductible. You and your family members receive full coverage for in-network preventive care.

High Deductible and Consumer-Driven Health Plans

How to read this chart

Premium Contribution to HSA/HRA shows the amount your health plan automatically deposits into your account.

Calendar Year (CY) Deductible Self/Family shows the amount of expenses an individual or family must pay before the plan begins to pay benefits.

Catastrophic (Cat.) Limit Self/Family is the maximum amount of expenses an individual or family must pay out-of-pocket, including deductibles and coinsurance or copays, before the Plan pays catastrophic benefits.

Office Visit shows what you pay for a visit to a primary care physician.

Hospital Inpatient when admitted to a hospital. The amount could be a daily copayment up to a specified amount (e.g., \$50 a day up to three days), a coinsurance amount such as 20%, or a flat deductible amount (e.g., \$200 per admission).

Outpatient Surgery shows what the member pays to the doctor for surgery performed on an outpatient basis.

Plan Name	Telephone Number	Enrollment Code		Total Monthly Premium		Total Biweekly Premium	
		Self Only	Self & Family	Self Only	Self & Family	Self Only	Self & Family
APWU Health Plan Consumer Driven Plan (CDHP)	866/833-3463	474	475	354.42	825.35	163.58	380.93
GEHA High Deductible Health Plan (HDHP)	800/821-6136	341	342	380.81	869.79	175.76	401.44
Mail Handlers High Deductible Health Plan (HDHP)	800/410-7778	481	482	366.21	829.88	169.02	383.02

High Deductible and Consumer-Driven Health Plans

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive care services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per year).

Prescription Drugs shows the amount most commonly paid by members for a manufacturer's Generic drug (if available) and Brand name drug when purchased at a local pharmacy and when on the health plan's formulary. If a third figure is listed this is what you pay for a non-formulary drug when the cost to you is different than the Brand name.

*High Deductible Health Plans and Consumer-Driven Health Plans are much different from the other types of plans shown in this Guide. This chart is a broad outline of what you are expected to pay under each plan for the services listed. These plans may be a good value for you. You can use in-network providers to save money. By using out-of-network providers, however, you not only pay a higher copayment but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (You receive a bill for \$100, but the plan's allowance is \$85. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 (the billed amount) and \$85 (the plan's allowance.) This chart is not a complete statement of your out-of-pocket obligations in every individual circumstance. **You must read a plan's brochure for details.***

High Deductible and Consumer-Driven Health Plans

Premium Contribution to HSA/HRA shows the amount your health plan automatically deposits into your account.

Calendar Year (CY) Deductible Self/Family shows the amount of expenses an individual or family must pay before the plan begins to pay benefits.

Catastrophic (Cat.) Limit Self/Family is the maximum amount of expenses an individual or family must pay out-of-pocket, including deductibles and coinsurance or copays, before the Plan pays catastrophic benefits.

Office Visit shows what you pay for a visit to a primary care physician.

Hospital Inpatient when admitted to a hospital. The amount could be a daily copayment up to a specified amount (e.g., \$50 a day up to three days) or a flat deductible amount (e.g., \$200 per admission).

Outpatient Surgery shows what the member pays to the doctor for surgery performed on an outpatient basis.

High Deductible and Consumer-Driven Health Plans

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive care services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per year).

Prescription Drugs shows the amount most commonly paid by members for a manufacturer's Generic drug (if available) and Brand name drug when purchased at a local pharmacy and when on the health plan's formulary. If a third figure is listed this is what you pay for a non-formulary drug when the cost to you is different than the Brand name.

*High Deductible Health Plans and Consumer-Driven Health Plans are much different from the other types of plans shown in this Guide. This chart is a broad outline of what you are expected to pay under each plan for the services listed. These plans may be a good value for you. You can use in-network providers to save money. By using out-of-network providers, however, you not only pay a higher copayment but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (You receive a bill for \$100, but the plan's allowance is \$85. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 (the billed amount) and \$85 (the plan's allowance.) This chart is not a complete statement of your out-of-pocket obligations in every individual circumstance. **You must read a plan's brochure for details.***

High Deductible and Consumer-Driven Health Plans

Premium Contribution to HSA/HRA shows the amount your health plan automatically deposits into your account.

Calendar Year (CY) Deductible Self/Family shows the amount of expenses an individual or family must pay before the plan begins to pay benefits.

Catastrophic (Cat.) Limit Self/Family is the maximum amount of expenses an individual or family must pay out-of-pocket, including deductibles and coinsurance or copays, before the Plan pays catastrophic benefits.

Office Visit shows what you pay for a visit to a primary care physician.

Hospital Inpatient when admitted to a hospital. The amount could be a daily copayment up to a specified amount (e.g., \$50 a day up to three days) or a flat deductible amount (e.g., \$200 per admission).

Outpatient Surgery shows what the member pays to the doctor for surgery performed on an outpatient basis.

High Deductible and Consumer-Driven Health Plans

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive care services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per year).

Prescription Drugs shows the amount most commonly paid by members for a manufacturer's Generic drug (if available) and Brand name drug when purchased at a local pharmacy and when on the health plan's formulary. If a third figure is listed this is what you pay for a non-formulary drug when the cost to you is different than the Brand name.

*High Deductible Health Plans and Consumer-Driven Health Plans are much different from the other types of plans shown in this Guide. This chart is a broad outline of what you are expected to pay under each plan for the services listed. These plans may be a good value for you. You can use in-network providers to save money. By using out-of-network providers, however, you not only pay a higher copayment but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (You receive a bill for \$100, but the plan's allowance is \$85. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 (the billed amount) and \$85 (the plan's allowance.) This chart is not a complete statement of your out-of-pocket obligations in every individual circumstance. **You must read a plan's brochure for details.***

High Deductible and Consumer-Driven Health Plans

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive care services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per year).

Prescription Drugs shows the amount most commonly paid by members for a manufacturer's Generic drug (if available) and Brand name drug when purchased at a local pharmacy and when on the health plan's formulary. If a third figure is listed this is what you pay for a non-formulary drug when the cost to you is different than the Brand name.

*High Deductible Health Plans and Consumer-Driven Health Plans are much different from the other types of plans shown in this Guide. This chart is a broad outline of what you are expected to pay under each plan for the services listed. These plans may be a good value for you. You can use in-network providers to save money. By using out-of-network providers, however, you not only pay a higher copayment but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (You receive a bill for \$100, but the plan's allowance is \$85. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 (the billed amount) and \$85 (the plan's allowance.) This chart is not a complete statement of your out-of-pocket obligations in every individual circumstance. **You must read a plan's brochure for details.***

High Deductible and Consumer-Driven Health Plans

Premium Contribution to HSA/HRA shows the amount your health plan automatically deposits into your account.

Calendar Year (CY) Deductible Self/Family shows the amount of expenses an individual or family must pay before the plan begins to pay benefits.

Catastrophic (Cat.) Limit Self/Family is the maximum amount of expenses an individual or family must pay out-of-pocket, including deductibles and coinsurance or copays, before the Plan pays catastrophic benefits.

Office Visit shows what you pay for a visit to a primary care physician.

Hospital Inpatient when admitted to a hospital. The amount could be a daily copayment up to a specified amount (e.g., \$50 a day up to three days) or a flat deductible amount (e.g., \$200 per admission).

Outpatient Surgery shows what the member pays to the doctor for surgery performed on an outpatient basis.

High Deductible and Consumer-Driven Health Plans

Preventive Services are often covered in full, usually with no or only a small deductible or copayment. Preventive care services may also be payable up to an annual maximum dollar amount (e.g., up to \$300 per year).

Prescription Drugs shows the amount most commonly paid by members for a manufacturer's Generic drug (if available) and Brand name drug when purchased at a local pharmacy and when on the health plan's formulary. If a third figure is listed this is what you pay for a non-formulary drug when the cost to you is different than the Brand name.

*High Deductible Health Plans and Consumer-Driven Health Plans are much different from the other types of plans shown in this Guide. This chart is a broad outline of what you are expected to pay under each plan for the services listed. These plans may be a good value for you. You can use in-network providers to save money. By using out-of-network providers, however, you not only pay a higher copayment but you are also usually responsible for any difference between the amount billed for a service and what the plan actually allows. (You receive a bill for \$100, but the plan's allowance is \$85. You pay the higher copayment for out-of-network care plus the \$15 difference between \$100 (the billed amount) and \$85 (the plan's allowance.) This chart is not a complete statement of your out-of-pocket obligations in every individual circumstance. **You must read a plan's brochure for details.***
