Mileage Fee:

The IRS standard mileage rate, less 2 cents per mile will be assessed for all services performed outside of the recognized metropolitan area. All charges for mileage will be pro rated where possible. Any change to the mileage rate is effective when the IRS changes their standard mileage rate.

(Reduction in mileage rate when the following volume criteria is met.)

1. One (1) or more barges are sampled during the same service request, at the same location: Mileage rate reduced by 0.15 cents per mile.
2. Fifteen (15) or more rail cars are sampled during the same services request at the same location: Mileage rate reduced by 0.15 cents per mile.
3. Five (5) to fourteen (14) rail cars sampled during the same service request at the same location: Mileage rate reduced by 0.10 cents per mile.

Timely Payment and Assessment of Finance Charges:

Invoices will be issued monthly. Payment is due upon receipt of the invoice. If payment is not received within 30 days after the invoice date, a finance charge of one and one half percent per month shall be assessed. In addition, service may be withheld until the delinquent account is paid and a cash deposit is made guaranteeing payment for future services

Guaranteed Revenue Contract:

A Guaranteed Revenue Contract may be negotiated with any applicant. This contract will provide for billing applicants an amount equal to all costs of providing the service.

Contracts: General

A contract may be negotiated with any applicant to provide more cost effective service. Specific concessions may apply on a per contract basis.
