FTC
Washington DC. 20580

Dear Glaine

I listened to you this morning on
the "Rick Bloom Money hour" and
wish to strongly voice my opinion
on the subject of "made in the U.S."

I am an American citizen and
want to buy products "MADE IN USA."
I understand about Vanilla & cocoa etc.
The labels must have the information
I will buy products, if available,
"made only in USA"

Sincerely
Anne Dann
