

List of Key Due Dates

EPA Regulations for Ferroalloys Production Facilities 40 CFR Part 63 Subpart YYYYYY

This is a short summary of key dates of interest to facilities complying with the ferroalloys production area source rule (40 CFR Part 63 Subpart YYYYYY). Existing sources must be in compliance with the regulation before **June 22 2009**. New sources must be in compliance when they begin to operate.

For more details and assistance, please talk to your local environmental contact. These web links to government contacts are a good place to start:
