

Supplement 1: List of Programs Subject to ARRA Section 1512 Recipient Reporting

Supplement 1 is a list of programs under ARRA that are subject to the reporting requirements found under section 1512 of the Act. Section 1512 reporting requirements apply to programs identified in Division A of the Act. Programs identified in Division B of the Act are not subject to section 1512 reporting requirements. Additional exceptions to the reporting requirements are entitlement or other mandatory programs, loan guarantees (unless 100% FFB financed), and awards to individuals. Additional guidance on Section 1512 reporting can be found in OMB Memorandum M-09-21 and additional Frequently Asked Questions (http://www.whitehouse.gov/omb/recovery_default/).

This list is intended to be a comprehensive list of programs that include federal financial assistance and federally-awarded contracts. The CFDA (www.cfda.gov) column will only pertain to federal financial assistance programs. Programs without a CFDA number are most likely federally-awarded contracts. This list has been updated through feedback from Federal agencies and non-Federal recipients.
