END OF DESCRIPTION

The above description containing approximately 31,130 acres utilizes the In-Ko-Pah Gorge and Coyote Wells 7.5 minute quadrangle maps prepared by the USGS. The boundary calls listed herein are in part a result of scaling distances from said quad maps and are not a result of survey. All courses have been depicted upon the above mentioned quad maps and are made a part of this official record. Acreage is calculated from the California State Office ArcInfo wilderness coverage.

I hereby certify the legal description and map herewith represent the location of the boundary of the Jacumba Wilderness designated by the California Desert Protection Act, Public Law 103-433, dated October 31, 1994.
