**PLAINTIFF'S ORIGINAL VERIFIED PETITION AND APPLICATION FOR
EX PARTE TEMPORARY RESTRAINING ORDER AND TEMPORARY RECEIVER,
TEMPORARY AND PERMANENT INJUNCTIONS, RESTITUTION, AND
TEMPORARY AND PERMANENT RECEIVERSHIP**

TO THE HONORABLE JUDGE OF SAID COURT:

The State of Texas, Plaintiff in the above-entitled and numbered cause (hereinafter the "State" or "Plaintiff"), acting by and through Greg Abbott, Attorney General of Texas, at the request of Denise Voigt Crawford, Securities Commissioner of the State of Texas (hereinafter the "Securities Commissioner"), files this Original Petition, verified upon information and belief by the Securities Commissioner, complaining of National Life Settlements, LLC, a Texas Limited Liability Company,

National Life Settlements, LLC, a Colorado Limited Liability Company, NATT, LLC, a Texas Limited Liability Company, Howard Glenn Judah, Jr., and Gregory F. Jablonski aka Gregory F. Joblonski, and makes this application for an *ex parte* temporary restraining order and appointment of temporary receiver, temporary and permanent injunction, restitution, and temporary and permanent receivership.

In addition, the State seeks immediate injunctive relief against Sterling Bancshares, Inc., aka Sterling Bank, Capital One Bank (USA), N.A., and SLSF Escrow Services, LLC, as Relief Defendants to restrain any transfer of money or other assets they hold in the name of or pursuant to any account or interest of Defendants to the extent such money or assets are derived from Defendants' operations in Texas and to restrain any alteration, destruction, concealment or transfer of any records or information related to Defendants, or the disposition of investor-derived funds. The State has reason to believe that the Relief Defendants hold money or other assets derived from investor funds, or records related to the Defendants' scheme. The money and assets sought to be thus protected include all money and assets on deposit with, held by, or under the control of the Relief Defendants to the extent such money or assets are subject to any claim whatsoever, whether direct or contingent. *No wrongdoing is alleged against the Relief Defendants.* In support of these requests, the State would show the Court the following:

JURISDICTION

12. The Court has jurisdiction over this action under Sections 25-1 and 32 of the Texas Securities Act.

VENUE

13. Venue is proper in Travis County, Texas, under Sections 25-1.B and 32.A of the Texas Securities Act.

THE SCHEME

14. Defendants have raised approximately \$20 million through the sale of fraudulent note programs to the public. Defendants are soliciting the public through the use of Texas vs. National Life Settlements, LLC, et al.

of unlawful advertising, unregistered securities sales agents and various deceptive and fraudulent means. Investors are being told that the note programs are safe and secure investments, that they will receive high returns coupled with little or no risk and that the note programs are suitable for retirees. Defendants are, however, intentionally failing to disclose material facts and misrepresenting relevant facts to investors. For example, investors are not being told that Defendant Judah, a key managerial figure and a Managing Member of Defendant NLS, was incarcerated after being convicted of multiple federal white collar criminal offenses. Defendants are also misrepresenting the protections afforded to investors by falsely stating that the Texas Department of Insurance regulates the note programs. Defendants NLS and Judah are further bolstering their claim to the legitimacy of the enterprise by purporting to have received in excess of *\$60 billion* from the United States Government during the last year.

15. From November, 2006, until December 31, 2008, investors deposited approximately \$20 million with Defendant NLS. The majority of these funds originated from accounts maintained at or through insurance companies and brokerage firms, and many of the transfers involved IRA, 401K or other retirement accounts. Approximately \$2.66 million was transferred from the Texas Comptroller of Public Accounts on behalf of various current or former state employees.
16. During this period, Defendant NLS returned approximately \$3 million to investors, paid more than \$3 million as illegal commissions to unregistered securities salespersons, used approximately \$1.5 million for the benefit of Defendant Judah, Defendant Jablonski, their families and other entities operated or

controlled by Defendant Judah and Defendant Jablonski, and transferred all but approximately \$344,000 of the remainder to Defendant NATT, an entity undisclosed to and otherwise unknown by investors.

17. Information related to the fraudulent note programs and the use of investor funds is described in this verified petition, in the sworn affidavit of Rani Sabban and in the sworn affidavit of Letha Sparks. Both Mr. Sabban and Ms. Sparks are employed as Financial Examiners with the Enforcement Division of the Texas State Securities Board. Their affidavits are attached hereto, respectively, as Petition Exhibit A and Petition Exhibit B.

DEFENDANTS' SECURITIES OFFERINGS

18. Defendants are offering two investment programs in Texas. First, Defendants are offering secured notes (hereinafter referred to as the "secured notes") issued by investment trusts that are purportedly secured by life settlement policies. Second, Defendants are making available the opportunity to invest in a program referred to as the Immediate Income Investment Plan (hereinafter referred to as the "I³ Plan"), an investment program that is similar to the secured note program but also provides biweekly income to investors. Additionally, Defendants are preparing to offer investors the opportunity to purchase membership interests in entities referred to as special purpose limited liability companies (hereinafter referred to as the "membership interests"). Investors who purchase membership interests will receive returns predicated on the maturity of senior life policies.
19. The secured notes, the I³ Plan and the membership interests are hereinafter referred to collectively as the "NLS Securities."

THE SECURED NOTE PROGRAM

20. Investors are being told that their purchase of the secured notes issued by an investment trust will entitle them to a fixed rate of return per year for a five year term. Individuals who invested with Defendants prior to January 1, 2009, were promised a ten percent rate of return per year for the five year term. Individuals who invested with Defendants after January 1, 2009, were promised an eight percent rate of return per year for the five year term. Regardless of the date of investment, however, all investors are told that the secured notes are guaranteed and that the instruments have little or no risk associated with them.
21. Defendants are representing that Defendant NLS will use funds tendered by purchasers of secured notes to purchase life settlement policies to collateralize the promissory notes. The life settlement policies will be held by the investment trust for the benefit of investors who purchase secured notes.
22. Defendant NLS is responsible for purchasing the life settlement policies, facilitating the payment of death benefits to the trust and performing other duties associated with the life settlement policies. The investment trust is responsible for paying returns on the promissory notes to note holders.

THE I³ PLAN

23. Defendants are describing the I³ Plan as a fixed income and retirement investment program that delivers an integrated high yield retirement benefit plan and provides a regular fixed income to the investor. Investors are also being told that investments in the I³ Plan have little or no risk.
24. Investors are being told that a portion of the funds invested in the I³ Plan will be applied to a promissory note issued by an investment trust that has a five year

term and pays a fixed rate of return. Investors are also being told that the other portion of their funds will be applied to a fixed income program that creates a bi-weekly income over a five year term.

25. Defendants are representing that Defendant NLS will use funds tendered by investors in the I³ Plan to purchase life settlement policies to collateralize the promissory notes. The life settlement policies will be held by the investment trust for the benefit of investors in the I³ Plan.
26. Defendant NLS is responsible for purchasing the life settlement policies, facilitating the payment of death benefits to the trust and performing other duties associated with the life settlement policies. The investment trust is responsible for paying returns on the promissory notes to investors in the I³ Plan.
27. Defendants are representing that Defendant NLS is responsible for paying a bi-weekly income to investors in the I³ Plan.

**MEMBERSHIP INTERESTS
IN SPECIAL PURPOSE LIMITED LIABILITY COMPANIES**

28. Defendants are preparing to offer the opportunity to purchase membership interests. Investors are being told that their purchase of membership interests will entitle them to tax-free cash preferred returns of up to eleven percent per year over a term of five, ten or fifteen years. The special purpose limited liability companies will reportedly hold and be the sole beneficiary of a portfolio of senior life settlements, and the preferred returns paid to investors will be secured by this portfolio.

THE MARKETING OF THE NLS SECURITIES

29. Defendants are offering the NLS Securities through the use of public advertising. Such advertising appears, for example, on craigslist, an Internet website that hosts classified advertisements for virtually any product or service. The craigslist website is divided by both geography and subject matter, and specifically includes a financial services section for certain major cities. Included within Petition Exhibit A is a copy of an advertisement for the NLS Securities that was carried on the financial services section of craigslist for Austin, Texas. This advertisement proposes a five year investment that pays a 10% tax deferred rate of return.
30. Members of the public who respond to these advertisements are being contacted by sales agents for Defendant NLS. Prior to January 1, 2009, the sales agents provided investors with offering documents and other materials that identify and describe the NLS Securities and stress that investors would receive a 10% guaranteed return. These sales materials do not, however, disclose any risks relating to the NLS Securities.
31. The sales agents are also arranging for interested persons to meet with "David Herzog," an individual identified as a "financial advisor who specializes in retirement income." David Herzog is conducting sales presentations from his office in Travis County, Texas.
32. In connection with these sales presentations, David Herzog is providing potential investors with a Power Point presentation. The Power Point presentation is a digital slideshow that touts the NLS Securities. The Power Point presentation provides, inter alia: "[t]he NLS Programs backed by Life Settlements are among

the most secure, stable and highest paying investment programs available today;" and "[t]he note agreement is a safe, stable easy to understand financial tool that is not subject to stock market volatility and provides outstanding returns." The product is also described therein as "simple, secure, consistent and profitable" with a 10% return per annum for five years. The presentation also describes the I³ Program as a "secured retirement program" involving a 10% note that includes an "income stream" that is "guaranteed for five years!" Defendants also represent within this presentation that the I³ Program "redefines the high yield retirement benefit plan while providing monthly income for investors;" and the product is "designed to help our clients achieve financial independence in retirement by proving guaranteed lifetime income."

33. Investors who purchase secured notes are required to execute a *Note Agreement* and persons who invest in the I³ Plan are required to execute a *Note and Fixed Income Agreement*. Defendants are representing within the *Note Agreement* and the *Note and Fixed Income Agreement* that neither Defendant NLS nor representatives thereof are acting as "securities broker[s], securities dealer[s], securities representative[s], investment advisor[s], or financial planner[s]." and that the transactions are not "securities transaction[s]." The *Note Agreement* and *Note and Fixed Income Agreement* instead state that the notes are "insurance investment tool[s] and as such [are] governed by the State Insurance Commissioners office."
34. The *Note Agreement* provides that investors will not obtain any ownership in a life insurance policy and that Defendant NLS "agrees to lease its portfolio of life settlements as collateral to back said Note." The *Note and Fixed Income*

Agreement similarly provides that investors will not obtain any ownership in a life insurance policy and that Defendant NLS "agrees to lease its portfolio of life settlements as collateral to back said Note and Fixed Income Product."

DEFENDANTS ARE OFFERING AND SELLING SECURITIES

35. The purpose of the Texas Securities Act is to protect investors. See Texas Securities Act Section 10-1.B; see also Shields v. State, 27 SW3d 267 (Tex. App. 2000).
36. Section 4.A of the Texas Securities Act defines the term "securities" to include notes, evidences of indebtedness and investment contracts.
37. The secured notes are, on their face, notes with a fixed per annum return for five years. Investments in the I³ Plan are, on their face, notes that pay a fixed return over a five year term coupled with a fixed income program. Under an analysis predicated on the common understanding of the term "note" coupled with the purposes of the Texas Securities Act, the secured notes and investments in the I³ Plan are securities.
38. Moreover, the secured notes and the investments in the I³ Plan are also securities in the form of "evidences of indebtedness." As set forth elsewhere herein, the Texas Securities Act provides that instruments that are "evidences of indebtedness" are also securities. The Texas Supreme Court and the Texas Court of Criminal Appeals have defined the term "evidences of indebtedness" to include "all contractual obligations to pay in the future for consideration presently received." Searsy v. Commercial Trading Corp., 560 SW2d 637, 641 (Tex 1978); see also Thomas v. State, 919 S.W.2d 427 (Tex.Cr.App. 1996). Investors who purchase the secured notes are providing Defendants with consideration in the

form of money, and the *Note Agreement* is a contractual obligation to pay future returns to the investors. Likewise, investors who purchase investments in the I³ Plan are providing Defendants with consideration in the form of money, and the *Note and Fixed Income Agreement* is a contractual obligation to pay future returns to the investors. Both the secured notes and the investments in the I³ Plan are therefore securities in the form of "evidences of indebtedness."

39. Finally, the secured notes and the investments in the I³ Plan are also securities in the form of "investment contracts." The Texas Securities Act provides that instruments that constitute "investment contracts" are securities. The Texas Supreme Court has defined the term "investment contracts" to be (1) investments of money or property into (2) a common enterprise with (3) the expectation of profit (4) to be derived from the essential managerial efforts of others. See Searsy at 639. An application of this definition to the secured notes and the investments in the I³ Plan clearly demonstrates that these instruments are "investment contracts," and these instruments are therefore securities.

Notably, individuals who purchase the secured notes and investments in the I³ Plan are required only to perform one act: provide funds to the Defendants. These investors have no managerial rights or duties, and they are unable to perform any act that will affect the profitability of their investments. Their expectation is only that they will receive a sizeable per annum return for five years, and they are relying solely on the managerial efforts of Defendants to achieve this profit. Defendants, on the other hand, are solely responsible for managing the enterprise in a manner that will ensure the repayment of investor funds.

FRAUDULENT PRACTICES IN THE SALE OF SECURITIES

40. The use of fraud and fraudulent practices in connection with the offer for sale and sale of securities is prohibited by Sections 25-1 and 32.A of the Texas Securities

Act. Section 4.F of the Texas Securities Act defines fraud as follows:

The term "fraud" or "fraudulent practice" shall include any misrepresentations, in any manner, of a relevant fact; any promise or representation or prediction as to the future not made honestly and in good faith, or an intentional failure to disclose a material fact; . . . provided, that nothing herein shall limit or diminish the full meaning of the terms "fraud," "fraudulent," and "fraudulent practice" as applied or accepted in courts of law or equity.

41. In connection with the offer for sale and sale of NLS Securities, Defendant NLS and Defendant Judah have engaged in fraud by intentionally failing to disclose the following materials facts:

- (a) On or about January 29, 1998, Defendant Judah was convicted of Conspiracy to Commit Wire Fraud in United States of America v. Howard Glenn Judah, Case Number 1:97CR00051-001, in the United States District Court for the Southern District of New York, and he was thereafter sentenced to serve thirty-two months in the United States Bureau of Prisons and ordered to serve three years of supervised release upon release from incarceration,
- (b) On or about May 23, 1997, Defendant Judah was convicted of Engaging in Monetary Transactions In Property Derived from Specified Unlawful Activity in United States of America v. Howard Judah, Case Number 1:94CR00448-0001, in the United States District Court for the Southern District of New York, and he was thereafter sentenced to serve forty-six

months in the United States Bureau of Prisons and ordered to serve two years of supervised release upon release from incarceration, and

- (c) On or about July 15, 1996, Defendant Judah was convicted of Contempt of Court in United States of America v. Howard Glenn Judah, Case Number 1:95CR00815-001, in the United States District Court for the Southern District of New York, and he was thereafter sentenced to serve twelve months and one day in the United States Bureau of Prisons, ordered to serve three years supervised release upon release from incarceration, and ordered not to make any financial transactions without consent from the Probation Department while serving supervised release.

42. In connection with the offer for sale of the NLS Securities, Defendants have engaged in fraud by intentionally failing to disclose the following material facts:

- (a) The assets, liabilities and capitalization of Defendant NLS;
- (b) A full and fair description of the background of the officers, directors, principals or control persons of Defendant NLS;
- (c) Any risks associated with the NLS Securities, including risks related to the possibility that insurance policies will not mature during the five year term of the underlying notes, the inability of Defendant NLS to repay the note at the end of the five year term, the inability of Defendant NLS to fully satisfy all ongoing obligations relating to premium payments for life insurance policies securing the promissory notes, or the security of the collateral in the event of the bankruptcy or insolvency of Defendant NLS;
- (d) The specific terms whereby the secured notes and investments in the I³ Plan are secured with the proceeds of life insurance policies;

- (e) The amount or percentage of funds, if any, held in reserve to ensure payment of the promised and guaranteed return to investors;
- (f) The identity and qualifications of the trustee(s) of trusts associated with the secured notes and investments in the I³ Plan;
- (g) The actual or potential conflicts of interest between the trusts, trustees and Defendant NLS;
- (h) The events and circumstances that resulted in Defendants NLS and Judah purportedly receiving in excess of \$60 billion from the United States;
- (i) That from November, 2006, through December 31, 2008, Defendant NLS received approximately \$20 million from investors, and Defendant NLS returned approximately \$3 million to investors, and virtually all of the remaining funds were paid as commissions to unregistered securities sales persons, used for the benefit of Defendant Judah and Defendant Jablonski, and all, but approximately \$344,000, of the remainder was transferred to other entities, including Defendant NATT, operated or controlled by Defendant Judah and Defendant Jablonski;
- (j) The existence and nature of any relationship or affiliation between Defendant NLS and Defendant NATT, controlled by Defendants Judah and Defendant Jablonski, that, through December 2008, received in excess of \$9 million of funds tendered by investors; and
- (k) The existence of transactions between Defendant NLS and other entities that involved investor funds, including but not limited to the existence and nature of any transactions between Defendant NLS and Defendant NATT,

Paradigm Recovery Solutions, LLC, Preservation Capital, LLC, and JCJ and Associates.

43. In connection with the offer for sale and sale of the NLS Securities, Defendants have also engaged in fraud by misrepresenting the following relevant facts:
- (a) The note offerings are regulated by the Texas Department of Insurance;
 - (b) The note offerings are guaranteed; and
 - (c) That Defendant NLS and Defendant Judah received in excess of \$60 billion from the U.S. Government in December, 2008.
44. In connection with the offer for sale of the NLS Securities, Defendant NATT has, with the intent to deceive or defraud or with reckless disregard for the truth or law, materially aided or is about to materially aid Defendant NLS in fraud or fraudulent practices by receiving the majority of the investors' money without the investors' knowledge, approval or authorization.

OFFERS AND SALES OF UNREGISTERED SECURITIES

45. The NLS securities are not registered with the Texas Securities Commissioner as required by the Texas Securities Act Section 7.A.(1). The Texas Securities Act prohibits the sale or offer for sale of unregistered securities as follows:

No dealer, agent or salesman, shall sell or offer for sale any securities issued after September 6, 1955, except those which shall have been registered by Notification under subsection B or by Coordination under subsection C of this Section 7 and except those which come within the classes enumerated in Section 5 or Section 6 of the Act, until the issuer of such securities or a dealer registered under the provisions of this Act shall have been granted a permit by the Commissioner. . . .

46. The securities offered for sale and/or sold by Defendants have not been and are not currently registered with the Securities Commissioner, nor has a permit been granted for the sale of such securities as required by Section 7 of the Texas Securities Act.

FAILURE TO REGISTER PERSONS OFFERING AND SELLING SECURITIES

47. Section 12.A of the Texas Securities Act requires that all persons selling or offering to sell securities in Texas must be registered under the Act as follows:

Except as provided in Section 5 of this Act, no person, firm, corporation or dealer shall, directly or through agents or salesmen, offer for sale, sell or make a sale of any securities in this state without first being registered as in this Act provided. No salesman or agent shall, in behalf of any dealer, sell, offer for sale, or make sale of any securities within the state unless registered as a salesman or agent of a registered dealer under the provisions of this Act.

48. During the period that securities were offered for sale and/or sold, Defendants and relevant sales staff were not registered as dealers, agents or salesmen as required by Section 12.A of the Texas Securities Act, or were registered in said capacity but were performing such activities solely as "outside business" and not through their registrations.

NEED FOR INJUNCTIVE RELIEF

49. Immediate injunctive relief in the form of a temporary restraining order against Defendants is necessary to restrain Defendants from wasting, secreting, and otherwise dissipating the investors' funds, derived funds, revenues, and other assets acquired and held in connection with the sale of the above-described securities to the public. Plaintiff believes that such action is necessary to prevent irreparable harm to the investing public.

50. The Plaintiff believes that if Defendants had notice of this action, they would dispose of, transfer, alter, pledge, or conceal money, property, assets, books and records obtained from investors and transfer money to accounts beyond the reach of Texas courts, and that an *ex parte* order is thus necessary to prevent the irreparable harm to investors that would result from such conduct.
51. Defendant Judah's undisclosed criminal record involving major financial related federal crimes, as well as the other misrepresentations and nondisclosures set forth above, are of such a serious character that there is substantial likelihood funds may be secreted or disposed of if Defendants are provided with advance notice of a proceeding, thus causing irreparable harm to investors.
52. Under Section 32.A of the Texas Securities Act, whenever it appears to the Commissioner that (1) any person has employed any scheme to obtain money or property by means of any false pretense, representation or promise, or has engaged in any course of business which is in violation of the law or which is fraudulent, that (2) any person is acting as a dealer without being duly registered, or (3) any person, with intent to deceive or defraud or with reckless disregard for the truth or the law, has materially aided, is materially aiding or is about to materially aid such person or person, the Attorney General may, on request by the Commissioner, bring an action against all such persons to enjoin the continuation of such fraudulent practices.
53. The State seeks immediate injunctive relief pursuant to Section 32.A of the Texas Securities Act in the form of a temporary restraining order against Defendants, and Defendants' officers, directors, principals, partners, joint venturers, stockholders, employees, salesmen, agents, representatives,

attorneys, and family members, against the Relief Defendants who are thought to be holding investor-derived property or records, to prevent disposing of, transferring, pledging, concealing, or altering in any manner, any such property, assets, books and records; and to protect any funds obtained from persons who have purchased securities described below from Defendants or their salesmen, employees, or agents, and any funds and other assets derived therefrom.

54. Pursuant to Section 32.B of the Texas Securities Act, the State also seeks restitution for the purchasers of the securities issued and sold by Defendants by means of fraud and fraudulent practices as described below.
55. Further, the State seeks the imposition of a constructive trust and equitable lien with respect to assets of any kind obtained through the fraudulent scheme, including, but not limited to, all debts owing to Defendants in connection with any loans made to third parties pursuant to the scheme and assets fraudulently transferred to third parties, and any proceeds therefrom.

NEED FOR A RECEIVER

56. The State also seeks an immediate temporary receiver for Defendant NLS-Texas and Defendant NATT, and upon hearing, the appointment of a temporary and permanent receiver for Defendants NLS-Texas, Defendants NATT and Defendant NLS-Colorado. Section 25-1 provides in part:
 - A. Whenever it shall appear to the Commissioner, either upon complaint or otherwise, that:
 - (1) any person or company acting as a dealer, agent, investment adviser, investment adviser representative, or issuer (as defined in Section 4 of this Act), or an affiliate of a dealer, agent, investment adviser, investment adviser representative, or issuer, whether or not required to be registered by the

commissioner as in this Act provided, shall have engaged in any act, transaction, practice, or course of business declared by Section 32 of this Act to be a fraudulent practice;

- (2) such person or company shall have acted as a dealer, agent, investment adviser, investment adviser representative, or issuer or an affiliate of a dealer, agent, investment adviser, investment adviser representative, or issuer in connection with such fraudulent practice; and
- (3) the appointment of a receiver for such person or company, or the assets of such a person or company is necessary in order to conserve and protect the assets of such person or company for the benefit of customers, security holders, and other actual and potential claimants of such person or company the commissioner may request the attorney general to bring an action for the appointment of a receiver for such person or company or the assets of such person or company.

As alleged above, all of these requirements have been met. Defendants have engaged in fraud in connection with the sale of NLS Securities and an immediate temporary receiver for Defendant NLS-Texas and Defendant NATT is necessary to insure that investor funds are accounted for and conserved. Pursuant to Texas Securities Act Section 25-1.C, such appointment may be made without notice. In addition, upon hearing, the State will show it is necessary to continue the appointment of a temporary receiver for Defendant NLS-Texas and Defendant NATT and appoint a temporary receiver for Defendant NLS-Colorado.

57. Defendants have acted as dealers, salesmen, or issuers, or affiliates of dealers, salesmen or issuers in the sale of securities and have engaged in acts, transactions, practices, and courses of business declared by Section 32.A to be fraudulent practices, or have, with intent to deceive or defraud or with reckless

disregard for the truth or law, materially aided or are about to materially aid persons in such fraudulent practices, in the offer for sale and sale of securities as described above.

58. The immediate appointment of a receiver for Defendant NLS-Texas and Defendant NATT is necessary in order to conserve and protect whatever investor-derived assets remain for the benefit of Defendants' customers, security holders, and other actual or potential claimants of Defendants.
59. An immediate temporary receiver is needed for the funds and assets of Defendants, including any stock they obtained through proceeds of investor-derived money, in order to conserve and protect said funds and assets for the benefit of the investors should restitution be granted in this case under Section 32.B of the Texas Securities Act.
60. Unless the receivership relief is granted and a temporary receiver is immediately appointed for Defendants' assets and the affairs of Defendant NLS-Texas and Defendant NATT, the funds and other property held by Defendants will be dissipated and lost, to the immediate and irreparable harm of the persons who purchased the securities from Defendants and to the harm of the general public. There is no adequate remedy at law.
61. For the aforementioned reasons, an order, before notice and hearing, appointing a temporary receiver for Defendants' assets and the affairs of Defendant NLS-Texas and Defendant NATT should be issued. After notice and hearing, it is necessary to extend the order for temporary receivership for the affairs of Defendants NLS-Texas, Defendant NATT and appoint a temporary receiver for Defendant NLS-Colorado. And after final hearing it is necessary to appoint a

permanent receiver for the affairs of Defendant NLS-Texas, Defendant NATT and Defendant NLS-Colorado. No adequate remedy is available at law.

62. All receivership relief sought in this case is available to the State of Texas as Plaintiff without bond under Section 25-1 of the Texas Securities Act.
63. Janet Mortenson is an attorney practicing in Houston, Texas, and has agreed to serve as receiver in this case if appointed by the Court. Ms. Mortenson has previously acted as a receiver in securities related cases and has substantial experience and expertise as a receiver and knowledge of the securities laws.
64. Pursuant to Section 25-1 of the Texas Securities Act, the State of Texas seeks to have a temporary receiver immediately appointed for Defendant NLS-Texas and Defendant NATT, and seeks to have the receiver appointed by the Court to post a bond in the amount of \$100.
65. Pursuant to Section 25-1 of the Texas Securities Act, the State of Texas seeks, upon hearing, to have a temporary receiver appointed for Defendants NLS-Texas, Defendant NATT and Defendant NLS-Colorado, and seeks to have the receiver appointed by the Court to post no additional bond.
66. In the alternative to an immediate receivership for Defendant NATT, the State seeks immediate injunctive relief against NATT, LLC, a Texas Limited Liability Company ("NATT") as a Relief Defendant to restrain any transfer of money or other assets it holds in the name of or pursuant to any account or interest of Defendants to the extent such money or assets are derived from Defendants' operations in Texas and to restrain any alteration, destruction, concealment or transfer of any records or information related to Defendants, or the disposition of investor-derived funds. The State has reason to believe that NATT holds money

or other assets derived from investor funds, or records related to the Defendants' scheme. The money and assets sought to be thus protected include all money and assets on deposit with, held by, or under the control of NATT, as a possible Relief Defendant to the extent such money or assets are subject to any claim whatsoever, whether direct or contingent.

67. Pursuant to Section 32.A of the Texas Securities Act, the Attorney General may ask the Court to issue a subpoena requiring the appearance of any defendant and his employees or agents and the production of documents, books and records.
68. All injunctive relief sought in this case is available to the State of Texas as Plaintiff without bond under Section 32.A of the Texas Securities Act and under Section 6.001 of the Civil Practice and Remedies Code.
69. The State of Texas seeks payment of reasonable and necessary attorney's fees and costs incurred in the prosecution of this case pursuant to Section 402.006, TEX. GOVT. CODE.

CERTIFICATE REGARDING NOTICE TO DEFENDANTS

Pursuant to Local Rule 7.3(b), I, Kara L. Kennedy, do hereby certify that to best of my knowledge, the parties against whom relief is sought are not represented by counsel in the matter made the basis of this suit in which *ex parte* relief is sought. The State believes that if Defendants had notice of this action, they would dispose of, transfer, alter, pledge, or conceal money, property, assets, books and records obtained from investors and transfer money to accounts beyond the reach of Texas courts, and that an *ex parte* order is thus necessary to prevent the irreparable harm to investors that would result from such conduct.
