

PROPOSED CHANGE TO LOCAL RULE 10

Rule 10: Required Number of Briefs

A party must file an original and six (6) copies of any brief submitted to the Court. In addition, a party must file a CD containing a copy of the party's brief or transmit a copy of the brief via e-mail attachment. Transmittal of a brief by e-mail attachment does not constitute filing of the brief. Briefs will be filed pursuant to the rules of appellate procedure after the original hard copy is received by the Court.
