

PROGRAM MODIFICATION REQUEST INSTRUCTIONS

Print or Type all Answers

Form ST-406 should be used when seeking approval for minor changes in program content, videos, quizzes, handouts, and other methods of instruction, etc. Those seeking approval for extensive program modifications must submit an original "Application for School-Program Certification" (Form ST-401) and application fee.

Copies of the revised portion(s) of any previously approved curriculums or materials must accompany your request. These copies must be indexed so that the specific points of change are readily identifiable. If the modification involves the use of new materials, copies of the material must also be included in the submission.

Mail completed request plus required materials to:
