OT Practice Act Amendments Proposed

Four sections of the OT Practice Act have been filed as HB 1785 which make changes to the Practice Act. The Texas Occupational Therapy Association (TOTA) has worked with Rep. Kuempel in filing a bill amending the following sections of the Act:

§454.204, which concerns educational requirements for licensure;

§454.252, which concerns late fees;

§454.253, which concerns restoration of a Texas license and the fee; and

§454.254 which is a clean-up of continuing education language.

To get further information contact the professional association at: 512/454-8682, or www.tota.org

Five Rule Amendments to be Published for Public Comment

The TBOTE Board worked at the February, 2009 board meeting on wording for the five amendments, which are now available to read and to comment at the agency's website.

The proposed amendments are:

§362.1, Definitions. This is further clean-up of language.

§364.4, Licensure by Endorsement, & §370.2, Late Renewal, which require verifications of current and previously held OT state licenses.

§373.3, Supervision of a Licensed Occupational Therapy Assistant.

This amendment adds language to about who supervises the occupational therapy assistant.

Rule Amendments Proposed

Continued from pg 1

§367.2, Categories of Education.

This amendment adds Supervision of fieldwork students as a new category for Type 2 continuing education. The amendment lays out how many continuing education contact hours, how many therapists may share the supervision, what time framework and what documentation is required to count for this new category. Public comment should be addressed to: info@ecptote.state.tx.us

ECI Changes Coming

Recent conflict of information and lack of information has prompted the Texas Board of Occupational Therapy Examiners (TBOTE) and the Early Childhood Intervention (ECI) to plan a meeting to clarify the OT role in ECI.

This information from the meeting will be taken to the Board's May 22nd meeting, and any decision will be shared on the website when available.

On Line Renewal & Minimum Data Set

Licensees, by law, will be adding more information into their renewals. The new questions cover education, practice settings, specialty areas of practice, etc. Adding this information to your renewal will add more time.

State Statisticians will collect the data for all health professionals for their analysis and projections. A bill from the last legislative session mandated this data collection, so plan to spend more time on your renewal process and not wait until the last minute.

When you receive your renewal postcard, your renewal is already up online for up to 90 days before expiration.

Remember to print out the last page, the summary page with your transaction receipt number, because it serves as your renewal card temporarily. The agency cannot retrieve that page nor does it have access to that unique payment /review page.

Satellite Hospital Registration for Out-Patient OT/PT Facilities Required

From the Texas Department of State Health Services (DSHS):

“ECPTOTE (Executive Council of Physical Therapy and Occupational Therapy Examiners) has advised DSHS that hospitals that provide outpatient physical therapy or occupational therapy off site in unlicensed locations must register with ECPTOTE as an occupational therapy and/or physical therapy facility or risk being assessed an administrative penalty. However, health facilities that are licensed by DSHS under the Health and Safety Code, Chapter 241, and provide outpatient physical therapy or occupational therapy on the licensed hospital premises continue to be exempt from facility registration with ECPTOTE. See Texas Occupational Code Ann. §453.213(a) and § 454.215 (a) (Vernon 2004 & Supp. 2006).”

Read this on the DSHS website:

Facility Therapist in Charge

Remember the form you used to let us know that you are the Therapist in Charge? That same form may be signed to let us know when you are no longer the Therapist in Charge.

You have 30 days by rule to notify us of your work address change and that you are no longer the Therapist in Charge. You don't want the facility to use your license number for renewal; but want them to responsibly fill the position.
