The Honorable Ben Barnes, Speaker of the House, called the House to order and announced a quorum of the House present.

The Speaker stated the purpose of the Joint Session and presented the Honorable John Connally, Governor of the State of Texas.

Governor Connally addressed the Joint Session as follows:

To the Members of the Fifty-ninth Legislature, First Called Session:

I appreciate the opportunity to deliver this message in person.

It's always good to see you . . . although I never expected to see all of you again so soon.

By legal definition, this is the First Called Session of the 59th Legislature. In practice, I know most of you share my hope that it is the only called session.

As you know, this is the first time during the last two Legislatures that an emergency sufficient to cause a special session has arisen.

In this instance, the emergency is a decision of a three-judge federal district court holding that the poll tax is unconstitutional as a prerequisite for voting.

My views on the poll tax issue are well known. In 1963, and again last year, I recommended submission of an amendment to the State Constitution repealing the poll tax as a prerequisite for voting in state elections. Two-thirds of the members of both the 58th and 59th Legislatures supported that proposal, although the amendment failed at the polls in 1963.

The amendment submitted last year will be on the ballot again this coming November for another decision by the voters.

Aside from our personal views on this issue, the timing of the federal court decision creates an immediate and critical problem which must be met by the Legislature.

Accordingly, this special session was called for the purpose of enacting legislation which will:

1. Provide for voter registration for the 1966 primary, general and special elections in the event the poll tax as a prerequisite for voting is

finally declared unconstitutional effective this year; and

2. Establish procedures for voter registration in subsequent elections in lieu of the poll tax if the poll tax is finally declared unconstitutional or is repealed.

The Attorney General is now preparing an appeal to the Supreme Court of the United States for a stay of execution of the federal court order.

In light of existing circumstances, he had no other recourse.

In all previous Supreme Court decisions—the last one as recently as 1953—the Court has upheld the right of a state to impose a poll tax as a prerequisite for voting in its state elections.

The Court now has under review a Virginia case which could be ruled upon at any time. Until the Supreme Court has spoken the question of constitutionality cannot be finally resolved, especially since the ruling of the Austin federal court is contrary to the previous rulings of the Supreme Court.

Had I not called a special session, in the meantime, to enact a voter registration law contingent upon this final decision, we faced a potentially chaotic and dangerous situation in the conduct of the 1966 election process.

There would be no provision, under the federal court ruling, for legally registering voters eligible to vote in city and primary elections this spring.

Fraud would be a distinct possibility. Utter confusion would be a certainty.

I think we can all be proud that the decision of the federal district court last week rejected the federal government's argument that the poll tax had been used in Texas to discriminate against minority groups and to deprive them of the right to vote.

The Court found, and specifically held, that "the evidence does not establish that the poll tax in Texas discriminates against Negroes in violation of the Fifteenth Amendment or the Equal Protection Clause."

The court further stated that "the evidence clearly shows, and the United States does not dispute, that at least during the last twenty years there has not been any attempt to use the poll tax overtly to deprive the Negro of his right to vote."

After reviewing the federal government's argument the court concluded that "the facts will not support a finding of racial discrimination" in the use of the poll tax in Texas.

But in spite of these findings, the court struck down the poll tax as a prerequisite to voting in Texas on the ground that it "infringes on the concept of liberty as protected by the Due Process Clause and constitutes an invalid charge on the exercise of one of our most precious rights—the right to vote."

I emphasize the conclusion that the poll tax "constitutes an invalid charge" on the right to vote.

Under this ruling, it is abundantly clear that a voter registration fee of twenty-five cents or any other amount could be subject to the same interpretation of constitutionality by this court.

Therefore, I recommend that the law you enact provide free registration for all voters otherwise qualified to vote.

On the subject of annual registration or permanent registration, this Legislature by a two-thirds vote submitted to the people a Constitutional Amendment, to be voted upon in November, which states in part:

"... before offering to vote at an election a voter shall have registered annually . . ."

I agree with your position that annual registration is the most logical means of preventing fraud and guaranteeing the purity of the ballot box.

But more compelling than this, it is inconceivable that we would now adopt a statutory permanent registration plan which would become unconstitutional if the amendment is adopted next November.

To do so at this time would be truly an exercise in futility and create even more confusion in the future.

Therefore, I recommend that the law you enact provide for annual registration.

I further recommend the retention of the 120-day registration period, from October 1 to January 31, which is already the established custom in Texas.

This will allow time for the preparation of poll lists by the counties before the city elections held in April and the primary elections in May. It will also hold to a minimum any

problems of changeover which might be encountered by the counties.

Since we have no way of knowing when a final court decision will be made, it is important that for this year only we provide a temporary registration period for those who failed to pay their poll tax before the January 31 deadline.

Therefore, I recommend a period of 15 days in the latter part of March to register all who desire to do so.

While I realize I gave you very little notice on calling this special session, I might point out that had there been a delay it would have been virtually impossible to have this registration prior to the party primaries in May.

The registration act should further provide that those who paid their poll taxes prior to January 31 are automatically registered to vote in the 1966 elections without further action on their part.

The temporary registration period, then, would provide conditional eligibility to vote pending a ruling by the Supreme Court. If and until a ruling is final, or if and until the poll tax repeal amendment to the State Constitution is adopted and goes into effect, the right to vote under this statute must be conditional in order to conform to the existing requirements of our Constitution.

Therefore, the registration act is a safeguard against the immediate chaos which would result next week or next month or any time before the November election if the Supreme Court declares the poll tax unconstitutional effective in 1966.

This Legislature . . . the members, the Lieutenant Governor and the Speaker . . . faced monumental problems during the regular session and produced results of greater significance to Texas than any previous session in this century.

In education, in mental health and mental retardation, in water development and in so many other responsibilities, your actions have left a bright and indelible mark on the history of our state.

On two previous occasions, you responded to federal court decisions declaring unconstitutional our Congressional and Legislative districts. In both cases you enacted redistricting legislation which has been substantially approved by the federal courts.

I am confident that this latest court decision will result in equal statesmanship on your part.

This being an election year, a special session could be the forum for a political sideshow which would insult the intelligence of the people of Texas.

But the 59th Legislature has already proved it is a responsible Legislature, and I have no doubt that the overwhelming majority of its members will face up to the task of this special session in a forthright and conscientious manner.

I stand ready to assist you in every way I can.

Thank you for inviting me to this joint session.

At the conclusion of the Joint Session, the President announced the purpose of the Joint Session having been concluded the Senate would take recess until 2:00 o'clock p.m. today.

Accordingly, the Senate at 12:42 o'clock p.m. took recess until 2:00 o'clock p.m. today.

After Recess

The President called the Senate to order at 2:00 p.m. today.

Whereas, At the time of his death Mr. Hollenbeck was assisting the Department of Public Welfare develop programs for the medical care of aged and dependent citizens of this state, and among his working papers on that subject there was found a personal note to himself, which read:

and

Whereas, Mr. Hollenbeck faithfully applied such reason and discrimination in helping Texas Legislatures improve the programs and services for dependent and neglected children in state homes, for young boys and girls in the State's juvenile correctional schools, for men and women in the State's prison system, and for students in state schools for mentally retarded persons; and

Whereas, With equal zeal and dedication Mr. Hollenbeck applied his skills in business administration in developing recommended appropriations for such departments of our State Government as the Department of Public Safety, Comptroller's Department, Board of Control, and Board of Insurance; and

Whereas, Mr. Hollenbeck was born in Yale, Iowa, May 28, 1912, was educated in the public schools of McAllen, Texas, and in McAllen Junior College and earned an academic degree from the University of Houston; he served this state and nation with honor in the U. S. Army, Army Air Corps, and U. S. Air Force, in which service he attained the rank of Lieutenant Colonel; now, therefore, be it

"(e) A person who is issued a certificate under this Section shall not be entitled to vote in any election held during the period covered by the conditional certificate unless either of the following events occur:

"(1) if the Supreme Court of the United States affirms or refuses to review the judgment of the United States District Court for the Western District of Texas, Austin Division, in Civil Action No. 1570, styled United States of America v. The State of Texas, et al., or if by other action taken upon appeal of that case the Supreme Court rules that the provisions of the Constitution and statutes of this State requiring payment of a poll tax as a condition for voting in the state and local elections are in violation of the Constitution of the United States; or

"(2) an order of the Supreme Court or the district court having jurisdiction of that case becomes effective to enjoin the enforcement of the invalidated provisions at elections held before February 1, 1967.

"(f) If either of the contingencies stated in subsection (e) of this Section occur, the Attorney General of Texas shall immediately so certify to the Governor and to the Secretary of State; and the Governor shall immediately issue a proclamation declaring that persons who have been issued conditional voter registration certificates under this Section are duly registered as voters at elections held during the effective period of the injunctive order but not after January 31, 1967. If by an order entered before February 1, 1967, the Supreme Court reverses the judgment of the District Court and at the time of the reversal there is in effect a

proclamation declaring such persons duly registered voters, the Governor, after certification by the Attorney General in the manner above provided, shall issue a proclamation declaring them not eligible to vote. The Governor shall file any proclamation issued hereunder with the Secretary of State.

"(g) If either of the contingencies stated in subsection (e) of this Section occurs, the following classes of persons shall be deemed to be duly registered as voters at elections held during the effective period of the injunctive order and before February 1, 1967, and no distinction shall be made between the classes:

"(1) any person who paid the poll tax and was issued a poll tax receipt, entitling him to vote in elections held during voting year ending January 31, 1967;

"(2) any person who was issued an exemption certificate based on overage, under Section 48 of the Texas Election Code, entitling him to vote in elections held during the voting year ending January 31, 1967, and any overage person entitled by law to vote without obtaining an exemption certificate;

"(3) any person who was issued an exemption certificate based on nonage or nonresidence, under Section 49 of the Texas Election Code entitling him to vote in elections held during the voting year ending January 31, 1967;

"(4) any person who was issued a poll tax receipt without payment of the tax, under Section 34a of the Texas Election Code, entitling him to vote for federal officers only, in elections held during the voting year ending January 31, 1967; and

"(5) any person who was issued a conditional voter registration certificate under this Section.

"(h) In the conduct of elections held during the effective period of the injunctive order, voters who have been issued certificates under this Section shall be subject to the same provisions of law with respect to voting procedures as voters holding regular poll tax receipts, and all references in such laws to a poll tax receipt shall be construed to include a registration certificate issued under this Section."

Within the meaning of this Section, the application is delivered when it is actually placed into the possession of the registrar or his duly authorized agent by a post office employee, or is deposited into the registrar's mail box, or is left at the usual place of delivery for the registrar's official mail.

However, none of the above may act as agent unless he is a qualified elector of the county.

"Except as herein permitted, a person who willfully acts as agent for another in applying for registration or in obtaining a registration certificate is guilty of a misdemeanor and upon conviction is punishable by a fine of not less than \$50 nor more than \$500.

"(3) A registrar of voters who knowingly issues a registration certificate to a person other than the applicant or his lawful agent, or who knowingly mails or delivers a registration certificate to a person other than the applicant or his lawful agent, is guilty of a misdemeanor and upon conviction shall be immediately removed from office and fined not less than \$100 nor more than \$1,000."

Section 1. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, the Election Code of the State of Texas is amended by adding thereto new sections numbered 56a through 56t, to read as follows:

"56a. Registrar of voters

"The county tax assessor-collector of each county in this State shall be the registrar of voters in that county, and as used in this Code, the term 'registrar of voters' or 'registrar' means the county tax assessor-collector. He shall be responsible for the registration of voters, keeping of records, preparation of lists of registered voters, and such other duties incident to voters registration as are placed upon him by law. The duties here imposed on the county tax assessor-collector are in addition to his other duties imposed by law, and the expenses of his office incident to the performance of these duties shall be borne by the county. Any of these duties, other than the hearing of appeals on denial of registration and the hearing of challenges requesting cancellation of registration, may be performed through a deputy or deputies. The registrar shall not charge any fee for registering a voter or for performing any duty incident to voter

registration. The registrar is authorized to administer oaths and certify thereto under the seal of his office in every case where an oath is required in complying with any portion of this Code connected with his official duties.

56b. Time and place for registration; period for which registration is effective

"Voters shall register biennially. The period for which registration is effective, herein called 'voting biennium,' or 'voting period,' shall be the two-year period beginning with the first day of March of each even numbered year; provided, however, that the first voting period hereunder shall begin on the first day of February following the effective date of this section and shall end on February 29, 1968. Regular registration for each voting period shall be from the first day of October through the 31st day of January preceding the beginning of the period; provided, however, that if this section takes effect during the regular registration period and less than thirty days before January 31st, the first registration period shall continue through the thirtieth day following the effective date."

Registration for each current biennial voting period shall also be conducted at all other times, beginning with the first day of March, except during the last thirty days of the period; provided, however, that a person who registers after the beginning of the period shall not be entitled to vote until the expiration of thirty days after registration. Persons registering on or after the first day of October preceding each new voting period and more than thirty days before the end of the current voting period shall be entitled to vote, if qualified, during the remainder of the current period after the expiration of thirty day, and during the ensuing full period.

"56c. Persons entitled to register

"Every person who possesses all the qualifications of an elector, as defined in Section 34 of this Code, as amended to become effective on the first day of February, following the effective date of this section, or as thereafter amended, or who will become a qualified elector within sixty days after the date of application for registration, shall be entitled to register as a voter of the precinct in which he resides.

"56d. Registration record form

"Subdivision 1. Except as provided in Subdivision 2 of this section, the registration of each voter shall be recorded on a registration record form of loose-leaf style, which shall be made out in duplicate and which shall contain, in affidavit form to be signed and sworn to by the applicant, all the information required by Section 56e of this Code. The registration record form shall also contain suitable space for recording change of residence, transfer of registration to another voting precinct, information as to elections at which the voter votes, and information pertinent to cancellation of registration. In addition to any matter herein required, the registrar may cause to be written or printed on the form any other reasonable memoranda which are necessary or convenient to enable the registrar to perform his duties in ascertaining or classifying or handling registration records with correctness and dispatch.

"The registration record forms for each county shall be serially numbered, beginning with No. 1, for registrations for each new voting period, and the numbers shall be preceded by a letter or combination of letters, beginning with the letter A and proceeding in alphabetical order for each new voting period (i.e., the numbering shall begin with No. A-1 for the first voting period, with No. B-1 for the second voting period, and so on). The registration records of registered voters shall be kept in two files, one to be known as the precinct registration file and the other to be known as the county registration file. The original form shall be filed alphabetically, by name of the registrant, in the precinct file, and the duplicate shall be filed in the county registration file. The registration files shall be kept in the office of the registrar at all times in a place and in such manner as to be properly safeguarded. The file shall be open to public inspection at all times during regular office hours of the registrar, subject to reasonable safe-guards.

"Subdivision 2. If this section becomes effective by virtue of a proclamation of the Governor issued subsequent to June 30, 1966, resulting from court invalidation of the requirement for payment of the poll tax as a condition for voting, the registration certificate form to be used for registering persons to vote during

the voting period beginning on the first day of February immediately following the effective date of this section shall be the poll tax receipt form prescribed by Section 46 of this Code or the exemption certificate form prescribed by Section 48 of this Code. The poll tax receipt form shall be used for persons subject to payment of the tax, and the exemption certificate form shall be used for persons exempt from its payment; provided, however, that a registration shall not be rendered invalid by use of the form not prescribed for the particular registrant. If at the time of registering the registrant pays the poll tax levied against him, the poll tax receipt form shall serve both as a receipt for payment and as a record of registration. If a poll tax is not collected from the registrant, the registrar shall issue a receipt on which the words 'Poll tax not paid' have been stamped, written or printed. The original of the poll tax receipt or exemption certificate shall be issued to the registrant to identify him in voting, and the duplicate shall be retained by the registrar as his record of the registration.

"All persons who were issued poll tax receipts or exemption certificates prior to the effective date of this Section, for use in voting during the ensuing voting year, and whose names would have been placed on either the regular list of qualified voters or the list of voters qualified to vote in Federal elections only, if Sections 34a and 54 of this Code had not been repealed, shall be deemed to have registered in accordance with the requirements of this registration law, and the registrar shall include the names of such persons on the list of registered voters for the voting period beginning on the first day of February immediately following the effective date of this registration law.

"56e. Procedure for registration

"Except as provided in Subdivision 2 of Section 56d of this Code, anyone desiring to register shall make application to the registrar or an authorized deputy, who shall put the applicant for registration under oath and inform him that any willful false statement he makes will subject him to prosecution for false swearing. The applicant then shall swear to the following facts, and his answers shall be recorded on the registration record form in his presence by the per-

son registering him, in permanent writing or typewriting:

"1. Name at length, including given name, and a middle name or initial or if initial of first given name is customarily used, then initial and middle name. The given name of a woman shall be preceded in all cases with the designation of Miss or Mrs.

"3. Place of residence and post office address with sufficient particularity to identify it and to determine the applicant's voting precinct.

"4 Occupation.

"5. Country or state of birth.

"6. If foreign born, how citizenship was acquired, whether by: citizenship or father, treaty or act of Congress, order of a court or naturalization, marriage to a citizen; naturalization of a parent or husband. When citizenship depends upon the citizenship or naturalization of parent or husband, the name of the parent or husband shall be stated.

"7. Whether the applicant is able to write his name, and whether he has any physical disability by reason of which he cannot mark the ballot, in which case the nature of such disability shall be stated.

"The applicant shall sign the affidavit with his name at length, as recorded on the form (except that the designation of Miss or Mrs. may be omitted) and if he is unable to write he shall sign with a mark or cross, and the person before whom the affidavit is made shall insert the date of the affidavit, which shall be the date of the jurat.

"56f. Voter identification card

"Upon completion of registration of

each voter under the provisions of Subdivision 1 of Section 56e of this Code, the registrar shall issue to the voter a voter identification card, which shall be headed 'Voter Identification Card' and shall contain the following information: the voter's name, as shown on his registration record, his registration number, his address, occupation, and country or state of birth. The voter shall sign the card in the presence of the registrar and the registrar shall officially certify to the issuance of the card and the date of its issuance. Immediately preceding the certification there shall be printed the following: 'Holder not entitled to vote before

"If an identification card is lost, mutilated, or destroyed, the voter may obtain a replacement identification card, in the form and manner herein provided. The face of the card shall contain the same information as the original card, except that it shall be headed, 'Replacement Voter Identification Card. If the voter is applying in person, the registrar shall fill in the information on the face of the card from the voter's registration record on file in his office, noting on the record that a replacement card has been issued, shall take the voter's affidavit, and shall then deliver the card to the voter after the voter has signed it and the registrar has verified that the signature corresponds to the signature on the registration record. If the voter is applying by mail, the registrar shall fill in the information on the face of the card from the voter's registration record, after verifying that the signature on the request corresponds to the voter and file the request with the voter's county registration record. As used in other sections of this Code, the term 'voter identification card' shall include a replacement card issued and executed in accordance with this section.

"It shall be unlawful for the registrar to mail or deliver an identification card or replacement identification card to anyone other than the voter to whom it is issued, and any registrar or deputy who violates this provision shall be fined not less than one hundred dollars nor more than one thousand dollars.

"56g. Registration of shut-ins and persons absent from the county

The registrar shall furnish the applicant with an affidavit form upon which such person shall provide the information necessary for registration, which form shall contain the following, in addition to the information and statements prescribed in Section 56e of this Code: 'Because of sickness or physical disability I am unable to register in person. "When the affidavit and identification cards are returned to the registrar, the registrar shall transfer the information to an original and duplicate registration record form and shall forward the forms to the applicant for his signature, above which shall be the following certificate: 'I hereby certify that the information recorded on this form is true.' When the original and duplicate registration record forms are returned to the registrar, the person shall be deemed to have completed his registration. The registrar shall note on the records that registration was effected through an affidavit of absence, sickness or physical disability, and shall attach the affidavit to the duplicate registration record form, to be filed in the county registration file. The registrar shall complete the information on the voter identification card and mail the card to the voter.

"56h. Vote by members of Armed Forces, etc., without registration.

If refusal has been by a deputy registrar, the applicant may appeal to the registrar, who shall decide the challenge within seven days. When the registrar refuses to register an applicant, the applicant may appeal from the decision of the registrar to the district court within thirty days after the registrar's decision, and the decision of the district court shall be final. The court shall give priority to the appeal if an election is pending within sixty days.

"56j. Challenge of registered voter

The registrar shall decide the challenge within seven days after the hearing. Either party may appeal from the decision of the registrar to the district court within thirty days after the registrar's decision, and the decision of the district court shall be final. The court shall give priority to the appeal if an election is pending within sixty days. A challenged voter may continue to vote until a final decision is made cancelling his registration. Nothing in this section shall prevent challenge in an election contest of a voter's qualification and eligibility to vote.

"Subdivision 3. Prior to January 31 of each year, the registrar shall examine the records of all courts in his county having jurisdiction of the trial of felony crimes, and shall cancel the registration of any registered voter who is convicted of a felony.

"Subdivision 4. Upon receipt of a certified copy of a final judgment in an election contest proceeding, adjudging a registrant not to be a qualified voter, the registrar shall cancel his registration.

"Subdivision 5. Whenever a registration is cancelled under the provisions of Subdivision 2, 3, or 4 of this section, the registrar shall immediately mail a notice of the cancellation to the registrant at the address shown on his registration record.

"56l. Change of residence within county

"A registered voter who changes his place of residence within the pre-

inct shall notify the registrar of the change of address and shall present his voter identification card to the registrar and the registrar shall make the necessary change on the registration records and on the identification card.

"A registered voter who changes his residence to another precinct within the county shall request the registrar to transfer his registration to the precinct of his new residence at least four days before any election at which he offers to vote, and unless the voter has done this and his name appears on the certified list of registered voters of the precinct of his new residence, he shall not vote. The voter shall appear in person before the registrar and present his voter identification card and shall make written affidavit of the change of residence, or he shall send his identification card and the sworn affidavit to the registrar by mail. Thereupon the registrar shall make the necessary changes on the registration record forms and on the identification card, and shall transfer the voter's precinct registration record form to the precinct registration files for the precinct of his new residence, and shall return the identification card to the voter.

"56m. Change of residence to another county

"A registered voter who moves from one county to another must register in the county of his new residence in the same manner as an initial registrant. The voter shall inform the person registering him of his prior registration in the county of his former residence, which fact shall be noted on the new registration record forms of the voter. The registrar of the county in which the new registration is accomplished shall forthwith notify the registrar of the county wherein the voter was formerly registered that the voter has changed his registration to the county of his new residence. Upon receipt of such notice, the registrar of the county wherein the voter was formerly registered shall cancel the former registration.

"56n. Disposition of records upon cancellation of registration

"Upon cancellation of the registration of a voter, the registrar shall remove the voter's registration record forms from the county and precinct registration files and shall attach the duplicate form to the original form

and file them alphabetically in the cancelled registration file. The forms shall be preserved for a period of five years after cancellation, and may then be destroyed.

"56o. Change of name

"Any registered voter who changes his name through marriage or judgment of a competent court shall file a sworn affidavit of such change with the registrar and apply for registration under his new name. New registration record forms shall then be prepared and executed and a new identification card shall be issued to the voter, and the old records shall be placed in the cancelled registration file. If otherwise qualified, the voter shall be eligible to vote under the new registration at any election held more than four days after the registration is completed, and may vote under the former registration at any election held within four days after the new registration.

"56p. Renewal of registration by voting

"After March 1, 1968, whenever a registered voter votes in a primary or general election for nomination or election of state and county officers, his registration shall be automatically renewed for the ensuing biennium unless, prior to the beginning of that biennium, the registration has been cancelled under some provision of this Code.

"Within sixty days after the date of each second (runoff) primary for nomination of state and county officers held after March 1, 1968, the county chairman of each political party holding primary elections shall deliver to the registrar the list or lists of registered voters used at the party's general primary and runoff primary in each election precinct in the county, marked to show the names of persons who voted at the election, as provided elsewhere in this Code. Within sixty days after the date of each general election for state and county officers, the county clerk shall deliver to the registrar the lists of qualified voters used at the general election, marked to show the names of persons who voted at the election. From these lists, the registrar shall make a record in the precinct registration files of the voters who voted at such elections.

"Prior to the first day of October of each odd-numbered year, beginning with the year 1969, the registrar

shall examine the registration records to determine which persons did not vote at either a primary election or the general election during that voting biennium and shall mail to each such person, at the address shown on the registration record, a notice that it will be necessary for him to re-register if he wishes to vote at elections to be held during the ensuing voting biennium, but that he may re-register by furnishing the registrar, before the following 31st day of January, with a written, signed statement that he is still a qualified elector of the county and wishes to continue his registration, and by furnishing the registrar with any change of address or other information necessary to bring his registration record up to date. If the registrant requests re-registration before the following 31st day of January, the registrar shall make a notation of the re-registration on the precinct registration record and shall place it with the precinct record cards of new registrations for the ensuing voting biennium, and shall attach the request for re-registration to the duplicate registration record form in the county registration file.

"Prior to the first day of February of each even-numbered year, beginning with the year 1970, the registrar shall mail to each voter who voted at either a primary election or the general election during that voting biennium a notice stating that his registration will be renewed for the ensuing voting biennium unless the registrant is no longer a qualified voter of the county, and requesting him to furnish the registrar with any change of address or other information necessary to bring his registration record up to date.

"56q. Lists of registered voters

Subdivision 1. Before the first day of March of the first voting period, and before the first day of each voting period thereafter, the registrar shall prepare for each election precinct of the county a certified list of registered voters who were registered as of the first day of February of that year, arranged alphabetically by the names of the voters and showing the following information for each voter: registration number, name, address, and occupation. Before making up the lists, the registrar shall extract from the active precinct registration files the registration record

cards of all persons whose registration was automatically renewed by having voted during the current biennium, and shall place them with the new registrations for the ensuing biennium. (The precinct and county record cards of persons who failed to vote during the biennium and who failed to renew their registration as provided in Section 56p of this Code shall be placed with the cancelled records and shall be preserved for a period of three years from the end of the last biennial period for which the registration was effective, after which time they may be destroyed.)

"For each general, special, or primary election held within the county during the voting biennium for which the lists are prepared, the registrar shall deliver to the board, executive committee, or other authority having the duty of furnishing supplies for the election, one set of such lists for all precincts in the county if the election is county-wide, and one set of such lists for all precincts wholly or partially within the boundaries of the particular political subdivision if the election is less than county-wide. The registrar shall also furnish to each such authority, not less than two days prior to each election held by it, certified supplemental lists in the form herein prescribed of registered voters in each precinct whose names do not appear on the original list for such precinct, together with lists of the names of all persons whose registration has been cancelled or transferred to another precinct since preparation of the original lists. The authority shall furnish to the presiding judge in each precinct the original and supplemental lists of voters in his precinct at the time it furnishes other election supplies. Prior to the opening of the polls, the presiding judge shall strike from the original list the names of persons whose registration has been cancelled or transferred to another precinct.

"The registrar shall furnish without charge to each clerk having the duty of conducting absentee voting in any election the appropriate lists for use in the conduct of absentee voting for the election.

"No charge shall be made for lists furnished for use in elections held at the expense of the county or any city or other political subdivision. For each set of original and supplemental lists which the registrar is required to

furnish to the executive committee of a political party for use in its primary elections, the registrar shall be permitted to charge not more than five dollars, to be paid by the party or the chairman so ordering the lists, which charge shall be in full for both the original lists and the supplemental lists. The registrar shall also furnish to the county executive committee of each political party, for any year in which such party is holding precinct conventions, one set of the original and supplemental lists for use in qualifying persons to participate in such conventions, for which the registrar shall be permitted to charge not more than five dollars.

"It shall be permissible for the registrar to furnish additional copies of the original and supplemental lists for each election, and it shall be permissible for the election officers to use such additional lists for making up the poll list for the election when furnished in suitable form for that purpose.

"In addition to other registration records which the registrar is required to maintain, the registrar may maintain an auxiliary record of registered voters on punched cards or in other appropriate manner for producing lists of registered voters on data processing equipment, and may furnish lists of registered voters prepared by such method. In lieu of making supplemental lists for an election, he may furnish a revised complete list of registered voters for each precinct, reflecting changes in the original list which are required to be shown by the supplemental lists.

56r. Abolition of precinct or alteration of boundary

"In the event the precinct in which a registered voter resides is abolished or has its boundary altered, the registrar shall change the voter's registration record forms to show him to be registered in the proper precinct without any request from such voter, and shall mail notice of such change to each voter affected. If the registrar is unable to determine the proper precinct of a voter from the information on the registration record forms, he shall mail a request to the voter for such additional information as will enable him to determine the proper precinct, and until such information is received he shall not place the voter's name on the list of registered voters for any precinct.

Changes in precinct boundaries shall not become operative in the holding of elections until the first day of the voting biennium following the order of the commissioners court making the change.

"56s. Statement of registrations.

"Prior to the fifteenth day of March of each year, the registrar shall make a statement to the Secretary of State and to the county clerk showing the number of voters registered in each election precinct in the county as of the first day of March of that year. Such statement shall become a record of the officer to whom the statement is made.

"56t. Penalty for false statement in affidavit.

"Any person who wilfully makes any false statement in an affidavit executed under any provision of the foregoing registration law (Sections 56a through 56s of this Code) shall be deemed guilty of a felony and upon conviction shall be punished by confinement in the state penitentiary not less than two nor more than five years. The fact that an oath was not administered, or was administered in an irregular manner or by one not authorized to administer oaths, shall not be a defense to a prosecution under this section."

Section 2. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Section 34 of the Election Code of the State of Texas (compiled as Article 5.02 of Vernon's Texas Election Code) is amended to read as follows:

"34. Qualification and requirements for voting

"Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this State one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector. Except as provided in Subsection (3) of Section 44a of this Code, no person shall be eligible to vote at any election held within this State unless he is a qualified elector at the election and has registered as provided in this Code. These requirements shall apply to all elections, including general, special, and primary elections, whether held by the State, by a county or

other political subdivision of the State, or by a political party."

Section 3. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Sections 89 and 90 of the Election Code of the State of Texas (compiled as Articles 8.07 and 8.08 of Vernon's Texas Election Code) are amended to read as follows:

"89. Voter shall present identification card

"No person shall be permitted to vote unless he first presents to the election officer his voter identification card, provided for in Section 56f of this Code."

"90. Poll list and signature roster; acceptance of voter

"There shall be kept at each polling place a poll list and a signature roster of persons voting at the election. The poll list shall be made up in number of copies required by law, consisting of an original and carbon copies thereof, which shall be distributed as provided elsewhere in this Code.

The signature roster shall be made up as an original and one carbon copy thereof.

"When a person offers to vote, he shall present his voter identification card to an election officer and the election officer shall announce the voter's name and shall ascertain that the voter's name appears on the list of registered voters, and shall then require the voter to sign and fill out the signature roster, which shall show the voter's name, address, and registration number. The election officer shall compare the signature on the signature roster with that on the identification card, and if he finds that they correspond, an election officer shall enter the voter's name and registration number on the poll list and shall note on the list of registered voters that the voter has voted at that election. If the election officer finds that the signatures do not correspond, he shall challenge the voter, and the voter shall not be allowed to vote unless he complies with the procedure prescribed by this Code for acceptance of the vote of a challenged voter. The election officer shall make a notation of the challenge on the signature roster, together with a notation of the action taken thereon. If the voter is allowed to vote, the word 'challenged' and the name and address of the party testifying under

oath as to the voter's qualifications shall be written on the poll list opposite the name of the voter. If a voter is unable to sign his name, his name shall be entered on the poll list without any entry being made on the signature roster, and such fact shall be noted on the poll list. In each case the voter's identification card shall be returned to him.

"After the polls are closed, the original copy of the signature roster shall be attached to and returned with the copy of the poll list which is intended for inspection by the public, and the carbon copy of the signature roster shall be retained by the presiding judge, who shall keep it for sixty days, subject to the inspection of anyone interested in the election."

Section 4. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Section 37 of the Election Code of the State of Texas (compiled as Article 5.05 of Vernon's Texas Election Code) is amended by adding thereto a new subdivision numbered Subdivision 2b, reading as follows:

"Subdivision 2b. Voter identification card to accompany application for absentee ballot

"Except as provided in Subdivision 2a of this section and in Section 56h of this Code, every application for an absentee ballot shall be accompanied by the voter's identification card, provided for in Section 56f of this Code, or by his written signed statement that his identification card has been used in applying for an absentee ballot in another election (stating the nature and date of the election) and has not been returned to him. All references in this Code to the poll tax receipt or exemption certificate of an absentee voter shall be construed to mean the voter's identification card, except that an affidavit in lieu thereof shall not be allowed."

Section 5. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, the Election Code of the State of Texas is amended by adding thereto a new section numbered 56u, to read as follows:

"56u. Construction of terms

"Whenever, under any provisions of this Code or of any other statute of this State heretofore enacted, a person is required to have paid a poll tax or secured an exemption cer-

tificate as a qualification for any purpose, such statute shall be construed to require that the person be registered as a voter in accordance with the provisions of this chapter, unless the context clearly requires otherwise. All references to a poll tax receipt or any exemption certificate as evidence of eligibility to vote shall be construed to mean the voter identification card provided for in Subdivision 1 or Subdivision 2 of Section 56d or in Section 56f of this Code, and all references to the list of qualified voters shall be construed to mean the list of registered voters provided for in Section 56q of this Code."

Section 6. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, subdivisions (4) and (5) of Section 179a of the Election Code of the State of Texas (compiled as Article 13.01a of Vernon's Texas Election Code) are amended to read as follows:

"(4) To be a qualified member of an organized political party and to participate in its conventions, a voter shall have become affiliated with the party as provided in this subdivision.

"(a) The applicant for party affiliation of a party holding primary elections shall become a qualified member of the party when he has voted in that party's primary or has affiliated with the party in the manner prescribed in subparagraph (iii) of this paragraph.

"(i) At the head of the signature roster for each primary election there shall be printed the following statement: 'I swear that I have not voted at a primary election or participated in a convention of any other political party during this year.' The presiding judge, or another election officer designated by the presiding judge, shall place each voter under oath and require him to swear to this statement before he signs the roster. The presiding judge or another election officer designated by him shall issue to each voter in a general primary election, and to each voter in a second primary election who requests it, a certificate in the following form:

Date
 has voted in
 (Name of voter)
 the primary election of the
 Party.

 Presiding Judge, Precinct No.
 , County, Texas.

"(ii) In the event a voter shall vote by absentee ballot in a primary election, in addition to other matter required by Section 37 of this Code, the affidavit executed by the voter shall contain the statement set out in subparagraph (i) above. The county clerk shall furnish to each voter in a general primary election, and to each voter in a second primary election who requests it, a certificate in the form prescribed in subparagraph (i), signed by the county clerk in lieu of the presiding judge. If the voter is voting by personal appearance, the county clerk shall deliver the certificate to the voter at the time he votes. If the voter is voting by mail, the clerk shall mail the certificate to the voter upon receipt of the voted ballot.

"(iii) To become a qualified member of a party holding primary elections in order to participate in any party convention held prior to the general primary election, the applicant shall present his voter identification card to the precinct chairman of the party and state under oath that he has not participated in a convention of any other political party during that year and that he desires to affiliate with the party to which he is applying for affiliation. Thereupon, the precinct chairman shall issue to the voter a certificate in the following form:

Date
 has affiliated
 (Name of voter)
 with the Party
 for the current year.

 Precinct Chairman, Precinct No.
 County,
 Texas.

"(b) To become a qualified member of a party not holding primary elections and to participate in its conventions, the applicant for party affiliation shall present his voter identification card to the precinct chairman of the party and state under oath that he has not voted at a primary election or participated in a convention of any other political party during that year and that he desires to affiliate with the party to which he is applying for affiliation. Thereupon, the precinct chairman shall issue to the voter a certificate in the form prescribed by subparagraph (iii) of paragraph (a) of this subdivision.

"(5) Once a voter has affiliated with a party in a manner prescribed in subdivision (4) of this section, he shall remain a qualified member of such party for the duration of that calendar year. A certificate issued by the presiding judge, the county clerk, or the precinct chairman as provided in subdivision (4) shall serve as evidence that the person whose name appears thereon has affiliated with the party and is therefore eligible to participate in its conventions. All judges and clerks of primary elections and all precinct chairmen shall have authority to administer the oaths required for party affiliation. Any person who swears falsely to a statement that he has not voted at a primary election or participated in a party convention of any other party, as required by subdivision (4) shall be fined not less than one hundred dollars nor more than five hundred dollars."

Section 7. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Sections 34a, 41, 42, 43, 44, 45, 46, 46a, as added by Acts 1965, 59th Leg., Ch. 378, Sec. 1, 47, 48, 48a, as added by Acts 1965, 59th Leg., Ch. 678, Sec. 10, 49, 50, 51, 52, 53, 54, and 56 of the Election Code of the State of Texas (Articles 5.02a, 5.09-5.22, and 5.24 of Vernon's Texas Election Code) are repealed. The repeal of Section 41 of the Election Code shall not affect liability for payment of a poll tax or the continued existence and force of Article 2.01 of Title 122A, Taxation-General, of the Revised Civil Statutes of Texas. All other laws requiring the payment of a poll tax or the obtaining of a certificate of exemption from the payment thereof shall be of no further force to require that the tax be paid or that an exemption certificate be obtained as a prerequisite for voting, but all such laws shall be construed as provided in Section 56u of the Election Code, enacted by Section 5 of this Act.

Sec. 8. Sections 1 through 7 of this Act shall become effective and operative as a law if and when the Supreme Court of the United States affirms or refuses to review the judgment of the United States District Court for the Western District of Texas, Austin Division, in Civil Action No. 1570, styled United States of America v. The State of Texas, et

al., or if by other action taken upon appeal of that case the Supreme Court rules that the provisions of the Constitution and statutes of this State requiring payment of a poll tax as a condition for voting in state and local elections are in violation of the Constitution of the United States.

Sec. 9. If the Constitutional Amendment abolishing payment of the poll tax as a prerequisite for voting as proposed by H. J. R. 13, 59th Legislature, Regular Session, 1965, becomes a part of the Constitution of Texas, then

(a) Section 1 of this Act shall expire on September 30, 1967, and thereafter be of no further force or effect.

(b) Sections 3 through 7 of this Act shall expire on January 31, 1968, and thereafter be of no further force or effect.

(c) The following provisions concerning registration in compliance with such constitutional amendment shall be in force and effect as hereinafter provided.

Sec. 9a. Effective February 1, 1968, Section 34 of the Texas Election Code (codified as Article 5.02, Vernon's Texas Election Code), is amended to read as follows:

"34. Qualification and requirements for voting

"Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this State one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector. Except as provided in Subsection (3) of Section 44a of this Code, no person shall be eligible to vote at any election held within this State unless he is a qualified elector at the election and has registered as provided in this Code. These requirements shall apply to all elections, including general, special, and primary elections, whether held by the State, by a county or other political subdivision of the State, or by a political party."

Sec. 9b. Effective October 1, 1967, and conditioned as provided in Section 9 of this Act, the Election Code of the State of Texas is amended by adding new Sections numbered 41a,

42a, 43a, 44a, 45a, 46a, 47a, 48a, 49a, 50a, 51a, 52a, 53a, and 54a, to read as follows:

"41a. Registrar of voters

"The county tax assessor-collector of each county in this State shall be the registrar of voters in that county; and as used in this Code, the term 'registrar of voters' or 'registrar' means the county tax assessor-collector. He shall be responsible for the registration of voters, keeping of records, preparation of lists of registered voters, and such other duties incident to voter registration as are placed upon him by law. The duties here imposed on the county tax assessor-collector are in addition to his other duties imposed by law, and the expenses of his office incident to the performance of these duties shall be borne by the county. Any of these duties, except the hearing of appeals on denial of registration and the hearing of challenges of registration, may be performed through a deputy or deputies. The assessor-collector shall not make any charge against a voter for performing any duty incident to voter registration. The tax assessor-collector is authorized to administer oaths and certify thereto under the seal of his office in every case where an oath is required in complying with any portion of this Code connected with his official duties. The registration records, the applications for registration, and the duplicate registration certificates on file in the tax assessor-collector's office shall be open for public inspection at all times when the office is open."

"42a. Persons entitled to register

"Every person who at the time of applying for registration is in other respects a qualified elector, or who will become a qualified elector within one year from the first day of March following the date of his application for registration, shall be entitled to register as a voter of the precinct in which he resides; provided, however, that no person shall be entitled to vote at any election unless he is a qualified elector on the date of the election. The registration certificate of a person who registers before he becomes a qualified elector shall have stamped or written thereon the following: 'Not entitled to vote before (date on which he will become a qualified elector to be inserted in the blank), and

this notation shall also be placed opposite his name on the list of registered voters."

"43a. Annual registration; period for registration; period for which registration is effective

"Voters shall register annually. The period for registration shall be from the first day of October through the thirty-first day of January following. The first registration hereunder shall entitle the registrant, if otherwise qualified, to vote at elections held between the first day of February following the registration period and the last day of February of the following year. Each annual registration thereafter shall entitle the registrant, if otherwise qualified, to vote at elections held during the period of one year beginning on the first day of March following the registration period."

"44a. Registration of former aliens; registration of persons over sixty years of age upon removal to city of ten thousand or more inhabitants, etc.

"Notwithstanding the provisions of Section 43a of this Code prescribing the period for registration:

"(1) A former alien upon becoming a naturalized citizen may register at any time thereafter for the voting year in which he becomes a naturalized citizen, and if naturalized during the month of February, for the ensuing voting year beginning on the first day of March thereafter, if at the time of applying for registration he is a qualified elector or will become a qualified elector before the end of the voting year for which he is registering. Before registering a voter under the provisions of this Section, the registrar shall require the applicant for registration to present satisfactory evidence of his naturalization and of the date on which he was naturalized.

"(2) A person who is over sixty years of age at the time of applying for registration, and who did not reside at any time during the registration period prescribed in Section 43a of this Code, in a city of ten thousand or more inhabitants or in a county wherein the commissioners court had directed the registration of all voters irrespective of age or place of residence, but who later removes to such a city or county, may register at any time thereafter for the voting year in which he removes of Febru-

ary, for the ensuing voting year beginning on the first day of March thereafter, if at the time of applying for registration he is a qualified elector or will become a qualified elector before the end of the voting year for which he is registering.

"Any person registered under the provisions of this Section must have registered at least four days before the day of any election at which he offers to vote."

"(3) Vote by members of Armed Forces, etc., without registration

"If any person within either of the classes of persons enumerated in this section is eligible to register but has failed to do so, and is otherwise eligible to vote absentee by mail on the ground of expected absence from the county, he may vote without registration by sending a Federal Post Card Application for an absentee ballot in accordance with the law. This section shall apply to the following classes of persons:

"1. Members of the Army, Navy, Air Force, Marine Corps, Coast Guard and Merchant Marine of the United States serving outside the territorial limits of this state, and their spouses when residing with or accompanying them.

"2. Civilian employees of the United States in all categories serving outside the territorial limits of the United States, and their spouses when residing with or accompanying them.

"45a. Mode of applying for registration

"(1) A person may apply for registration in person or by mail. When an applicant for registration applies in person, he shall furnish the registrar the necessary information to enable the registrar to fill out the blanks in the registration certificates, and the registrar shall immediately make out and deliver a registration certificate to the applicant, if he is entitled to register. An application made by mail must be signed by the applicant and must contain all the information necessary to enable the registrar to fill out the blanks in the registration certificate. The registrar shall file and preserve all applications received by mail for a period of two years. On applications received by mail, the registrar shall mail the registration certificate to the voter for whom it is issued at his permanent address, or, if requested to do so by the applicant

in writing, the registrar shall mail the certificate to such other address as the applicant directs, or shall hold the certificate to be delivered to the applicant in person. An application made by mail shall be deemed to have been received by the registrar within the period for registration if it was placed in the mail on or before the last day of the registration period, as shown by the postmark on the envelope, and was delivered to the registrar on or before the fifth day following the close of the registration period. Within the meaning of this Section, the application is delivered when it is actually placed into the possession of the registrar or his duly authorized agent by a post office employee, or is deposited into the registrar's mail box, or is left at the usual place of delivery for the registrar's official mail.

"(2) The husband, wife, father, mother, son, or daughter of a person entitled to register may act as agent for such person in applying for registration, without the necessity of written authorization therefor, may sign for the applicant when application is by mail, and may receive the registration certificate. Except as herein permitted, it shall be unlawful for any person to act as agent for another in applying for registration or in obtaining a registration certificate, and any person violating this provision shall be fined not exceeding Five Hundred Dollars (\$500).

"(3) It shall be unlawful for the registrar of voters knowingly to issue a registration certificate upon the application of anyone other than the person in whose name it is issued or of someone lawfully acting as his agent, or to mail or deliver a registration certificate to any person other than the person for whom it is issued or someone lawfully acting as his agent, and any registrar or deputy registrar who violates this provision shall be fined not less than One Hundred Dollars (\$100) nor more than One Thousand Dollars (\$1,000), and shall be removed from office."

"46a. Registration certificate books; form of certificate

"Before the beginning of the period for registration each year, the registrar shall procure a sufficient number of blank registration certificate books for the county. Each original certificate form shall be bound over a duplicate copy which, when filled out, shall correspond with the original.

The certificate forms shall be numbered consecutively in each county, beginning with No. 1 each year. Each form shall be headed 'Voter Registration Certificate for the Year Beginning March 1, ' (the proper year to be filled in) and shall contain appropriate blanks for filling in the information required by Section 47a of this Code. It shall also contain a blank space for political party affiliation of the voter, to be completed as provided in Section 179a of this Code. Each certificate issued shall show the date of issuance (the date on which the application for registration was received by the registrar if different from the date of actual issuance), and shall be signed and certified by the registrar and shall bear the seal of his office. The original certificate shall be detached and delivered to the registrant or his agent as provided in Section 45 of this Code, and the duplicate shall be retained by the registrar. The registrar shall keep securely in a safe place the duplicates from which the original certificates have been detached, and they must remain there except when taken out for examination, which must always be done in his presence. At the expiration of three years, they shall be burned by the registrar under the direction of the county judge."

"47a. Information required on certificate

"Each registration certificate and its duplicate shall show the following information with respect to the person for whom it is issued: his name, date of birth, sex, race, occupation, post office address (or if living in an incorporated city or town, his street address), the voting precinct in which he resides, whether he is a native-born or a naturalized citizen, the state or country of his birth, the date on which he became a resident of the State, the date on which he became a resident of the county, and if residing in an incorporated city or town, the date on which he became a resident of such city or town, all of which dates shall be the date of commencement of the period of residence immediately preceding the application for registration. If the applicant is over twenty-one years of age, a statement of the year of birth shall be sufficient; if he is under twenty-one years of age, the certificate shall show the date of birth by month, day, and year. If the applicant has resided in the State for

more than one year, or in the county or city for more than six months, a statement of the year in which such residence began shall be sufficient; if he has resided less than one year in the State or less than six months in the county or city, the certificate shall show by month, day, and year the date on which the residence began. In lieu of the date of birth and the dates on which residence began, the certificate may show the age and the lengths of residence; but the certificate must show the date of birth by month, day, and year if the registrant is under twenty-one years of age at the time of registering, and must show by month, day, and year the date on which a period of residence began if the period required for voting has not been fulfilled at the time of registering.

"Each applicant for registration shall furnish the foregoing information to the registrar. If the applicant is not twenty-one years of age, or has not completed the residence requirements of a qualified elector, the registrar shall place on the certificate and on the list of registered voters the notation required by Section 42a of this Code, filling in the date on which such person will become twenty-one years old, or the date on which he will have resided in the State one year and in the county six months, as the case may be."

"48a. Correction of errors on certificates; lost certificates

"When after issuance of a registration certificate it is discovered that an error has been made in filling out the blanks on the certificate through mistake of the registrar or through innocent mistake of the voter in supplying the information, the voter may present the certificate to the registrar for correction and the registrar shall correct the information on the original certificate and on the duplicate on file in his office. If the error has been in the election precinct of the voter's residence and the original list of registered voters has already been prepared, upon correction of the error the registrar shall place the voter's name on the supplemental list of registered voters for the precinct in which he resides. No person shall be entitled to vote in an election precinct of which he is not a resident. If an error in the election precinct has not been corrected on the certificate at the time the voter offers to vote at an election, he

may vote in the precinct of his residence, if otherwise qualified, by making and leaving with the presiding judge of the election an affidavit that he is a bona fide resident of that precinct and qualified to vote at that election, and that the error on the certificate was not caused by an intentional misrepresentation on his part; provided, however, that if the election judge is not satisfied as to his right to vote, his vote shall not be accepted unless he also complies with the provisions of this Code relating to challenge of a voter at the polling place.

"The registrar shall not reissue a certificate to replace a certificate that has been lost or misplaced, or for any other reason, and a voter whose certificate has been lost or misplaced, when offering to vote, shall be required to make an affidavit of such fact as provided elsewhere in this Code."

"49a. Challenge of registration; appeal

"(1) Challenge of applicant. Any person applying for registration may be challenged by the registrar or deputy taking his application or by any registered voter of the county. If after hearing and considering the challenge the officer taking the application is satisfied as to the applicant's entitlement to registration, he shall register the applicant, but if not so satisfied, he shall refuse to register the applicant. If refusal has been by a deputy registrar, the applicant may appeal to the registrar, who shall decide the challenge within seven days. When the registrar refuses to register an applicant, the applicant may appeal from the decision of the registrar to a district court of the county within thirty days after the registrar's decision, and the decision of the district court shall be final.

"(2) Challenge of registered voter. Any registered voter shall have the right to challenge the registration of any other registered voter in his county by filing with the registrar of voters a sworn statement setting out the grounds for such challenge. The registrar shall give notice to the person whose registration has been challenged, and a hearing shall be held and a ruling made thereon. Either party to the controversy may appeal from the decision of the registrar to a district court of the county of registration within thirty days

after the registrar's decision, and the decision of the district court shall be final. A challenged voter may continue to vote until a final decision is made canceling his registration.

"(3) Jurisdiction of district court; trial of appeal. The district courts of this State shall have jurisdiction to hear and determine appeals from decisions of the registrar refusing an application for registration and from decisions of the registrar either canceling or refusing to cancel a registration. The trial in the district court shall be de novo. The court shall give priority to the appeal if an election is pending within sixty days."

"50a. Removal to another county or election precinct

"If a voter, after receiving his registration certificate, removes to another county or to another election precinct in the same county, he may vote in the precinct of his new residence by presenting to the judge of election his registration certificate or his affidavit of its loss, stating in such affidavit where he received the certificate, and by making oath that he is the identical person described in the certificate and that he then resides in the precinct where he offers to vote and has resided for the last six months in the district or county in which he offers to vote and twelve months in the State. But no such person shall be permitted to vote in a city of ten thousand inhabitants or more unless he complies with the following procedure: not less than four days prior to any election at which he wishes to vote, he shall present his registration, certificate to the registrar of the county of his residence, or shall make affidavit of its loss, stating in such affidavit where he received the certificate, and shall in oath state in which election precinct he then resides and that he has resided in the State for the last twelve months and in the district or county for the last six months. The registrar shall thereupon add his name to the list of registered voters of the precinct of his new residence, and unless such voter has complied with this procedure and his name appears on the list of registered voters of the precinct of his new residence, he shall not vote. If the voter has resided in a district for six months but less than six months in the county, the registrar shall note on the list of registered voters the

date on which the voter moved into the county.

"51a. List of registered voters

"(1) Before the first day of March each year, the registrar of voters shall prepare from the duplicate registration certificates on file in his office, a certified list of registered voters for each election precinct of the county, arranged alphabetically by the names of the voters and showing the following information for each voter: registration number, name, address, date of birth or age, race, sex and occupation. The registrar shall deliver to each board, executive committee, or other authority having the duty of furnishing supplies for any general, special, or primary election to be held within the county prior to the first day of March of the following year, one set of such lists for all precincts in the county if any election which may be held by such authority is county-wide, and one set of such lists for all precincts wholly or partially within the boundaries of the particular political subdivision if all elections which may be held by such authority are less than county-wide. The registrar shall also furnish to each such authority, not less than four days prior to each election held by it, certified supplemental lists in the same form hereinabove prescribed of registered voters in each precinct whose names do not appear on the original list for such precinct, together with lists of the names of all persons whose registration has been canceled or transferred to another precinct since preparation of the original lists. The authority shall furnish to the presiding judge in each precinct the original and supplemental lists of voters in his precinct at the time it furnishes other election supplies. Prior to the opening of the polls, the presiding judge shall strike from the original list the names of persons whose registration has been canceled or transferred to another precinct.

"(2) The registrar shall furnish without charge to each clerk having the duty of conducting absentee voting in any election the appropriate lists for use in the conduct of absentee voting for the election. He shall also furnish to the county clerk one set of the original lists and one set of the supplemental lists prepared for each county-wide election, which shall be public records available for

public inspection at all times that his office is open.

"(3) No charge shall be made for lists furnished for use in elections held at the expense of the county or any city or other political subdivision. For each set of original and supplemental lists which the registrar is required to furnish to the executive committee of a political party for use in its primary elections, the registrar shall be permitted to charge not more than Five Dollars (\$5), to be paid by the party or the chairman so ordering the lists, which charge shall be in full for both the original lists and the supplemental lists. The registrar shall also furnish to the county executive committee of each political party, for any year in which such party is holding precinct conventions, one set of the original and supplemental lists for use in qualifying persons to participate in such conventions, for which the registrar shall be permitted to charge not more than Five Dollars (\$5)."

"52a. Deputy registrar

"In each county containing a city of ten thousand or more inhabitants, other than the county seat, the registrar of voters shall have a duly authorized and sworn deputy in each such city to represent him for the purpose of accepting applications for registration and issuing registration certificates. The deputy registrar shall keep his office for such purpose at some convenient place in the city during the entire month of January of each year, and the registrar shall publish four weeks' notice of the authority of the deputy and the location of the office. The registrar may have duly authorized and sworn deputies for the purpose of accepting applications for registration and issuing registration certificates at such other times and places as shall in his discretion be necessary or advisable; provided, however, that no deputy shall be paid for his services except with the approval of the Commissioners Court."

"53a. Statement of registrations

"On or before the first day of March of each year, the registrar shall make a statement to the Secretary of State and to the county clerk showing how many registration certificates have been issued in each election precinct in the county. Such statement shall become a record of the officer to whom the statement is made."

"54a. Penalty for false registration
 "Any person who wilfully makes any false statement to procure his registration as a voter or the registration of any person for whom he acts, as agent, or gives any false information in connection with such registration, shall be guilty of a felony and upon conviction shall be punished by confinement in the state penitentiary not less than one nor more than three years."

Sec. 9(c) Effective on the date provided in Section 9 of this Act and conditioned as provided in that Section, the Election Code of the State of Texas is amended by adding thereto a new Section numbered 55a, to read as follows:

"55a. Construction of other laws

"Whenever, under any provision of this Code or of any other statute of this State heretofore enacted, a person is required to have paid a poll tax or secured an exemption certificate as a qualification for any purpose, such statute shall be construed to require that the person be registered as a voter in accordance with the provisions of this Code. All references to a poll tax receipt or an exemption certificate shall be construed to mean a voter registration certificate, unless the context clearly requires otherwise, and all references to the list of qualified voters shall be construed to mean the list of registered voters as provided for in Section 51a of this Code."

Sec. 9(d) REPEALS. Effective on the date provided in Section 9 of this Act and, if the following Sections have not heretofore been repealed by virtue of Sec. 7 of this Act, Sections 34a, 41, 42, 43, 44, 45, 46, 46a, 47, 48, 48a, 49, 50, 51, 52, 53, 54, and 56 of the Election Code of the State of Texas (Articles 5.02a, 5.09-5.22, and 5.24 of Vernon's Texas Election Code) are repealed. The repeal of Section 41 of the Election Code shall not affect liability for payment of a poll tax or the continued existence and force of Article 2.01 of Title 122A, Taxation-General, of the Revised Civil Statutes of Texas, 1925, as amended.

Sec. 10. (a) The Election Code of the State of Texas is amended by adding a new section to be numbered 34b, reading as follows:

"34-b. REGISTRATION AND VOTING WITHOUT PAYMENT OF POLL TAX—TEMPORARY PROVISIONS. (a) A person who is subject

to the payment of the poll tax but who has not obtained a poll tax receipt or an exemption certificate entitling him to vote in federal, state, or local elections for the election period ending January 31, 1967, but who is in other respects a qualified elector, may apply to the tax collector of the county of his residence at any time during the fifteen day period beginning on the fifth day after the effective date of this Section, for issuance of a conditional voter registration certificate without payment of any fee or tax, to be used to identify him in voting at elections held before February 1, 1967.

"(b) The applicant shall furnish to the tax collector all the information necessary to enable the tax collector to fill out the blanks in the poll tax receipt, and the tax collector shall issue the receipt as in cases where the poll tax is paid, except that he shall place the notation 'CONDITIONAL VOTER REGISTRATION CERTIFICATE' on the face of the original and duplicate receipts. The application may be made in either of the manners authorized in Section 43 of the Texas Election Code (Article 5.11, Vernon's Texas Election Code), and all laws pertaining to the issuance of poll tax receipts shall apply to issuance of certificates under this Section insofar as they can be made applicable, except as otherwise provided in this Section.

"(c) On or before May 2, 1966, the tax collector shall furnish a certified list of persons registered under the provisions of this Section to the election boards of the county for use in elections conducted before February 1, 1967, subject to subsections (d) and (e) of this Section. However no person who presents himself to vote in an election held before May 3, 1966 who has duly registered and who presents his registration certificate to the officers conducting the election shall be denied the opportunity to vote solely because his name does not appear upon a list of registered persons.

"(d) A person who is issued a certificate under this Section shall be entitled to vote in any election held before midnight January 31, 1967, provided the decision of the United States District Court referred to in Sec. 8 hereof is in effect so as to make invalid the payment of a poll tax as a condition for voting.

"(e) If the said decision is re-

versed, suspended or stayed prior to the date of any election and is not in effect at the time of such election no person so issued a certificate under this Section shall be entitled to vote at any such election.

"(f) If the provisions stated in (d) above are in effect and the conditions stated in (e) do not occur or are not in effect, then the following classes of persons shall be deemed to be duly registered as voters during the period to which this Sec. 10 is applicable, and no distinction shall be made between the classes:

"(1) any person who paid the poll tax and was issued a poll tax receipt, entitling him to vote in elections held during the voting year ending January 31, 1967;

"(2) any person who was issued an exemption certificate based on overage, under Section 48 of the Texas Election Code, entitling him to vote in elections held during the voting year ending January 31, 1967, and any overage person entitled by law to vote without obtaining an exemption certificate;

"(3) any person who was issued an exemption certificate based on nonage or nonresidence, under Section 49 of the Texas Election Code, entitling him to vote in elections held during the voting year ending January 31, 1967;

"(4) any person who was issued a poll tax receipt without payment of the tax, under Section 34a of the Texas Election Code, entitling him to vote for federal officers only, in elections held during the voting year ending January 31, 1967; and

"(5) any person who was issued a conditional voter registration certificate under this Section.

"(g) In the conduct of elections held on or after the effective date of the injunctive order, voters who have been issued certificates under this Section shall be subject to the same provisions of law with respect to voting procedures as voters holding regular poll tax receipts, and all references in such laws to a poll tax receipt shall be construed to include a registration certificate issued under this Section."

(h) This Section shall become effective from and after its passage or as soon thereafter as permitted by the Constitution of Texas. It shall expire on February 1, 1967.

Sec. 11. SEVERABILITY. If any

provision of this Act or the application thereof to any person or circumstance is held invalid, this invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 12. EMERGENCY. The necessity for immediate enactment of a voter registration law in order to avoid having to conduct elections without voter registration lists, arising from the recent judgment of the United States District Court for the Western District of Texas that the provisions of Texas law requiring payment of a poll tax as a condition for voting are invalid and the possibility of affirmance of that judgment by the Supreme Court of the United States, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and that this Act shall take effect and be in force as hereinabove provided, and it is so enacted.

The amendment was read.

Senator Spears offered the following amendment to the bill:

Amend Senate Bill No. 1 by striking out all below the enacting clause and by inserting in lieu thereof the following:

Section 1. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, the Election Code of the State of Texas is amended by adding thereto new sections numbered 56a through 56t, to read as follows:

“56a. Registrar of voters

“The county tax assessor-collector of each county in this State shall be the registrar of voters in that county, and as used in this Code, the term ‘registrar of voters’ or ‘registrar’ means the county tax assessor-collector. He shall be responsible for the registration of voters, keeping of records, preparation of lists of registered voters, and such other duties incident to voter registration as are placed upon him by law. The duties here imposed on the county tax assessor-collector are in addition to his other duties imposed by law, and the expenses of his office incident to the

performance of these duties shall be borne by the county. Any of these duties, other than the hearing of appeals on denial of registration and the hearing of challenges requesting cancellation of registration, may be performed through a deputy or deputies. The registrar shall not charge any fee for registering a voter or for performing any duty incident to voter registration. The registrar is authorized to administer oaths and certify thereto under the seal of his office in every case where an oath is required in complying with any portion of this Code connected with his official duties.

56b. Time and place for registration; period for which registration is effective.

“Voters shall register annually. The first period for registration under this law shall begin in each county immediately upon the effective date of this Section and shall end on the thirty-first day of January following; provided, however, that if this Section takes effect after January 1, 1967, the registration period shall continue through the thirtieth day following the effective date. In each year thereafter, the period for registration shall be from the first day of October through the thirty-first day of January following. The first registration hereunder shall entitle the registrant, if otherwise qualified, to vote at elections held between the first day of February following the registration period and the last day of February of the following year. Each annual registration thereafter shall entitle the registrant, if otherwise qualified, to vote at elections held during the period of one year beginning on the first day of March following the registration period.”

Registration for each current annual voting period shall also be conducted at all other times, beginning with the first day of March, except during the last thirty days of the period; provided, however, that a person who registers after the beginning of the period shall not be entitled to vote until the expiration of thirty days after registration. Persons registering on or after the first day of October preceding each new voting period and more than thirty days before the end of the current voting period shall be entitled to vote, if qualified, during the remainder of the current period after the expiration of

thirty days, and during the ensuing full period.

"5c. Persons entitled to register

"Every person who possesses all the qualifications of an elector, as defined in Section 34 of this Code, as amended to become effective on the first day of February, following the effective date of this section, or as thereafter amended, or who will become a qualified elector within sixty days after the date of application for registration, shall be entitled to register as a voter of the precinct in which he resides.

"56d. Registration record form

"Subdivision 1. Except as provided in Subdivision 2 of this section, the registration of each voter shall be recorded on a registration record form of loose-leaf style, which shall be made out in duplicate and which shall contain, in affidavit form to be signed and sworn to by the applicant, all the information required by Section 56e of this Code. The registration record form shall also contain suitable space for recording change of residence, transfer of registration to another voting precinct, information as to elections at which the voter votes, and information pertinent to cancellation of registration. In addition to any matter herein required, the registrar may cause to be written or printed on the form any other reasonable memoranda which are necessary or convenient to enable the registrar to perform his duties in assorting or classifying or handling registration records with correctness and dispatch.

"The registration record forms for each county shall be serially numbered, beginning with No. 1, for registrations for each new voting period, and the numbers shall be preceded by a letter or combination of letters, beginning with the letter A and proceeding in alphabetical order for each new voting period (i.e., the numbering shall begin with No. A-1 for the first voting period, with No. B-1 for the second voting period, and so on). The registration records of registered voters shall be kept in two files, one to be known as the precinct registration file and the other to be known as the county registration file. The original form shall be filed alphabetically, by name of the registrant, in the precinct file, and the duplicate shall be filed in the county registration file. The registration files shall be kept in the office of the registrar

at all times in a place and in such manner as to be properly safeguarded. The files shall be open to public inspection at all times during regular office hours of the registrar, subject to reasonable safeguards.

"Subdivision 2. If this section becomes effective between July 1, 1966, and January 31, 1967, the registration record form to be used for registering persons to vote during the voting period beginning on the first day of February immediately following the effective date of this section shall be the poll tax receipt form prescribed by Section 46 of this Code or the exemption certificate form prescribed by Section 48 of this Code. The poll tax receipt form shall be used for persons subject to payment of the tax, and the exemption certificate form shall be used for persons exempt from its payment; provided, however, that a registration shall not be rendered invalid by use of the form not prescribed for the particular registrant. If at the time of registering the registrant pays the poll tax levied against him, the poll tax receipt form shall serve both as a receipt for payment and as a record of registration. If a poll tax is not collected from the registrant, the registrar shall issue a receipt on which the words 'Poll tax not paid' have been stamped, written or printed. The original of the poll tax receipt or exemption certificate shall be issued to the registrant to identify him in voting, and the duplicate shall be retained by the registrar as his record of the registration from which the registration lists shall be prepared.

"All persons who were issued poll tax receipts or exemption certificates prior to the effective date of this Section, for use in voting during the ensuing voting year, and whose names would have been placed on either the regular list of qualified voters or the list of voters qualified to vote in Federal elections only, if Sections 34a and 54 of this Code had not been repealed, shall be deemed to have registered in accordance with the requirements of this registration law, and the registrar shall include the names of such persons on the list of registered voters for the voting period beginning on the first day of February immediately following the effective date of this registration law.

"A signature roster as provided in Section 90 of this Code shall not be

kept for any election at which the voter is identified by a form issued under this subdivision.

“56e. Procedure for registration

“Except as provided in Subdivision 2 of Section 56d of this Code, anyone desiring to register shall make application to the registrar or an authorized deputy, who shall put the applicant for registration under oath and inform him that any willful false statement he makes will subject him to prosecution for false swearing. The applicant then shall swear to the following facts, and his answers shall be recorded on the registration record form in his presence by the person registering him, in permanent writing or typewriting:

“1. Name at length, including given name, and a middle name or initial or if initial of first given name is customarily used, then initial and middle name. The given name of a woman shall be preceded in all cases with the designation of Miss or Mrs.

“2. The facts necessary to establish the applicant as an elector: that he is a citizen of the United States; is over twenty-one years of age (or will become twenty-one years of age within sixty days thereafter, stating the date on which he will reach that age); has continuously resided in Texas one year, and six months in the county wherein he is applying for registration (or will have met these residence requirements within sixty days thereafter, stating the date on which the requirements will have been met).

“3. Place of residence and post office address with sufficient particularity to identify it and to determine the applicant's voting precinct.

“4. Occupation.

“5. Country or state of birth.

“6. If foreign born, how citizenship was acquired, whether by: citizenship or father, treaty or act of Congress, order of a court or naturalization, marriage to a citizen; naturalization of a parent or husband. The date when and the place where the applicant became a citizen shall be stated except in the case of citizenship acquired by citizenship or naturalization of parents, by treaty or by act of Congress. When citizenship depends upon the citizenship or naturalization of parent or husband, the name of the parent or husband shall be stated.

“7. Whether the applicant is able

to write his name, and whether he has any physical disability by reason of which he cannot mark the ballot, in which case the nature of such disability shall be stated.

“The applicant shall sign the affidavit with his name at length, as recorded on the form (except that the designation of Miss or Mrs. may be omitted) and if he is unable to write he shall sign with a mark or cross, and the person before whom the affidavit is made shall insert the date of the affidavit, which shall be the date of the jurat.

“56f. Voter identification card

“Upon completion of registration of each voter under the provisions of Section 56e of this Code, the registrar shall issue to the voter a voter identification card, which shall be headed ‘Voter Identification Card’ and shall contain the following information: the voter's name, as shown on his registration record, his registration number, his address, occupation, and country or state of birth. The voter shall sign the card in the presence of the registrar and the registrar shall officially certify to the issuance of the card and the date of its issuance. Immediately preceding the certification there shall be printed the following: ‘Holder not entitled to vote before’, and in the blank space the registrar shall fill in the date of the first day of the ensuing voting period, if the registration is within the thirty-day period preceding such date, or the date of the thirty-first day following registration, or the date on which the registrant will become a qualified elector, whichever is the latest of these three dates.

“If an identification card is lost, mutilated, or destroyed, the voter may obtain a replacement identification card, in the form and manner herein provided. The face of the card shall contain the same information as the original card, except that it shall be headed, ‘Replacement Voter Identification Card. Not valid unless affidavit on reverse side is properly executed.’ On the reverse side shall be printed an affidavit in substantially the following form:

Before me, the undersigned authority personally appeared who, being by me duly sworn, says that his Voter Identification Card has been lost, mutilated, or destroyed.

(Signature of Voter)

Sworn to and subscribed before me,
this day of _____, 19...

(Signature and title of officer
administering oath)

The voter shall notify the registrar, in person or by mail, that the card previously issued to him has been lost, mutilated, or destroyed, and shall request that a replacement card be issued to him. If the voter is applying in person, the registrar shall fill in the information on the face of the card from the voter's registration record on file in his office, noting on the record that a replacement card has been issued, shall take the voter's affidavit, and shall then deliver the card to the voter after the voter has signed it and the registrar has verified that the signature corresponds to the signature on the registration record. If the voter is applying by mail, the registrar shall fill in the information on the face of the card from the voter's registration record, after verifying that the signature on the request corresponds to the voter and file the request with the voter's county registration record. As used in other sections of this Code, the term 'voter identification card' shall include a replacement card issued and executed in accordance with this section.

"It shall be unlawful for the registrar to mail or deliver an identification card or replacement identification card to anyone other than the voter to whom it is issued, and any registrar or deputy who violates this provision shall be fined not less than one hundred dollars nor more than one thousand dollars.

"56g. Registration of shut-ins and persons absent from the county

"If any person eligible to register is unable to register in person at the registrar's office by reason of sickness or physical disability, the registrar may register the applicant at his place of abode, if practicable, in the same manner as if he had appeared at the registrar's office. If this is not practicable, the person may register in the following manner:

"He shall make application in writing to the registrar for the forms necessary for registration. The registrar shall furnish the applicant with an affidavit form upon which such person shall provide the information necessary for registration, which form shall contain the following, in addition to

the information and statements prescribed in Section 56e of this Code: 'Because of sickness or physical disability I am unable to register in person. The nature of the sickness or physical disability is

The applicant shall sign and swear to the affidavit before an officer authorized to administer oaths, and shall also sign the identification card in the presence of such officer, and shall return the affidavit and identification card to the registrar.

"If any person eligible to register is absent from the county of his residence and expects to be absent on all days allowed by law for registration prior to thirty days preceding the next election, he may register in the manner outlined in the preceding paragraph, and the affidavit form shall contain the following: 'I am unable to register in person because I am absent from the county of my residence and expect to be absent on all days allowed by law for registration prior to thirty days preceding the next election.'

"When the affidavit and identification cards are returned to the registrar, the registrar shall transfer the information to an original and duplicate registration record form and shall forward the forms to the applicant for his signature, above which shall be the following certificate: 'I hereby certify that the information recorded on this form is true.' When the original and duplicate registration record forms are returned to the registrar, the person shall be deemed to have completed his registration. The registrar shall note on the records that registration was effected through an affidavit of absence, sickness or physical disability, and shall attach the affidavit to the duplicate registration record form, to be filed in the county registration file. The registrar shall complete the information on the voter identification card and mail the card to the voter.

"56h. Vote by members of Armed Forces, etc., without registration

"If any person within either of the classes of persons enumerated in this section is eligible to register but has failed to do so, and is otherwise eligible to vote absentee by mail on the ground of expected absence from the county, he may vote without registration by sending a Federal Post

"2. Civilian employees of the United States in all categories serving outside the territorial limits of the United States, and their spouses when residing with or accompanying them.

"56i. Challenge of applicant

"Any person applying for registration may be challenged by the registrar or deputy registering him or by any registered voter of the county. If after hearing and considering the challenge the officer taking the application is satisfied as to the applicant's entitlement to registration, he shall register the applicant, but if not so satisfied, he shall refuse to register the applicant. If refusal has been by a deputy registrar, the applicant may appeal to the registrar, who shall decide the challenge within seven days. When the registrar refuses to register an applicant, the applicant may appeal from the decision of the registrar to the district court within thirty days after the registrar's decision, and the decision of the district court shall be final. The court shall give priority to the appeal if an election is pending within sixty days.

"56j. Challenge of registered voter

"Any registered voter may challenge the registration of any other registered voter in his county at any time by submitting in writing to the registrar a statement setting for the grounds of the challenge and requesting cancellation of the challenged voter's registration. The registrar shall notify the challenged voter of the filing of the challenge and shall furnish him with a copy thereof, and shall set a date for a hearing, which shall be not less than ten days nor more than thirty days after the notice. The registrar shall decide the challenge within seven days after the hearing. Either party may appeal from the decision of the registrar to the district court within thirty days after the registrar's decision, and the decision of the district court shall be final. The court shall give priority to the appeal if an election is pending within

sixty days. A challenged voter may continue to vote until a final decision is made cancelling his registration. Nothing in this section shall prevent challenge in an election contest of a voter's qualification and eligibility to vote.

"56k. Cancellation of registration upon death, adjudgment of insanity, conviction of felony, or adjudgment or ineligibility in an election contest

"Subdivision 1. Not later than the fifteenth day of each month, each local registrar of deaths in this State shall furnish to the registrar of voters of the county of residence of the decedent an abstract of the death certificate of each decedent over twenty-one years of age who was a resident of this State at the time of death, showing the name, age, sex, nativity, place of residence, date of death, and place of death. Upon receipt of such record, the registrar of voters shall cancel the registration of any such person who is registered as a voter in his county.

"Subdivision 2. Not later than the fifteenth day of each month, the clerk of each county court or probate court in this State shall furnish to the registrar of voters of the county of residence of the person so adjudged, an abstract of each final judgment adjudging a person over twenty-one years of age and resident within this State to be mentally ill and mentally incompetent, showing the person's name and permanent address and any other available information which will assist in identifying the person in the voter registration files. Upon receipt of such record, the registrar shall cancel the registration of any such person who is registered as a voter in his county.

"Subdivision 3. Prior to January 31 of each year, the registrar shall examine the records of all courts in his county having jurisdiction of the trial of felony crimes, and shall cancel the registration of any registered voter who is convicted of a felony.

"Subdivision 4. Upon receipt of a certified copy of a final judgment in an election contest proceeding, adjudging a registrant not to be a qualified voter, the registrar shall cancel his registration.

"Subdivision 5. Whenever a registration is cancelled under the provisions of Subdivision 2, 3, or 4 of this section, the registrar shall immediate-

ly mail a notice of the cancellation to the registrant at the address shown on his registration record.

"56l. Change of residence within county

"A registered voter who changes his place of residence within the precinct shall notify the registrar of the change of address and shall present his voter identification card to the registrar and the registrar shall make the necessary change on the registration records and on the identification card.

"A registered voter who changes his residence to another precinct within the county shall request the registrar to transfer his registration to the precinct of his new residence at least four days before any election at which he offers to vote, and unless the voter has done this and his name appears on the certified list of registered voters of the precinct of his new residence, he shall not vote. The voter shall appear in person before the registrar and present his voter identification card and shall make written affidavit of the change of residence, or he shall send his identification card and the sworn affidavit to the registrar by mail. Thereupon the registrar shall make the necessary changes on the registration record forms and on the identification card, and shall transfer the voter's precinct registration record form to the precinct registration files for the precinct of his new residence, and shall return the identification card to the voter.

"56m. Change of residence to another county

"A registered voter who moves from one county to another must re-register in the county of his new residence in the same manner as an initial registrant. The voter shall inform the person registering him of his prior registration in the county of his former residence, which fact shall be noted on the new registration record forms of the voter. The registrar of the county in which the new registration is accomplished shall forthwith notify the registrar of the county wherein the voter was formerly registered that the voter has changed his registration to the county of his new residence. Upon receipt of such notice, the registrar of the county wherein the voter was formerly registered shall cancel the former registration.

"56n. Disposition of records upon cancellation of registration

"Upon cancellation of the registration of a voter, the registrar shall remove the voter's registration record forms from the county and precinct registration files and shall attach the duplicate form to the original form and file them alphabetically in the cancelled registration file. The forms shall be preserved for a period of five years after cancellation, and may then be destroyed.

"56o. Change of name

"Any registered voter who changes his name through marriage or judgment of a competent court shall file a sworn affidavit of such change with the registrar and apply for registration under his new name. New registration record forms shall then be prepared and executed and a new identification card shall be issued to the voter, and the old records shall be placed in the cancelled registration file. If otherwise qualified, the voter shall be eligible to vote under the new registration at any election held more than four days after the registration is completed, and may vote under the former registration at any election held within four days after the new registration.

"56p. Renewal of registration by voting

"Beginning March 1, 1968, whenever a voter votes in any election held within the election precinct of his residence during a voting year for which he is registered, his registration shall be automatically renewed for the ensuing voting year unless, prior to the beginning thereof, the registration has been cancelled under some provision of this Code.

"Beginning on March 1, 1968, the registrar shall be furnished with the list or lists of registered voters used at each election held within his county, not later than sixty days after the date of the election. The duty of furnishing the lists shall rest upon the appropriate officer, as follows: the county clerk in elections held by the county; the city secretary or city clerk in elections held by a municipality; the presiding officer of the governing board of the political subdivision holding the election in elections held by other political subdivisions; and the chairman of the county executive committee in primary elections held by a political party. If for any reason the officer furnishing the

lists requests that the lists be returned to him, the registrar forthwith shall cause a machine copy to be made and shall return the original to the officer furnishing it. From these lists, the registrar shall make a record in the precinct registration files of the voters who voted at such elections.

"Prior to the first day of January of each year, beginning with the year 1969, the registrar shall examine the registration records to determine which persons did not vote at an election during that voting year and shall mail to each such person, at the address shown on the registration record, a notice that it will be necessary for him to re-register if he wishes to vote at elections to be held during the ensuing voting year, but that he may re-register by furnishing the registrar, before the following 31st day of January, with a written, signed statement that he is still a qualified elector of the county and wishes to continue his registration, and by furnishing the registrar with any change of address or other information necessary to bring his registration record up to date. If the registrant requests re-registration before the following 31st day of January, the registrar shall make a notation of the re-registration on the precinct registration record and shall place it with the precinct record cards of new registrations for the ensuing voting year, and shall attach the request for re-registration to the duplicate registration record form in the county registration file.

"Prior to the first day of February of each year, beginning with the year 1969, the registrar shall mail to each voter who voted at an election during that voting year a notice stating that his registration will be renewed for the ensuing voting year unless the registrant is no longer a qualified voter of the county, and requesting him to furnish the registrar with any change of address or other information necessary to bring his registration record up to date."

"56g. Lists of registered voters

"Subdivision 1. Before the first day of each voting period, the registrar shall prepare for each election precinct of the county a certified list of registered voters who were registered as of the first day of February of that year, arranged alphabetically by the names of the voters and show-

ing the following information for each voter: registration number, name, address, and occupation. Before making up the lists, the registrar shall extract from the active precinct registration files the registration record cards of all persons whose registration was automatically renewed by having voted during the current year, and shall place them with the new registrations for the ensuing year. (The precinct and county record cards of persons who failed to vote during the voting year and who failed to renew their registration as provided in Section 56p of this Code shall be placed with the cancelled records and shall be preserved for a period of three years from the end of the last voting period for which the registration was effective, after which time they may be destroyed.)

"For each general, special, or primary election held within the county during the voting year for which the lists are prepared, the registrar shall deliver to the board, executive committee, or other authority having the duty of furnishing supplies for the election, one set of such lists for all precincts in the county if the election is county-wide, and one set of such lists for all precincts wholly or partially within the boundaries of the particular political subdivision if the election is less than county-wide. The registrar shall also furnish to each such authority, not less than two days prior to each election held by it, certified supplemental lists in the form herein prescribed of registered voters in each precinct whose names do not appear on the original list for such precinct, together with lists of the names of all persons whose registration has been cancelled or transferred to another precinct since preparation of the original lists. The authority shall furnish to the presiding judge in each precinct the original and supplemental lists of voters in his precinct at the time it furnishes other election supplies. Prior to the opening of the polls, the presiding judge shall strike from the original list the names of persons whose registration has been cancelled or transferred to another precinct.

"The registrar shall furnish without charge to each clerk having the duty of conducting absentee voting in any election the appropriate lists for use in the conduct of absentee voting for the election.

"No charge shall be made for lists furnished for use in elections held at the expense of the county or any city or other political subdivision. For each set of original and supplemental lists which the registrar is required to furnish to the executive committee of a political party for use in its primary elections, the registrar shall be permitted to charge not more than five dollars, to be paid by the party or the chairman so ordering the lists, which charge shall be in full for both the original lists and the supplemental lists. The registrar shall also furnish to the county executive committee of each political party, for any year in which such party is holding precinct conventions, one set of the original and supplemental lists for use in qualifying persons to participate in such conventions, for which the registrar shall be permitted to charge not more than five dollars.

"It shall be permissible for the registrar to furnish additional copies of the original and supplemental lists for each election, and it shall be permissible for the election officers to use such additional lists for making up the poll list for the election when furnished in suitable form for that purpose.

"In addition to other registration records which the registrar is required to maintain, the registrar may maintain an auxiliary record of registered voters on punched cards or in other appropriate manner for producing lists of registered voters on data processing equipment, and may furnish lists of registered voters prepared by such method. In lieu of making supplemental lists for an election, he may furnish a revised complete list of registered voters for each precinct, reflecting changes in the original list which are required to be shown by the supplemental lists.

56r. Abolition of precinct or alteration of boundary

"In the event the precinct in which a registered voter resides is abolished or has its boundary altered, the registrar shall change the voter's registration record forms to show him to be registered in the proper precinct without any request from such voter, and shall mail notice of such change to each voter affected. If the registrar is unable to determine the proper precinct of a voter from the information on the registration record forms, he shall mail a request to the voter for

such additional information as will enable him to determine the proper precinct, and until such information is received he shall not place the voter's name on the list of registered voters for any precinct. Changes in precinct boundaries shall not become operative in the holding of elections until the first day of the voting biennium following the order of the commissioners court making the change.

"56s. Statement of registrations

"Prior to the fifteenth day of March of each year, the registrar shall make a statement to the Secretary of State and to the county clerk showing the number of voters registered in each election precinct in the county as of the first day of March of that year. Such statement shall become a record of the officer to whom the statement is made.

"56t. Penalty for false statement in affidavit

"Any person who wilfully makes any false statement in an affidavit executed under any provision of the foregoing registration law (Sections 56a through 56s of this Code) shall be deemed guilty of a felony and upon conviction shall be punished by confinement in the state penitentiary not less than two nor more than five years. The fact that an oath was not administered, or was administered in an irregular manner or by one not authorized to administer oaths, shall not be a defense to a prosecution under this section."

Section 2. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Section 34 of the Election Code of the State of Texas (compiled as Article 5.02 of Vernon's Texas Election Code) is amended to read as follows:

"34. Qualification and requirements for voting

"Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one years and who shall be a citizen of the United States and who shall have resided in this State one year next preceding an election and the last six months within the district or county in which such person offers to vote, shall be deemed a qualified elector. Except as provided in Section 56h of this Code, no person shall be eligible to vote at any election held within this State unless he is a qualified elector at the election and has

registered as provided in this Code. These requirements as modified by Sections 35 and 39 of this Code, shall apply to all elections, including general, special, and primary elections, whether held by the State, by a county or other political subdivision of the State, or by a political party."

Section 3. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Sections 89 and 90 of the Election Code of the State of Texas (compiled as Articles 8.07 and 8.08 of Vernon's Texas Election Code) are amended to read as follows:

"89. Voter shall present identification card

"No person shall be permitted to vote unless he first presents to the election officer his voter identification card, provided for in Section 56f of this Code."

"90. Poll list and signature roster; acceptance of voter

"There shall be kept at each polling place a poll list and a signature roster of persons voting at the election. The poll list shall be made up in number of copies required by law, consisting of an original and carbon copies thereof, which shall be distributed as provided elsewhere in this Code. The signature roster shall be made up as an original and one carbon copy thereof.

"When a person offers to vote, he shall present his voter identification card to an election officer and the election officer shall announce the voter's name and shall ascertain that the voter's name appears on the list of registered voters, and shall then require the voter to sign and fill out the signature roster, which shall show the voter's name, address, and registration number. The election officer shall compare the signature on the signature roster with that on the identification card, and if he finds that they correspond, an election officer shall enter the voter's name and registration number on the poll list and shall note on the list of registered voters that the voter has voted at that election. If the election officer finds that the signatures do not correspond, he shall challenge the voter, and the voter shall not be allowed to vote unless he complies with the procedure prescribed by this Code for acceptance of the vote of a challenged voter. The election officer shall make a notation of the challenge on the signature roster, together with a notation

of the action taken thereon. If the voter is allowed to vote, the word 'challenged' and the name and address of the party testifying under oath as to the voter's qualifications shall be written on the poll list opposite the name of the voter. If a voter is unable to sign his name, his name shall be entered on the poll list without any entry being made on the signature roster, and such fact shall be noted on the poll list. In each case the voter's identification card shall be returned to him.

"After the polls are closed, the original copy of the signature roster shall be attached to and returned with the copy of the poll list which is intended for inspection by the public, and the carbon copy of the signature roster shall be retained by the presiding judge, who shall keep it for sixty days, subject to the inspection of anyone interested in the election."

Section 4. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Section 37 of the Election Code of the State of Texas (compiled as Article 5.05 of Vernon's Texas Election Code) is amended by adding thereto a new subdivision numbered Subdivision 2b, reading as follows:

"Subdivision 2b. Voter identification card to accompany application for absentee ballot.

"Except as provided in Subdivision 2a of this section and in Section 56h of this Code, every application for an absentee ballot shall be accompanied by the voter's identification card, provided for in Section 56f of this Code, or by his written signed statement that his identification card has been used in applying for an absentee ballot in another election (stating the nature and date of the election) and has not been returned to him. All references in this Code to the poll tax receipt or exemption certificate of an absentee voter shall be construed to mean the voter's identification card, except that an affidavit in lieu thereof shall not be allowed."

Section 5. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, the Election Code of the State of Texas is amended by adding thereto a new section numbered 56u, to read as follows:

"56u. Construction of terms

"Whenever, under any provision of this Code or of any other statute of

this State heretofore enacted, a person is required to have paid a poll tax or secured an exemption certificate as a qualification for any purpose, such statute shall be construed to require that the person be registered as a voter in accordance with the provisions of this chapter, unless the context clearly requires otherwise. All references to a poll tax receipt or any exemption certificate as evidence of eligibility to vote shall be construed to mean the voter identification card provided for in Subdivision 1 or Subdivision 2 of Section 56d or in Section 56f of this Code, and all references to the list of qualified voters shall be construed to mean the list of registered voters provided for in Section 56q of this Code."

Section 6. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, subdivisions (4) and (5) of Section 179a of the Election Code of the State of Texas (compiled as Article 13.01a of Vernon's Texas Election Code) are amended to read as follows:

"(4) To be a qualified member of an organized political party and to participate in its conventions, a voter shall have become affiliated with the party as provided in this subdivision.

"(a) The applicant for party affiliation of a party holding primary elections shall become a qualified member of the party when he has voted in that party's primary or has affiliated with the party in the manner prescribed in subparagraph (iii) of this paragraph.

"(i) At the head of the signature roster for each primary election there shall be printed the following statement: 'I swear that I have not voted at a primary election or participated in a convention of any other political party during this year.' The presiding judge, or another election officer designated by the presiding judge, shall place each voter under oath and require him to swear to this statement before he signs the roster. The presiding judge or another election officer designated by him shall issue to each voter in a general primary election, and to each voter in a second primary election who requests it, a certificate in the following form:

Date _____

 (Name of voter) has voted in the pri-

mary election of the _____ Party.

Presiding Judge, Precinct No. _____,
 County, Texas.

"(ii) In the event a voter shall vote by absentee ballot in a primary election, in addition to other matter required by Section 37 of this Code, the affidavit executed by the voter shall contain the statement set out in subparagraph (i) above. The county clerk shall furnish to each voter in a general primary election, and to each voter in a second primary election who requests it, a certificate in the form prescribed in subparagraph (i), signed by the county clerk in lieu of the presiding judge. If the voter is voting by personal appearance, the county clerk shall deliver the certificate to the voter at the time he votes. If the voter is voting by mail, the clerk shall mail the certificate to the voter upon receipt of the voted ballot.

"(iii) To become a qualified member of a party holding primary elections in order to participate in any party convention held prior to the general primary election, the applicant shall present his voter identification card to the precinct chairman of the party and state under oath that he has not participated in a convention of any other political party during that year and that he desires to affiliate with the party to which he is applying for affiliation. Thereupon, the precinct chairman shall issue to the voter a certificate in the following form:

Date _____

 (Name of voter) has affiliated with
 the _____ Party for the
 current year.

Precinct Chairman, Precinct No. _____,
 County, Texas.

"(b) To become a qualified member of a party not holding primary elections and to participate in its conventions, the applicant for party affiliation shall present his voter identification card to the precinct chairman of the party and state under oath that he has not voted at a primary election or participated in a convention of any other political party during that year and that he desires to affiliate with the party to which he is applying for affiliation. Thereupon, the precinct chairman

shall issue to the voter a certificate in the form prescribed by subparagraph (iii) of paragraph (a) of this subdivision.

"(5) Once a voter has affiliated with a party in a manner prescribed in subdivision (4) of this section, he shall remain a qualified member of such party for the duration of that calendar year. A certificate issued by the presiding judge, the county clerk, or the precinct chairman as provided in subdivision (4) shall serve as evidence that the person whose name appears thereon has affiliated with the party and is therefore eligible to participate in its conventions. All judges and clerks of primary elections and all precinct chairmen shall have authority to administer the oaths required for party affiliation. Any person who swears falsely to a statement that he has not voted at a primary election or participated in a party convention of any other party, as required by subdivision (4) shall be fined not less than one hundred dollars nor more than five hundred dollars."

Section 7. Effective upon the date provided in Section 8 of this Act and conditioned as provided therein, Sections 34a, 41, 42, 43, 44, 45, 46, 46a, as added by Acts 1965, 59th Leg., Ch. 378, Sec. 1, 47, 48 48a, as added by Acts 1965, 59th Leg., Ch. 678, Sec. 10, 49, 50, 51, 52, 53, 54, and 56 of the Election Code of the State of Texas (Articles 5.02a, 5.09-5.22, and 5.24, of Vernon's Texas Election Code) are repealed. The repeal of Section 41 of the Election Code shall not affect liability for payment of a poll tax or the continued existence and force of Article 2.01 of Title 122A, Taxation—General, of the Revised Civil Statutes of Texas. All other laws requiring the payment of a poll tax or the obtaining of a certificate of exemption from the payment thereof shall be of no further force to require that the tax be paid or that an exemption certificate be obtained as a prerequisite for voting, but all such laws shall be construed as provided in Section 56u of the Election Code, enacted by Section 5 of this Act.

Sec. 8. (a) Sections 1 through 7 of this Act shall become effective and operative as a law upon the happening of either of the following contingencies, which ever first occurs:

(1) if the Constitutional Amend-

ment abolishing payment of the poll tax as a prerequisite for voting as proposed by H. J. R. No. 13, 59th Legislature, Regular Session, 1965, becomes a part of the Constitution of Texas; or

(2) if the Supreme Court of the United States affirms or refuses to review the judgment of the United States District Court for the Western District of Texas, Austin Division, in Civil Action No. 1570, styled United States of America v. The State of Texas, et al., or if by other action taken upon appeal of that case the Supreme Court rules that the provisions of the Constitution and statutes of this State requiring payment of a poll tax as a condition for voting in state and local elections are in violation of the Constitution of the United States.

(b) If neither of these contingencies occurs, Sections 1 through 4 of this Act shall not become effective or operative in whole or in part.

(c) If the contingency first stated above occurs prior to occurrence of the second contingency, Section 1 of this Act shall become effective on October 1, 1967, and Sections 2 through 7 shall become effective on February 1, 1968.

(d) If the second contingency occurs prior to occurrence of the one first stated, the Attorney General of Texas shall certify its occurrence to the Governor and to the Secretary of State of the State of Texas, and the Governor forthwith shall issue his proclamation declaring that Sections 1 through 7 of this Act will take effect as stated herein, and shall file the proclamation with the Secretary of State; whereupon Section 1 of this Act shall become effective on the date that the Governor's proclamation is filed, or on October 1, 1966, whichever is the later date; and Sections 2 through 7 shall become effective on February 1, 1967, or on the effective date of the Supreme Court's decision, whichever is the later date.

Sec. 9. (a) The Election Code of the State of Texas is amended by adding a new section to be numbered 34b, reading as follows:

"34b. Registration and Voting without Payment of Poll Tax—Temporary Provisions

"(a) Notwithstanding any other provision of this Code or of the Constitution of this State, a person who is subject to the payment of the poll

tax but who has not obtained a poll tax receipt or an exemption certificate entitling him to vote in federal, state, or local elections for the election period ending January 31, 1967, but who is in other respects a qualified elector, may apply to the tax collector of the county of his residence at any time during the fifteen-day period beginning on the seventh day after the effective date of this Section, for issuance of a conditional voter registration certificate without payment of any fee or tax, to be used to identify him in voting at elections held before February 1, 1967.

“(b) The applicant shall furnish to the tax collector all the information necessary to enable the tax collector to fill out the blanks in the poll tax receipt, and the tax collector shall issue the receipt as in cases where the poll tax is paid, except that he shall place the notation ‘CONDITIONAL VOTER REGISTRATION CERTIFICATE’ on the face of the original and duplicate receipts. The application may be made in either of the manners authorized in Section 43 of the Texas Election Code (Article 5.11, Vernon’s Texas Election Code), and all laws pertaining to the issuance of poll tax receipts shall apply to issuance of certificates under this Section insofar as they can be made applicable, except as otherwise provided in this Section.

“(c) As soon as possible after the close of the registration period prescribed by subsection (a) of this Section and not later than May 2, 1966, the tax collector shall prepare certified lists of persons registered under the provisions of this Section, and thereafter shall furnish such lists to the election boards of the county for use in elections conducted before February 1, 1967, subject to subsections (d) and (e) of this Section. However, no person who presents himself to vote in an election held before May 3, 1966, who has duly registered and who presents his registration certificate to the officers conducting the election shall be denied the opportunity to vote solely because his name does not appear upon a list of registered persons.

“(d) A person who is issued a certificate under this Section shall be entitled to vote in any election held before February 1, 1967, provided there is in effect on the date of the elec-

tion a decision of the United States District Court or of the Supreme Court in Civil Action No. 1570, Western District of Texas, styled United States of America v. The State of Texas et al., so as to make invalid the payment of a poll tax as a condition for voting.

“(e) If the said decision is reversed, suspended or stayed prior to the date of any election and is not in effect at the time of such election, no person so issued a certificate under this Section shall be entitled to vote at any such election.

“(f) If the provisions stated in (d) above are in effect and the conditions stated in (e) do not occur or are not in effect, then the following classes of persons shall be deemed to be duly registered as voters during the period to which this Section 9 is applicable, and no distinction shall be made between the classes:

“(1) any person who paid the poll tax and was issued a poll tax receipt, entitling him to vote in elections held during the voting year ending January 31, 1967;

“(2) any person who was issued an exemption certificate based on overage, under Section 48 of the Texas Election Code, entitling him to vote in elections held during the voting year ending January 31, 1967, and any overage person entitled by law to vote without obtaining an exemption certificate;

“(3) any person who was issued an exemption certificate based on nonage or nonresidence, under Section 49 of the Texas Election Code, entitling him to vote in elections held during the voting year ending January 31, 1967;

“(4) any person who was issued a poll tax receipt without payment of the tax, under Section 34a of the Texas Election Code, entitling him to vote for federal officers only, in elections held during the voting year ending January 31, 1967; and

“(5) any person who was issued a conditional voter registration certificate under this Section.

“(g) In the conduct of elections held during a period when the above-described decision is in effect, voters, who have been issued certificates under this Section shall be subject to the same provisions of law with respect to voting procedures as voters

holding regular poll tax receipts, and all references in such laws to a poll tax receipt shall be construed to include a registration certificate issued under this Section."

(b) This Section shall become effective from and after its passage or as soon thereafter as permitted by the Constitution of Texas. It shall expire on February 1, 1967.

Sec. 10. If any provision of this Act or the application thereof to any person or circumstance is held invalid, this invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Sec. 11. The necessity for immediate enactment of a voter registration law in order to avoid having to conduct elections without voter registration lists, arising from the recent judgment of the United States District Court for the Western District of Texas that the provisions of Texas law requiring payment of a poll tax as a condition for voting are invalid and the possibility of affirmance of that judgment by the Supreme Court of the United States, creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and that this Act shall take effect and be in force as hereinabove provided, and it is so enacted.

Amend Senate Bill No. 1 in the following respects:

(1) By striking out all of Section 6 and by substituting therefor the following:

"Sec. 6. EFFECTIVE DATE; CONTINGENCY. Sections 1 through 4 of this Act shall become effective and operative as a law if the Supreme Court of the United States affirms or refuses to review the judgment of the United States District Court for the Western District of Texas, Austin Division, in Civil Action No. 1570, styled United States of America v. The State of Texas, et al., or if by other action taken upon appeal of that case the Supreme Court rules that the provisions of the Constitution and statutes of this State requiring payment of a poll tax as a condition for voting in state and local elections are in violation of the Constitution of the United States. If this contingency occurs, the Attorney General of Texas shall certify its occurrence to the Governor and to the Secretary of State of the State of Texas, and the Governor forthwith shall issue his proclamation declaring that Sections 1 through 4 of this Act will take effect as stated herein, and shall file the proclamation with the Secretary of State; whereupon Section 2 of this Act shall become effective on the date that the Governor's proclamation is filed, or on October 1, 1966, whichever is the later date, and shall expire on September 1, 1967; and Sections 1, 3, and 4 shall become effective on February 1, 1967, or on the effective date of the judgment, whichever is the later date, and shall expire on January 31, 1968."

Whereas, The five-star admiral, who was jumped over 24 admirals to become commander-in-chief of the Pacific Fleet after the Japanese attack on Pearl Harbor, became a legendary figure during his island-hopping campaign which involved a thousand ships and two million men in a war theater covering 65 million square miles; and

Whereas, After assuming command of the Pacific Fleet on December 31, 1941, Admiral Nimitz assembled a fighting force and turned to the attack, beginning with the Battle of the Coral Sea May 4-8, 1942; and

Whereas, The decisive three-day air-sea battle off Midway June 3-6, 1942, has been termed the turning point of the Pacific war; and

Whereas, During the early stages of the war, he commanded sea, land and air forces in most of the Pacific, while General Douglas MacArthur commanded those in the Southwest Pacific, and later commanded all sea forces; and

Whereas, When the war ended, Admiral Nimitz became Chief of Naval Operations and demobilized all but a fraction of history's most powerful navy, which he had helped to build; and

Whereas, He became a fleet admiral on December 19, 1944, five days after Congress created the rank, and, as such, he never retired; and

Message from the House

Hall of the House of Representatives
Austin, Texas,
February 22, 1966.

Hon. Preston Smith, President of the Senate.

Sir: I am directed by the House to inform the Senate that the House has passed the following:

H. B. No. 1, An Act relating to registration of voters; amending the Election Code of the State of Texas to provide a general registration system conditioned on the adoption of an amendment to the Constitution of the State of Texas abolishing payment of the poll tax as a prerequisite for voting or upon a ruling by the Supreme Court of the United States invalidating payment of a poll tax as a requirement for voting in State and local elections; defining certain criminal offenses relating to regis-

tration, and providing penalties therefor; providing for a temporary period of registration and prescribing conditions on voting after such registration; and declaring an emergency. (With amendments.)

Respectfully submitted,

DOROTHY HALLMAN,
Chief Clerk, House of Representatives

Resolutions Signed

The President signed in the presence of the Senate after the captions had been read, the following enrolled resolutions:

H. C. R. No. 5, In memory of Congressman Albert Thomas.

H. C. R. No. 6, Congratulating the "Five Outstanding Young Men of Texas."

H. C. R. No. 11, Congratulating James H. Hartzog on his outstanding career as director of the Port of Beaumont.

H. C. R. No. 12, Congratulating Miss Jan Brown of Harper, Texas, as "Miss National Rural Electrification."

Senate Resolution 53

Senator Hardeman offered the following resolution:

Whereas, There was born on this date 234 years ago, the "Father of Our Country"—a man destined to lead his fellow-colonists in the founding of a new nation, "conceived in liberty, and dedicated to the proposition that all men are created equal," and in which neither lawlessness nor tyranny would be tolerated, nor would legislative alchemy be encouraged; and

Whereas, Through the intervening years, from his birth to his acceptance of command of the colonial troops on Boston Square, his character was forged through his experiences as surveyor, as military strategist, and as a student of history and of governments, and gave him the strength, the patience and the will necessary to inspire his troops, as well as instill confidence in the people for the cause which he espoused; and

Whereas, In the depths of despair as at Valley Forge and with cabals

by subordinates and contemporaries annoying him, with the Continental Congress unable to supply his bedraggled troops and hope all but gone, his brilliant military strategy emerged as he gained victory through daring and dangerous feats and personal bravery, resulting in the capitulation of Cornwallis at Yorktown on October 19, 1781; and

Whereas, As the fate of the Revolution hung in the balance, the ineffectual Articles of Confederation preserved the idea of union, for which they deserve the respectful consideration of the American people, a constitutional convention was called over which General Washington was called to preside and from which convention in 1787 "the greatest document ever struck off by the brain and purpose of man," so described by William E. Gladstone, emerged as the charter of the American people and was submitted on September 17 of that fateful year, and following its adoption, George Washington was called from retirement to be President of the newly founded Republic and took the oath of office on April 30, 1789 in New York City; and

Whereas, Without precedent to guide him, he set the young Republic on a safe course and set the pattern with his great ability and wisdom and gave to the Presidency of these United States a dignity which bespoke royalty, while at the same time imbuing the office with a spirit of humility that endeared him to the American people and led the orator of the period to express the respect of the people by declaring General Washington to be "First in war, first in peace, and first in the hearts of his countrymen"; and

Whereas, It is the desire of the Senate of the State of Texas of the 59th Legislature in Special Session to pay tribute to this great American, by pausing to recognize his strength of character, his contributions to our country, his benign dignity and understanding heart; now, therefore, be it

Resolved by the Senate of the State of Texas of the 59th Legislature in Special Session, That it does hereby officially recognize those characteristics and that when the Senate adjourns today, it do so in memory of him who "put only Americans on guard," thereby setting a precedent

for his contemporaries and his successors and who always thought of himself as the "Most Obed. Hbld. Serv.t" of the people of the United States.

The resolution was read and was adopted.

Senate Concurrent Resolution 9

Senator Hall offered the following resolution:

S. C. R. No. 9, Commending and extending congratulations to Plano High School "Wildcats" on winning 1965 Texas State AA Football Championship.

Whereas, The Plano High School "Wildcats" won the 1965 Texas State AA Football Championship; and

Whereas, The team so ably demonstrated week after week the great teaching and instructions of their coaching staff, Head Coach Tom Gray, Varsity Assistants John Clark and Jack Cockrell, Assistant Coaches Sherman Millendes, Jake Swann, Keith Sockwell, and Carl Radford; and

Whereas, The Wildcat team and their managers included a veritable galaxy of stars unmatched in many ways in the annals of football, but particularly outstanding and superior in their ability to function as a team, a unit, a winner; and

Whereas, Those men of courage were by name: Gary Beard, Tommy Skelton, Danny Minton, Jimmy Meriman, David Peters, Steve Christie, Allen Frazier, Mike Loader, Johnny Pool, Bill Fondren, Jimmy Reed, Mike Johnson, Mike Wheeler, James Smithson, Johnny Johnson, Larry Faught, Willie Prince, Gene Berry, Kenneth Davis, Rodney Haggard, Don Herrin, Kenneth Bangs, Neal Olson, Johnny Robinson, Steve Landers, Kent Stout, Hugh Erwin, Ronny Davis, Carl Grey, Jerry Hayes, and John Griggs; and

Whereas, The indomitable spirit of those "Wildcats" carried them above and beyond their normal physical abilities through the football season of 1965 to the fantastic finish of the Championship Game in our great Capital City, Austin, Texas, on December 18, 1965, wherein the score was a thrilling 20-17; and

Whereas, The record built by these

young men endures and shall continue to provide inspiration for their families and many friends as a symbol of the true character and good American spirit; now, therefore, be it

Resolved by the Texas Senate, the House concurring, That the Legislature commends the Plano High School football team, its coaches, managers, and supporting student body and faculty for winning the 1965 Class AA State Football Championship and extends best wishes for the future; and, be it further

Resolved, That an official copy of this Resolution be forwarded to Plano High School in recognition of their great achievement by the Texas Legislature in its First Special Session of the 59th Legislature.

Connally to Joint Session**

The President announced the appointment of the following as a Committee to escort Governor John Connally to the Joint Session pursuant to the provisions of H. C. R. No. 17:

Senators Dies, Calhoun, Creighton, Hazlewood, and Reagan.

Joint Session

(To hear address of Governor
John Connally)

The President of the Senate and

the Senators present escorted by the Sergeant-at-Arms and the Secretary of the Senate proceeded to the Hall of the House of Representatives at 3:00 o'clock p.m. to hear the address of the Honorable John Connally, Governor of Texas, pursuant to the provisions of H. C. R. No. 17.

On invitation of the Speaker, the President occupied a seat on the Speaker's Rostrum.

The Senators were announced and were admitted and escorted to seats prepared for them along the aisles.

The President called the Senate to order, and announced a quorum of the Senate present.

The Honorable Ben Barnes, Speaker of the House of Representatives, called the House to order, stated the purpose of the Joint Session and announced a quorum of the House present.

The Honorable John Connally, Governor of the State of Texas, was announced by the Doorkeeper of the House.

The Governor's party was escorted to the Speaker's Rostrum by Senators Dies, Calhoun, Creighton, Hazlewood and Reagan, on the part of the Senate, and Representatives Pendleton, Edwards, Solomon, Scroggins and Duggan, on the part of the House.

The Speaker presented His Excellency, the Honorable John Connally, Governor of the State of Texas.

Governor Connally addressed the Joint Session as follows:

Mr. Speaker, Mr. President, Distinguished Members of the Senate and House, Ladies and Gentlemen:

This is the second time in ten days that I have had the privilege of addressing you, and I am grateful for the opportunity which you have accorded me to again be here today to express to you my personal thanks and congratulations for myself and for all the people of Texas for the expeditious manner in which you have disposed of an emergency which was the cause for the call of this Special Session. I think again the 59th Session of the Legislature has demonstrated its leadership and states-

manship in facing up to and solving responsibilities which it sees. In writing the voter registration bill which you have written and which you have finally passed, I think you have provided for an honest, a fair, and a reasonable bill. I think it is a bill that is calculated to encourage the exercise of the rights to register and to vote on behalf of all the people of this State. It is based upon the premise that the people of Texas are an intelligent people and are concerned enough with the exercise of a precious right and the responsibility of government to determine their own actions without being pushed or cajoled or herded. I think it provides strong protection against fraud and dishonest elections.

Basically, it says to every man and every woman in this State that his vote is his vote and his right and not the property of someone else. This bill, as you know better than I, includes provisions from many proposals, from many sources, but together they have combined to form a bill which in my judgment will be one of the best in the nation. You have done a very necessary job. You have done it extremely well. You have done it in a statesmanlike fashion, in a manner that has characterized the entire demeanor and the behavior and the actions of this 59th Session. I think history will record and will remember this Session of the Legislature—the 59th—as the Legislature which opened new doors of education opportunity for all of the people of Texas. Under the able leadership of the Speaker of the House and Lieutenant Governor Smith, the President of the Senate, as a result of the dedicated and arduous work that the members of this House and the members of the Senate have expended in this Special Session as well as the Regular Session of 1965, you have covered much ground—you have plowed new furrows—and you have charted a new course—not only in the field of education, for you have given unprecedented support to education for our people at all levels. You have gone beyond the ordinary in doing so. You have provided facilities and resources for special schools, for migrant schools. You have created a new model of a vocational and technical school. You have supported the junior colleges to an extent never before

known in the history of Texas. You have raised the salaries of the teachers of this State. You have raised the salaries of the faculties of our educational institutions of higher learning to a unprecedented degree. So when I say that you have opened new doors of educational opportunity, I include all of these things plus the passage of an 85 million dollar loan program to make it possible for all of those who for financial reasons might not be able to partake of the opportunities of this great State. This Legislature will be remembered as one that gave new direction to the conservation of our resources, both human and natural. It will be remembered as one that turned its eyes toward new and vigorous programs for the care of the mentally ill and the mentally retarded. It will be remembered as a Legislature with the eyes to see the problems of a growing and a responsive State, whether we are talking about great industrialization, increasing our tourism, or in many, many other fields. But more than that, it will be characterized in the eyes of those who study the history of this State as a Legislature with a vision to see an even greater destiny ahead than the rich heritage of our past. It will be remembered as a Legislature with the courage to reach beyond the challenges of our own time and our own day and the problems we are confronted with in the ordinary course of our business affairs—to reach out and to anticipate the growth and problems of the future, and to have the courage to build for the future of this State and for the well-being and prosperity and enjoyment of all its people. Notwithstanding the magnificent contributions that you have made during the Regular Session of the 59th Session, and notwithstanding the speedy action which you have taken arising out of an emergency that was the cause of this First Called Session, we are still confronted with many problems. Many of you have talked to me about these problems. They are of concern to you, and they are of concern to me. Yet, we have two and a half weeks remaining of this 30-day Session. And after careful deliberation, I have concluded that notwithstanding the serious problems that confront us in some areas of activity in this State and that in light of the magnificent

job that you did during the past Regular Session of the 59th Legislature, that we have only 11 months remaining until we again convene this Legislature in its Regular Session to consider and act upon the great variety of issues which would inevitably come before us if the call of this session was expanded. I have therefore come to the conclusion that I shall not expand the call of the session. And I do so after very careful deliberation and after talking with many members of the House and Senate, getting your advice and your counsel. I do so on the final criteria, I think, that notwithstanding that we do face problems and that we are always going to face problems, none of the problems individually or collectively are of such an emergency nature that—barring the emergency of the court decision—I would not have called a Special Session for any of the purposes that have been discussed with me and about which I have thought myself. Therefore, the Session will not be expanded. And I want to finally conclude by expressing to you my profound gratitude for the conduct of this Special Session. Part of your responsibility is to be with your people in an election year—and in every year—in order that you might articulate to them what you have done in the performance of your tasks and your duties representing them and to also confer with them about the problems that they see that we need to act upon in the next Session. You will have more time to do that with the end of this Special Session now. I give you my thanks. I think I speak for all of Texas in applauding you for the exemplary fashion in which you have conducted yourselves, both personally and collectively, as a legislative body in a great State. I wish you well and Godspeed. Thank you very much.

At the conclusion of the Joint Session, the President announced at 3:22 o'clock p.m. that the purpose of the Joint Session having been concluded, the Senate would retire to its Chamber.

Senate Resolution 113

Senator Strong offered the following resolution:

Whereas, As this First Called Session of the 59th Legislature draws to a close, we realize with deep regret that some of our best friends and favorite colleagues will be leaving the Senate to follow other pursuits, one of the most likable, personable and capable among them being Senator Martin Dies Jr. of Lufkin; and

Whereas, Our friend Martin has been a member of the Senate since 1958, when he was elected over three opponents, and is now serving his third term; and

Whereas, During his tenure in the Senate, he has served as chairman and member of many important committees, and, for this Legislature, has been a member of the highly strategic Senate Finance Subcommittee, which has the responsibility of writing the Senate Appropriation Bill; and

Whereas, His fellow members have high regard for his ability, and as a mark of this appreciation of him they named him to important position of President Pro Tempore of the Senate; he has served his State as Governor on May 1, 1963; and

Whereas, Senator Dies is a young man; he was born in 1921 at Greenville, Hunt County, Texas, and attended public schools in Orange; he was graduated from Central High School, Washington, D. C., attended the University of Virginia, and re-

ceived his first degree from Stephen F. Austin College in Nacogdoches; he received his LL.B. degree from Southern Methodist University Law School in Dallas; and

Whereas, He has an outstanding war record, serving as an enlisted man and an officer in the U. S. Navy during World War II for three and a half years, and served on board the U. S. S. Suesens (DE 342) in the Pacific Theater; he also saw extensive combat and was engaged in many of the biggest battles of World War II; and

Whereas, He was admitted to the State Bar of Texas in 1947 and has practiced law in Lufkin since that time; and

Whereas, He is so well liked by the people of his district that Dam "B" State Park, in Jasper and Tyler Counties, was recently renamed "Martin Dies Jr. State Park,"; and

Whereas, His lovely wife, the former Ruth White of Lufkin, is well-known and liked by the members of this body, and their three children—two boys and one girl—are fine young people, in the tradition of the politically famous Dies family of Texas; and

Whereas, The qualities of leadership and statesmanship exhibited by Senator Dies during his service in the Senate, as well as his warm personality and friendly attitude to all, have made him a particular favorite in Capitol circles, and it is with great regret that his friends and colleagues see him leave the Senate; now therefore, be it

Resolved, by the Senate of the 59th Legislature, That this body commends Senator Martin Dies Jr. of Lufkin for his many years of dedicated and productive service to the people of his district, the people of East Texas, of the entire State; and be it further

Resolved, That a copy of this Resolution, under the Seal of the Senate, be prepared for Senator Dies, as a token of our friendship and esteem.

Hon. Preston Smith, President of the Senate.

Sir: We, your Committee on Engrossed and Enrolled Bills, to which was referred:

S. B. No. 1, An Act relating to registration of voters; amending the Election Code of the State of Texas to provide a general registration system conditioned on the adoption of an amendment to the Constitution of the State of Texas abolishing payment of the poll tax as a prerequisite for voting or upon a ruling by the Supreme

Court of the United States invalidating payment of a poll tax as a requirement for voting in State and local elections; defining certain criminal offenses relating to registration and providing penalties therefor; enacting temporary provisions and providing for a temporary period of registration and prescribing conditions on voting after such registration based on whether or not there is in effect on the date of the election a court order invalidating payment of the poll tax as a requirement for voting; and declaring an emergency.
