IMPORTANT NOTES:

- 1. Your request will be fulfilled within 10 business days or less depending on the complexity of the request and our office workload.
- 2. Payment must be received when data is picked up or before shipping or e-mail transmission
- 3. Voter registration data furnished on CD-ROM is data only. It is not a program. Persons purchasing voter registration data are responsible for obtaining sufficient hardware, software, and technical expertise to use the voter registration data. Technical support is not provided.
- 4. It is a Class A Misdemeanor to use voter registration data in connection with advertising or promotion of commercial products or services.

Updated (01-15-09)

UNLAWFUL USE OF VOTER REGISTRATION DATA

<u>Texas Election Code Section 18.008</u> <u>Copies Furnished on Request</u>

(a)	The registrar shall furnish a copy of any list prepared under this subchapter to
	any person requesting it. The copy shall be furnished without the names of voters
	whose names appear on a list with the notation "S", or a similar notation, if
	requested in that form.

- (b) The list shall be furnished as soon as practicable after the request but not later than the 15th day after the date the registrar receives the request or completes preparation of the list from which the copy is to be made, whichever is later.
- (c) If the list is recorded on magnetic tape, the copy shall be furnished in the form of a tape or printout, as requested.
- (d) The copy must be accompanied by a written notice of the criminal penalty prescribed by Section 18.009.

(a)

<u>Texas Election Code Section 18.009</u> <u>Unlawful Use of Information on Registration List</u>

A person commits an offense if the person uses information in connection with

	advertising or promoting commercial products or services that the person knows was obtained under Section 18.008.				
(b)	An offense under this section is a Class A misdemeanor.				
have read and I understand the above provisions of the Texas Election Code.
