## NEED A SPEAKER?

The Office of Consumer Credit Commissioner (OCCC) can provide your organization with a speaker and/or exhibitor at your next event—AT NO COST TO YOU! We can make a presentation to your group of at least 15 people (in English or Spanish) on important credit education topics anywhere in the State of Texas. If you would like to get more information or schedule an event, please do the following:

- Contact Consumer Education at 512-936-7624 or 800-538-1579 to confirm availability on the desired dates. The more lead time you give us, the better we can meet your needs.
- Send in a written request, detailing the upcoming event and topics you would like us to cover, to Office of Consumer Credit Commissioner, Attn: Consumer Education, 2601 N. Lamar Blvd., Austin, TX 78705. You can also fax requests to (512) 936-7610 or send an e-mail to [education@occc.state.tx.us](mailto:education@occc.state.tx.us).

We hope to hear from you soon!
