% **POP USED IN ANALYSIS** = percent of the district's population that lives in census block groups located entirely within the district or in block groups where a majority of the population lives in the district.

PER CAPITA INCOME = the average income for the district is the sum of all income in 1999 received by persons 15 years and over divided by the total number of people in the district.

POPULATION LIVING IN POVERTY = percent of the estimated total population for whom poverty is determined with 1999 income below the poverty threshold. Poverty threshold is an officially designated amount of money, set for the nation as a whole, that varies over time and depends on assessments of the cost of living, household type and size, and the number of children in a household. The average poverty threshold for a family of four in 1999 was \$17,029.

ANNUAL HOUSEHOLD INCOME -- **LESS THAN \$10,000** = percent of the estimated number of households in 1999 with a 1999 income of less than \$10,000. A household is one or more persons who occupy a housing unit and may be composed of a family, a group of unrelated persons, or a person living alone.

ANNUAL HOUSEHOLD INCOME -- \$10,000 - \$24,999 = percent of the estimated number of households in 1999 with a 1999 income between \$10,000 and \$24,999.

ANNUAL HOUSEHOLD INCOME -- \$25,000 - \$49,999 = percent of the estimated number of households in 1999 with a 1999 income between \$25,000 and \$49,999.

ANNUAL HOUSEHOLD INCOME -- \$50,000 OR MORE = percent of the estimated number of households in 1999 with a 1999 income of \$50,000 or higher.

HOUSEHOLD INCOME INCLUDES -- SOCIAL SECURITY = percent of the estimated number of households in 1999 who reported receiving social security as all or part of their annual income. A household could receive income from more than one source.

HOUSEHOLD INCOME INCLUDES -- PUBLIC ASSISTANCE = percent of the estimated number of households in 1999 who reported receiving public assistance as all or part of their annual income.

This report is one of a series of summaries prepared by the Texas Legislative Council of data reported by the U.S. Bureau of the Census from the long-form questionnaire for the 2000 census. The questionnaire was sent to one in six households nationwide. Reports compiling census data by individual district are also available (contact Redistricting Support Services at 463-6622).
