Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Montgomery - R	4,101	100.0 %	374,065	100.0 %

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.

Texas Legislative Council reports prior to 2008 generally do not include results for third party, independent, or write-in candidates. Beginning in 2008, results for all third-party and independent candidates are included, and the results for write-in candidates are summed and included as "write-in". Complete official results for all years are maintained by the office of the secretary of state.
