Volksmarch

This is a noncompetitive 3.1
mile (5 kilometer) or 6.2 mile
(10 kilometer) walk. It's not
a pledge walk, it's not a race,
it is a fun activity you do with
a club, with your family, with
your pet, or all by yourself.

The "Volksmarch" got its name
from its origins in Europe. In 1976,
the Volksmarch tradition came to the
United States as part of the nation's
Bicentennial Celebration.
