Racing Commission	461
Real Estate Commission	462
Residential Construction Commission	462
Public Utility Commission	462
Office of the Public Utility Counsel	463
Workers' Compensation Commission	463

Introduction and Summary

The Government Code (Sections 2054.008, 2166.2551, 2254.006, and 2254.0301) requires all state agencies and institutions of higher education to report to the Legislative Budget Board (LBB) information regarding any professional services, construction or consulting contract that totals \$14,000 or more, or a major information systems contract that totals \$100,000 or more. The requirement also covers any amendments, modifications, renewals, and extensions for specified contracts. Agencies are required to submit the pertinent information to the LBB no later than 10 days after entering into the contract.

In addition to the contract notification requirements contained in the Government Code, the 2004-05 General Appropriations Act (Article IX, Section 7.05) requires state agencies and institutions to report contracts that exceed \$50,000 that are not already being reported to the LBB.

During the fiscal year that ended August 31, 2004, 134 state agencies and institutions of higher education submitted information on 18,919 contracts to the LBB. These contracts represent a total value of approximately \$37.9 billion.

Ten agencies with contracts valued at \$34.1 billion represented 89.9 percent of all contracts reported (see Table 1). The top three agencies were the Texas Department of Transportation (TxDOT),

with \$12.5 billion in contracts; the Health and Human Services Commission, with \$7.2 billion, and the Teacher Retirement System, with \$5.3 billion.

For fiscal year 2004, the average number of contracts per agency (excluding TxDOT) was 94. The 10 agencies with the largest number of contracts (14,398) accounted for 76.1 percent of all contracts. The top three agencies were TxDOT, with 6,458 contracts; the Department of Human Services, with 3,881; and the Department of Health, with 1,158 (see Table 2).

The 10 contracts with the largest dollar values, collectively amounting to \$13.5 billion, represented 35.5 percent of the value of all contracts reported (see Table 3). The top three contractors were ACS State Healthcare (Health and Human Services Commission), Aetna Life Insurance Company (Texas Retirement System), and National Health Insurance Company (Health and Human Services Commission). These contracts were for \$4.0 billion, \$1.8 billion, and \$1.4 billion, respectively.

As depicted in Table 4, 51 agencies reported “no eligible contracts” in fiscal year 2004.

The detailed contract information contained in this report for state agencies and institutions is organized by government function. Specific detail is provided for the pertinent contractor, contract number, contract description, award/completion dates, and cost.

**TABLE 1
TOP 10 AGENCIES AND INSTITUTIONS WITH
LARGEST DOLLAR VALUE OF CONTRACTS**

AGENCY	DOLLAR VALUE OF CONTRACTS REPORTED
Department of Transportation	\$12,452,614,271

Construction, Consulting, Professional Services, Major Information Systems, and Other Contracts

Reported by State Agencies and Institutions of Higher Education to the Legislative Budget Board

Note: This report covers contracts awarded, completed, and/or open during FY 2004. Contract information maintained by the LBB and included in this report is from information submitted by each state agency. Although every effort was made to correct obvious errors and to avoid duplicate entries, this information has not been verified by the LBB, and some inaccuracies may exist.
