

AGENDA ITEM VI-L

Chapter 5. Rules Applying to Public Universities and/or Health-Related Institutions of Higher Education in Texas

Subchapter C. Approval of New Academic Programs and Administrative Changes at Public Universities and/or Health-Related Institutions

5.51 Publishing of Doctoral Program Data

Each public university and health-related institution with one or more doctoral programs on its program inventory shall collect and publish information on its website regarding the "18 Characteristics of Doctoral Education" as approved by the Board, on a schedule determined by the Commissioner. Each institution must develop and implement a plan for using the 18 Characteristics for ongoing evaluation and quality improvement of each doctoral program.
