## Sponsor Information Checklist

### PLEASE READ THIS CAREFULLY!

In order to make it easier for all applicants, the CRCB staff has made the following checklist to assist in preparing your application & documentation for your programs. Below are a few items that we find court reporters frequently do not have or know about in reference to Continuing Education programs, or items we have noticed sponsors may not be certain of.

### Please review the following information:

- **Program Numbers.** These are the numbers assigned by the CRCB to the Sponsor for a particular program. Please indicate "CRCB Program Number" on your brochures/certificates, etc. *Example: CRCB Program #SN2009010.* Please do not use spaces or dashes in the program number.
- **Program names.** No more than 35 characters please. Quite a few CSR's do not seem to know what the names of some programs are. Example: ABCD Midyear Seminar, Food for Thought. Sometimes they cannot tell which of the title is the actual seminar name or if it's the entire name. A suggestion would be to put "title" in the appropriate place. For example, *Title: "ABCD Midyear Seminar, Food for Thought"*
- **Hours earned for seminar.** Hours earned for programs must be listed as actual hours with increments of ½ hour. Example: 12 ½ hours would be listed as 12.5. 10 hours would simply be listed as 10 (or 10.0). Refer to [www.crcb.state.tx.us](http://www.crcb.state.tx.us) for the CE Rules and to review the conversion chart for details.
- **Completing CE Approval Forms.** When completing your approval request forms, if you have one program in several locations, it is not necessary to complete a separate application for each location. On the approval application, where it requests the location of the program, you will list all locations IF IT IS THE SAME PROGRAM. A separate application is needed for different programs.
- **Submitting Application to the Board office.** Provide 2 applications (including duplicates of all supporting documentation). In other words two complete application packets. This will save copying time on our end and allow us to forward the application in a more expeditious manner.
- **Listing clock time of instruction.** Actual clock time of instruction can be listed as a total. It is not necessary to break it down per session.
- **Listing duplicated info on application.** To save yourselves some typing, instead listing (for example under Method of Teaching to be Used) the same method for all 10+ sessions, you could indicate the method as follows: "Sessions 2, 3, 4, 5, 6, 8, 10, 11, 13, 14, & 15: Lecture and time for Q&A". "Sessions 1, 7, & 9: Panel Presentation and time for Q&A".
- **Submitting applications/documentation.** When submitting your applications and documentation please follow these simple guidelines:
  - a) Do not submit bound items. (For example: applications or documentation in spiral binding, notebooks, or folders with tabs, etc.)
  - b) Do not staple each item (resumes, outlines, etc) separately. You can staple it all together though.
  - c) Do not submit items on colored paper.
  - d) Do no indicate 'see attached', or other variations thereof, in lieu of completing application fields/questions.
  - e) Do not submit business checks, personal checks, or cash.
