FORM L-102A (2/2009)

INFORMATION AND INSTRUCTION FOR AIRLINE BEVERAGE, CARRIER'S, INDUSTRIAL, LOCAL INDUSTRIAL ALCOHOL MANUFACTURER'S, MARKET RESEARCH PACKAGER'S, AND PASSENGER TRAIN BEVERAGE PERMITS

AIRLINE BEVERAGE PERMIT- Allows the holder to sell or serve alcoholic beverages in or from any size container on a commercial passenger airplane operated in compliance with a valid license, permit or certificate issued under the authority of the United States or of this state, even though the plane, in the course of its flight, may cross an area in which the sale of alcoholic beverages is prohibited. Also, allows the holder to store alcoholic beverages in sealed containers of any size at any airport regularly served by the permittee, in accordance with rules and regulations promulgated by the Commission. The State fee is \$4,400 with a surcharge of \$278 and the permit will expire two years from date of issuance. **This permit may only be issued to a corporation operating a commercial airline in or through the State.**

CARRIER'S PERMIT- Allows the holder to transport liquor into and out of this state and between points within the state. Also, may transport liquor from one wet area to another wet area across a dry area if that course of transportation is necessary or convenient. A carrier's permit may be issued to a water carrier; an airline; a railway; a motor carrier registered under Chapter 643, Transportation Code, or by a common motor carrier operating under a certificate issued by the Interstate Commerce Commission. Each carrier must hold a carrier's permit issued under Chapter 41 of the code. All provisions of Chapter 41 relating to the transportation of liquor also apply to the transportation of beer. A carrier may not transport beer into the state unless it is consigned to an importer. The State fee is \$60 with a surcharge of \$214 and the permit will expire two years from date of issuance.

INDUSTRIAL PERMIT- Allows the holder to import, transport, and use alcohol or denatured alcohol for the manufacture and sale of: denatured alcohol; patent, proprietary, medicinal, pharmaceutical, antiseptic, and toilet preparations; flavoring extracts, syrups, condiments and food products; scientific, chemical, mechanical and industrial products or products used for scientific, chemical mechanical, industrial or medicinal purposes. The State fee is \$120 with a surcharge of \$222 and will expire two years from date of issuance.

LOCAL INDUSTRIAL ALCOHOL MANUFACTURER'S PERMIT- Allows the holder to manufacture, rectify, and refine industrial alcohol (not fit for human consumption); denature alcohol produced under this permit; sell denatured or industrial alcohol produced under the permit to holders of local industrial alcohol manufacturer's permits or industrial permits and to qualified persons outside the state; blend industrial alcohol produced under the permit with petroleum distillates and sell or use the resulting product as motor fuel. The State fee is \$200 with a surcharge of \$278 and will expire two years from date of issuance.

MARKET RESEARCH PACKAGER'S PERMIT- Allows the holder to receive from a winery, distiller's or brewer's permittee or manufacturer's licensee in this state, alcoholic beverages produced by and belonging to the permittee or licensee; receive alcoholic beverages produced by and belonging to an authorized person outside this state; place the alcoholic beverages in containers or packaging material as a service to the producer of the beverages in connection with a market research program; return the alcoholic beverages to the licensee, permittee or authorized person from whom they were received. The State fee is \$200 with a surcharge of \$108 and will expire two years from date of issuance.

PASSENGER TRAIN BEVERAGE PERMIT- Allows a corporation organized under Title 112, Revised, Statutes, or under the Rail Passenger Service Act of 1970 as amended (45 U.S.C.A. Section 501 et seq.) operating passenger train service in or through the state to sell or serve alcoholic beverages in or from any size container on a commercial passenger train. Also, allows the holder to store alcoholic beverages in sealed containers of any size at any depot regularly served by the permittee, in accordance with rules and regulations promulgated by the Commission. The State fee is \$1,000 with a surcharge of \$512 and will expire two years from date of issuance.

An Equal Opportunity Employer

1. Beginning January 1, 2009, the permits covered under this form will be issued for a two-year period. You **MUST** renew for the entire two-year period.
2. If applying for an Airline Beverage, Carrier's, Industrial, Market Research Packager's or Passenger Train Beverage permits, prepare the application in duplicate. All applicants should answer numbers 1-6. Number 7 pertains only to individual applicants. Answer all questions applicable to permit type. Partnerships and corporations must answer numbers 1 and 2 on Form L-102-PC. Ensure application is signed by individual/officer/manager/partner and a notary public has acknowledged the signature. Mail original application with proper fees and surcharges to the Texas Alcoholic Beverage Commission, P.O. Box 13127, Austin, Texas 78711. Keep duplicate for your records.
3. If applying for a Local Industrial Alcohol Manufacturer's Permit, prepare the application in triplicate. Mail the original and one copy to the commission's office in the area where the business is located. Ensure proper fees and surcharges are filed with application. All applicants should answer numbers 1 through 6. Number 7 pertains only to individual applicants. Partnerships and corporations must answer numbers 1 and 2 on Form L-102-PC. Answer all questions applicable to permit type. Ensure application is signed by individual/officer/manager/partner and have signature acknowledged by a notary public. To avoid a delay in processing your application, immediately contact the TABC district office in your area for the correct procedure. Your application will be delayed if not processed through our district office.
4. If street address is not known, give the name of street or highway where the business is located, indicate which side (north, south, east, or west) of the street, and describe to some fixed point. Example: Hwy. 10 West Side, 1 mile North Courthouse or Hwy. 10 West Side, 1 mile North Intersection Hwy. 20. If not located in a city or town, give name or number of the road or highway, which side and the distance and direction from some fixed point, such as the courthouse or post office of nearest city or town in the county where the application is filed.
5. Consult chart below for fees and surcharges. The total amount of fees plus surcharges to cover the two-year period **MUST** be paid at the time of renewal. Fees may **NOT** be prorated or refunded. Submit your application along with permit fees and surcharges with a cashier's check, money order, or firm check from corporate permittee payable to the Comptroller of Public Accounts.

Type of Permit	Fees	*Surcharge Effective 1/1/2009	Total Due
Airline Beverage Permit	\$4,400	\$278	\$4,678
Carrier's Permit	\$60	\$214	\$274
Industrial Permit	\$120	\$222	\$342
Local Industrial Alcohol Manufacturer's Permit	\$200	\$278	\$478
Market Research Packager's Permit	\$200	\$108	\$308
Passenger Train Beverage Permit	\$1,000	\$512	\$1,512

5. ***SURCHARGES ARE SUBJECT TO ANNUAL CHANGE.** The surcharges assessed each year are determined by the Texas Alcoholic Beverage Commission and not by the Legislature. The Legislature determines the total dollar amount to be raised in agency revenue. The revenue is comprised of fees set by the Legislature, and surcharges are determined by the agency.
6. If you need more information, call (512) 206-3360 for assistance.

Sincerely,

Amy Harrison, Director
