

Congratulations Human Resources Staff

The Gulf Coast Regional Blood Center hosted “A Celebration of Life” awards ceremony to honor those that have chosen to Commit for Life. The Human Resources Division, a gold-level Commit for Life group, received a “Path for Success” award for completing a pledge to host at least one blood drive per quarter and meeting our life-saving targets.

At the January 8, 2007 Human Resources Blood Drive, a total of 23 donations were collected. Because each donation can save up to three lives, as many as 69 lives will be saved as a result of your contributions. Human Resources is well on their way towards another award for 2007!
