- (a) **Application.** This section applies to incumbent local exchange companies (ILECs), as defined in the Public Utility Regulatory Act (PURA) §51.002(3), with markets deregulated pursuant to PURA Chapter 65 who choose to offer services through one-day informational notice filings pursuant to PURA §§65.151-65.153. A transitioning company, as defined in PURA §65.002(5), which does not choose to offer services through a one-day informational notice filing must either offer services through ten-day informational notice filings pursuant to §§26.227-26.229 of this title (relating to Costs, Rates and Tariffs) or through filings pursuant to §§26.207-26.211 of this title (relating to Costs, Rates and Tariffs).
- (b) **Purpose.** The purpose of this section is to establish the requirements for a transitioning ILEC to introduce new services, and/or to exercise pricing flexibility for basic and non-basic retail telecommunications services, and to outline the procedures for processing complaints regarding service offerings introduced by such informational notice filings.
- (c) **Pricing standards.**
- (1) In a market that remains regulated, the transitioning ILEC shall price its retail services in accordance with the provisions as set forth in §§26.224-26.226 of this title (relating to Costs, Rates and Tariffs).

    - (B) for basic local telecommunications service, at any price higher than the lesser of the service's LRIC or the tariffed price on the date the market was deregulated, provided that the company does not increase rates for stand-alone residential local exchange voice service as defined in PURA §65.002(4) before the date that the commission revises, or declines to revise, monthly per line support under the Texas High Cost Universal Service Plan pursuant to PURA §56.031, regardless of whether the company is an electing company under PURA Chapter 58.
  - (3) In each deregulated market, a transitioning company shall make available to all residential customers throughout that market the same price, terms, and conditions for all basic and non-basic retail telecommunications services, consistent with any pricing flexibility available to the company on or before August 31, 2005.
  - (4) In any market, regulated or deregulated, the transitioning ILEC may not:
    - (A) establish a retail rate, term, or condition that is anticompetitive or unreasonably preferential, prejudicial, or discriminatory;
    - (B) establish a retail rate for a basic or non-basic service in a deregulated market that is subsidized either directly or indirectly by a basic or non-basic service provided in an exchange that is not deregulated; or
    - (C) engage in predatory pricing or attempt to engage in predatory pricing.
  - (5) A rate that meets the pricing requirements of paragraph (2) of this subsection is deemed compliant with paragraph (4)(B) of this subsection.
- (d) **Procedures related to the filing of one-day informational notices and associated tariffs.** The provisions of this subsection apply to ILECs choosing to introduce new services and/or exercise pricing and packaging flexibility through one-day informational notice filings.
