First-year pass rate: The line labeled “First Year” shows entity first-year pass rate based on tests taken initially during 9/99-8/00.

Cumulative pass rate: The line labeled “Cumulative” shows entity two-year pass rates, based on tests taken initially during 9/98-8/99.

Combined data: If the number of First-year or Cumulative test takers in an ethnic or gender group was less than 30, the performance is combined with the performance for that group from the previous one or two years.

The number of test takers is shown in parentheses; if the number of test takers is less than 10, for confidentiality the number is not shown and an asterisk is printed. Blank spaces indicate there were zero test takers in the group.
