

TVMDL Glossary of Terms

<	Less Than
>	Greater Than
A1	equine influenza A1
A2	equine influenza A2
ACTH	Adrenocorticotropic Hormone
aggl	agglutination
AGID	Agar Gel Immunodiffusion
AI	Avian Influenza
AK	equine influenza A Alaska strain
ALP	Alkaline Phosphates
ALT	Alanine Transaminase
APMV	Avian Paramyxovirus
Ark	Arkansas
AST	Aspartate Transaminase
ATIII	Antithrombin III
BHV-1	Bovine Herpesvirus 1
BT	Bluetongue
BTV	Bluetongue Virus
BUN	Blood Urea Nitrogen
BVD	Bovine Viral Diarrhea
CAE	caprine arthritis and encephalitis
CAL	The first half of "Cal-Mex" a term for the virulent form of Newcastle Disease Virus
CALP	Corticosteroid-Induced Alkaline Phosphates
cc	Cubic Centimeter
CELISA	competitive enzyme linked immunosorbent assay
CF	compliment -fixation
CK	Creatine Kinase
Conn	Connecticut
CWD	Chronic Wasting Disease
DCF	Direct Complement Fixation
Del	Delaware
derm	Dermatopathology
DIM	Days in Milk
disp.	Disposal
DNA	Deoxyribonucleic acid
EDTA	Ethylenediaminetetraacetic Acid
EEE	Eastern Equine Encephalitis
EHD	Epizootic Hemorrhagic Disease Virus
EHD	epizootic hemorrhagic disease
EIA	equine infectious anemia
EL	ELISA
ELISA	Enzyme Linked Immunosorbent Assay
END	Exotic Newcastle Disease
FAD	Foreign Animal Disease

FIP	Feline Infectious Peritonitis
FMDV	Foot and Mouth Disease Virus
G6S	G6S lipid storage disorder in Nubian Goats
GB	TPFGB- Texas Poultry Federation Game Bird
GC	Gas Chromatography
GGT	g-Glutamyltransferase
gp1	Antibody to a glycoprotein (gp1) on a virus
H&E	Hematoxylin & Eosin
H5	H5 subtype of Avian Influenza
H7	H7 subtype of Avian Influenza
HC6	Human chorionic gonadotropin
HI	Hemagglutination Inhibition
hr	Hour
IBR	Infectious Bovine Rhinotracheitis
IBV	Infectious Bronchitis Virus
ID	Identification
IFA	Indirect Fluorescent Antibody
IFA	indirect fluorescent antibody
IgA	immunoglobulin A
IgG	immunoglobulin G
IgM	immunoglobulin M
IgM	immunoglobulin M
IgT	immunoglobulin T
IHHNV	Infectious Hypodermal Hematopoietic Necrosis Virus
IND	vesicular stomatitis Indiana strain
IND	Indiana
Inf.	Infectious
ISH	In situ hybridization
IU	International unit
IV	Intravenously
KB	Kirby Bauer (disk diffusion antibiotic sensitivity test)
kg	Kilogram
KY	equine influenza A Kentucky strain
LAST	Live Animal Swab Test
lb	Pounds
LC	Liquid Chromatography
LDH	Lactase Dehydrogenase
LMB	Large Mouth Bass
Lrg	Large
MA	microscopic agglutination
Mass	Massachusetts
MDCF	modified compliment -fixation
MEX	The second half of "Cal-Mex" a term for the virulent form of Newcastle Disease Virus
mg	Milligram
MIC	Minimal Inhibitory Concentration (broth microdilution antibiotic sensitivity test)
Mic	Minimum Inhibitory Concentration

ml	Milliliter
MSn	Mass Spectrometry - Mass Spectrometry
NA	Not Applicable
NADL	National Animal Disease Laboratory
NJ	New Jersey
NPIP	National Poultry Improvement Program
OFA	Orthopedic Foundation for Animals
PBC	Partial Blood Count
PCR	Polymerase Chain Reaction
PCV	Packed Cell Volume
PCV	Packed Cell Volume
PGD	Proliferative Gill Disease
pH	pH
PI3	parainfluenza 3
PI-3	Parainfluenza-3
PL	Plate
PPV	Porcine Parvovirus
PRRS-ORF7	Porcine Respiratory and Reproductive Syndrome Virus, open reading frame 7
PRRSV	Porcine Respiratory and Reproductive Syndrome Virus
PTT4	Post Treatment Thyroxine
RBC	Red Blood Cell
RBC	Red Blood Cells
RID	radial immunodiffusion
RMSF	rocky mountain spotted fever
RSV	Respiratory Syncytial virus
RTPCR	Reverse Transcriptase Polymerase Chain Reaction, or Real-Time Polymerase Chain Reaction
RTPCR	Reverse Transcriptase Polymerase Chain Reaction, or Real-Time Polymerase Chain Reaction
SAP	Serum Alkaline Phosphates
SGPT	Serum Glutamate Pyruvate Transaminase
Sm	Small
SN	Serum Neutralization
T3	Triiodothyroinine
T4	thyroxine
TAHC	Texas Animal Health Commission
TB	Tuberculosis
TGE	Transmissible gastroenteritis
TPF	TPFGB- Texas Poultry Federation Game Bird
TSH	Thyroid stimulating hormone (thyrotropin)
TSP	Total Serum Protein
TVMDL	Texas Veterinary Medical Diagnostic Laboratory
USDA	United States Department of Agriculture
VEE	Venezuelan Equine Encephalitis
VN	Virus Neutralization
WBC	White Blood Cell
WBC	White Blood Cells
WEE	Western Equine Encephalitis
