

## Redesign of the Texas Education Agency Website Tutorial:

Texas Education Agency's new website features a new look and user experience. One of the biggest changes is an enhanced search engine designed to dramatically improve a visitor's ability to locate specific information. The site, when fully in place, will also meet usability standards now required under federal law for people with disabilities.

The screenshot shows the TEA website home page with a navigation menu at the top: Home, Contact, Directory, Districts, A-Z Index, Glossary, Help. A search bar is located in the top right corner. The main content area features a large banner image of penguins with the text "Saving the Glaciers" and "Jordan Snow, Meadows El., Killeen ISD". Below the banner is a "Welcome to the Texas Education Agency" section with a mission statement and information about the agency's structure. A "News & Events" section is visible at the bottom, listing recent news items. Callout boxes provide detailed descriptions for the "Directory", "School District Locator", "Student art", and "News & Events" links.

**Directory**

This link goes to the Texas Education Directory (AskTed).

**School District Locator**

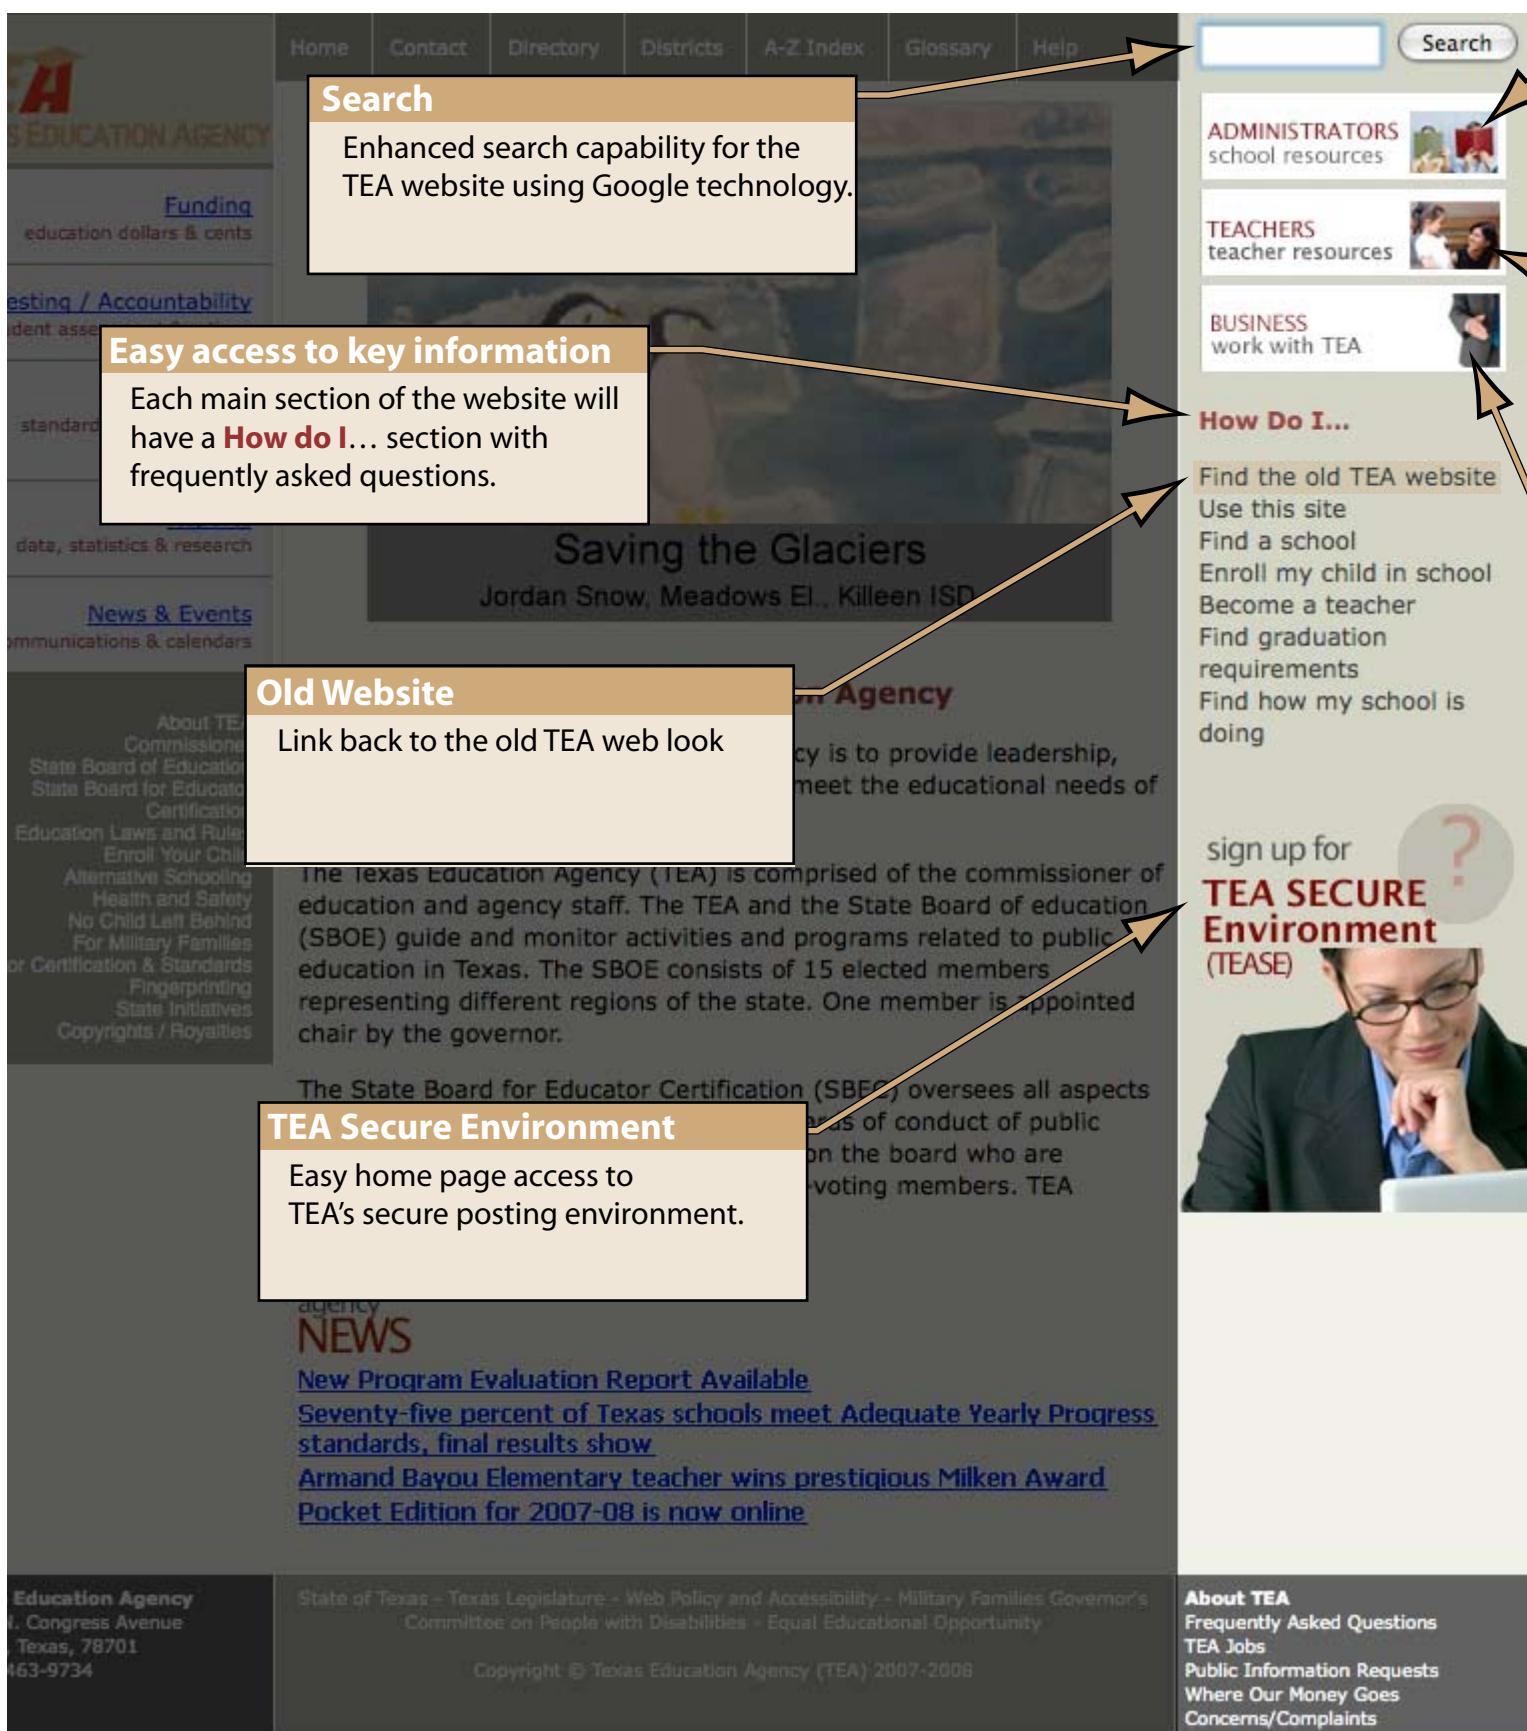

This link provides a search function and maps for school district boundaries. Search by district name or county.

**Student art**

The home page and other key pages on TEA's website will feature student art from Texas public schools.

**News & Events**

Contains the latest news from TEA.

**Search**  
Enhanced search capability for the TEA website using Google technology.

**Easy access to key information**  
Each main section of the website will have a **How do I...** section with frequently asked questions.
