

Note to Campus Principals: The inclusion of any teacher on this TTR Campus Application is your certification that the training he/she attended is appropriately aligned to the course he/she is teaching. A teacher may only be reimbursed for training designed to prepare him/her to teach the specific course he/she is teaching. Teachers who take multiple courses are only eligible for one reimbursement.

Please add rows as needed.

\*Pre-AP/IB indicates a course that a) goes beyond the TEKS in depth and complexity; b) is appropriately rigorous to prepare students to be successful in AP/IB courses; and c) is part of a vertically-aligned series of courses that ends with a specific AP or IB course (i.e. a Pre-AP English course that leads directly to AP Language and Composition).
