- A7. Total Tax Due Texas - Sales tax less tax previously paid (Item A5 minus Item A6): _____
- New Resident Tax: If you brought your boat or motor into Texas AND it was previously registered in your name, the tax due for that item is \$15.00. Enter this amount in Item D1 below. If the date of sale is more than four years from the date of payment, no tax is due. Enter zero in Item D1 below.*

B. PENALTY

- B1. Determine your Late Tax Penalty.
- If you have not paid sales tax within 20 working days from the date of delivery or the date the vessel is brought into Texas, you will owe a sales tax penalty equal to 5 % of your tax due.
- If you have not paid sales tax within a combined 20 working days AND 30 calendar days from the date of delivery or the date the vessel is brought into Texas, you will owe a sales tax penalty equal to 10 % of your tax due.
- B2. Total Penalty Due- Multiply your sales tax by the tax rate determined above. If you owe a 5% penalty, multiply Item A7 by .05; OR if you owe 10% penalty, multiply Item A7 by .10. _____
- Enter zero if full payment was made within 20 days. Minimum Penalty is \$ 1.00.

C. INTEREST

- C1. Interest begins on the 61st day after the date of sale and accrues through the date of payment. Interest is assessed only on tax due, not on any additional penalties.
- First, calculate the number of days interest you owe and separate days by calendar year. Second, multiply the tax due by the daily interest rate below. This amount will be the daily interest due per day. Finally, multiply by the number of days by the daily interest rate you calculated.
- You will have to do separate calculations for each year in which your delinquent taxes are charged interest.
