Austin, Texas

FISCAL NOTE, 81ST LEGISLATIVE REGULAR SESSION

April 14, 2009

TO: Honorable Todd Hunter, Chair, House Committee on Judiciary & Civil Jurisprudence

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB4424 by Hernandez (Relating to operations or service fees collected by domestic relations offices.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Family Code to authorize an administering entity of a domestic relations office to collect an operations fee or child support service fee on the filing of a motion for modification or motion for enforcement. Under current statute, the fees are collected at the time the original suit is filed only.

Local Government Impact

The authorized amount of an operations fee is no more than \$15 and the authorized amount of a service fee is not more than \$36. The total amount of fees collected is retained by the counties. The revenue gain from collecting fees for a motion for modification or a motion for enforcement would vary by county and would depend on the number of motions filed.
