H.B. No. 2414

An Act relating to the inclusion of Texas State Technical Institute among the institutions eligible to benefit from an existing appropriation for purchased utilities.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Item 10, Page III-21, Chapter 1095, Acts of the 68th Legislature, Regular Session, 1983 (the current General Appropriations Act), is amended to read as follows:

10. Authorization for the expenditure of funds appropriated above for purchased utilities is contingent upon certification by the Comptroller of Public Accounts that a general academic institution, medical college or health science center, *or a facility of Texas State Technical Institute* has expended all funds appropriated for purchased utilities in that fiscal year. Any institution receiving funds from the Purchased Utility Contingency Fund shall expend said funds only for purchased utilities and any unexpended balances shall revert to the Purchased Utility Contingency Fund. Such funds shall not be used to support auxiliary enterprises. The funds appropriated for the Purchased Utility Contingency Fund shall be administered and dispensed pursuant to the above qualifications and in the amounts indicated by the Coordinating Board, Texas College and University System. An unexpended balance contained in the Contingency Fund as of August 31, 1984 is hereby reappropriated for the same purposes for the fiscal year beginning September 1, 1984.

SECTION 2. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.
