SECTION 1. Section 15, Library Systems Act, as amended (Article 5446a, Vernon's Texas Civil Statutes), is amended by adding Subsection (f) to read as follows:

"(f) The Commission shall provide in its rules and regulations such provisions as are necessary to ensure that title to library materials and equipment having a per unit cost of less than \$300 and purchased with funds appropriated under this Act be in the library for which the said materials and equipment were purchased, and that title to materials and equipment which have a per unit cost of \$300 or more be in the Texas State Library."

SECTION 2. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended.
