H.B. No. 2647

AN ACT

relating to the charge and control of certain state facilities located in Kerrville.

*Be it enacted by the Legislature of the State of Texas:*

SECTION 1. At the time that the comptroller vacates the comptroller's training center, located at 125 Lehmann Drive in Kerrville, charge and control of the building and its grounds are transferred and committed to the Railroad Commission of Texas. While it has charge and control of the building and grounds, the railroad commission may use the center for its purposes and shall make the center available to other governmental entities. The comptroller shall give reasonable notice to the railroad commission and to the General Services Commission of the date on which the comptroller intends to vacate the center, and on the date that the comptroller vacates the center the comptroller shall inform the two commissions of that fact. Each appropriate state agency or officer shall take any action necessary to transfer charge and control of the center to the railroad commission as required by this Act.

SECTION 2. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended.
