HOW DO I MAKE THE FIRST CALL?

how do i make
the first call?

FOR VICTIMS OF CRIME there is strength in numbers

Especially this one: Toll Free 1-877-TX4-VINE; 1-877-894-8463. Call 24 hours a day for information on county jail status and court events.

If you are a victim of crime in Dallas County and the suspect/offender has been booked in the county jail, you have been automatically registered to receive notification of changes in jail status. Please proceed to the section of this brochure titled, “Receiving a notification call.” If you are not yet registered, or would like to register for notification on court events, follow the steps outlined in this brochure.

Make Texas VINE part of your safety plan. The suspect/offender will not know you are registered with Texas VINE. **However, do not depend only on Texas VINE, or any single program, for your protection.**

PREPARING TO MAKE your first call

Fill out the information card in this brochure.

- When you first access VINE, you will identify the suspect/offender by entering the person’s name as a number. To do this, match each letter of the name to a number using the telephone keypad. Use 1 for “Q” and “Z.” For example, “John” is 5646.
- You can get the court case number from your local District Attorney’s Office.

- The Booking Number is a unique identifying number assigned by law enforcement when a person is booked into the county jail. You will be given the offender’s booking number the first time you access the system. If you forget the booking number, you can still access VINE information by entering the person’s name in number format.
- Select a Personal Identification Number (PIN) that is easy to remember.

LOCATING INFORMATION on jail status and court dates

- Call toll-free 1-877-TX4-VINE; (1-877-894-8463) from a touch-tone phone. If calling from a rotary phone, please stay on the line to speak to an operator.
- Follow the voice instructions using the information you wrote on the card on the far right panel of this brochure.
- After Texas VINE locates the suspect/offender, you will be given the person’s booking number. Write this number down on the information card on the far right panel of this brochure. It will save time when you call again.
- **IF YOU NEED ASSISTANCE, PRESS ZERO (0) TO SPEAK TO AN OPERATOR WHEN THE SYSTEM PROMPTS YOU TO CHOOSE AN OPTION.**

REGISTERING for notification

Texas VINE allows you to register for automatic notification of court events and changes in county jail status. You will need to register separately for each type of notification.

When you register, you will be asked to provide two things:

1. Phone number where you wish to be notified. Register as many numbers as you like, including your home and

work phone. Do not register a phone that rings to a receptionist or a switch board.

2. Four-digit PIN (Personal Identification Number). Use the PIN you already have chosen. You may use the same PIN with each phone number you register.

RECEIVING a notification call

Texas VINE will automatically notify registered persons of suspect/offender status and court event changes. To confirm that you have received the notification, enter your four-digit PIN. Texas VINE will keep calling for 24 hours until this PIN is entered.

Texas VINE automatically notifies registered users in English or Spanish whenever one of the following situations occurs:

- the suspect/offender is released or transferred
- a court event has been set or changed
- there is a change in custody status such as death or escape.

Your initial PIN is the last 4 digits of your phone number. You may change to another number when you access the system.

If you choose to register for court event notification, Texas VINE will notify you of all court settings, but you do not need to attend unless personally contacted by the District Attorney’s Office.

To confirm you are registered with Texas VINE, call 1-877-TX4-VINE; 1-877-894-8463 and begin the registration process. After you locate the suspect/offender and enter your telephone number, Texas VINE will tell you if you are already registered.
