

Attention: County Tax Assessor-Collectors

Changes to the Texas Motor Vehicle Sales/Use Tax and Surcharge Report (Form 14-115)

You may have noticed a slight change to your motor vehicle sales tax report Form 14-115. We have revised Item 8 so that you may take the tax commission available directly from Motor Vehicle Sales Tax and the Texas Emissions Reduction Plan (TERP) Surcharge as provided by legislation. You will receive notification of the amount you can retain directly from Motor Vehicle Sales Tax and TERP Surcharge when the 2005 returns are processed. The commission you retain from tax and TERP should be credited to your county's general fund.
