

Lessor Exemption Form

Date _____

A license is not required for certain Vehicle Lessors or Vehicle Lease Facilitators. If one of the following applies to the applicant, you are not required to obtain a Lessor or Lease Facilitator license. Please indicate which statement applies to your business entity by placing a check mark in one of the spaces below and completing all information requested below (must be completed by a representative of the exempt Lessor).

Texas Occupations Code Section 2301.254 states:

(a) A person is not required to obtain a license to act as a vehicle lessor or a vehicle lease facilitator if the person is:

- a state or federally chartered financial institution or a regulated subsidiary of the financial institution; or
- a trust or other entity that owns an interest in a vehicle lease and the vehicle that is the subject of the lease, if the lease covering the vehicle is initiated, managed, serviced, and administered by a licensed vehicle lessor.
