Travis County Criminal Courts Fair Defense Act Program Guidelines Standards and Procedures

These rules are adopted by the District Judges and the County Court at Law Judges and are applicable to all attorneys certified to handle felony and misdemeanor criminal appointments. Each attorney presently on the list shall be provided a copy of these rules and procedures by the Court Administrator who shall also provide a copy to any new attorney added to the list.

Local law enforcement agencies shall ensure that persons arrested are taken before a magistrate without unnecessary delay and not more than 48 hours after arrest. If a person is in jail after being arrested without a warrant and the magistrate has not determined probable cause within the time limits set forth in Art. 17.033, Texas Code of Criminal Procedure, local law enforcement personnel shall comply with the requirements of that provision.

The Director of Court Management for the District and County Criminal Courts shall manage the appointment system. The Director will ensure that all indigents in need of appointed counsel are assigned an attorney in a timely manner and that the attorney establishes contact with the defendant. All applications for appointed counsel shall be filed with the Office of Court Administration and records will be maintained on all attorneys in the system. The Director or designee will monitor compliance with the requirements and regulations of the Court appointment system. The Administration Office shall maintain a system to ensure that attorneys on the appointment list are only given those appointments for which they are eligible (based on how the Judges have rated them).

Only District Judges may vote on attorneys appointed to felony cases, and County Court at Law Judges may vote on attorneys appointed to misdemeanor cases.

Sec. 1: Attorney Appointment Method

- a. Appointments shall be made using a rotation system following an alphabetical listing of the names of the eligible attorneys (taking into account the type of appointments they may receive). When the end of the list is reached, the process will begin again starting with the first name on the list.
- b. Appointments for Spanish speaking cases shall be made using a separate rotation system following an alphabetical listing of the names of attorneys eligible to receive Spanish-speaking clients.
- c. Appointments for Mental Health Attorneys and the Misdemeanor Mental Health Public Defender shall be made using a separate rotation system. Eligible attorneys will be appointed following an alphabetical listing of their names. The MHPD will receive 4 appointments under the name "Public Defender" for each turn of the wheel, such that

MHPD will be appointed about 500 times a year in accordance with the requirements of the grant.

- d. A judge may elect to appoint an attorney or Mental Health Public Defender without using the rotation system when the judge finds it is in the best interests of all parties concerned. The judge making such appointment shall make a finding setting forth the reason for such appointment and shall notify the Court Administration Office of the appointment.
- e. The Criminal Courts Administration Office shall maintain a list of attorneys who are eligible to receive court appointments. The Office also will manage several systems to ensure attorney compliance with the Judges' rules regarding inmate contact, continuing legal education, and any other requirements set forth by the Judges. Court Administration will maintain records on disciplinary actions on attorneys by the Judges, and provide orientation training for new attorneys.
- f. The Court Administration Office shall solicit applications for new attorneys twice each year two weeks in the spring and fall), with the exception of the Mental Health court appointed attorneys, receive requests from lawyers who wish to handle more serious cases, screen all of these new requests, and assist the Judges in making decisions regarding the attorneys who will be allowed to receive court appointments. The Court Administration Office shall solicit applications for new attorneys to the Mental Health court appointed attorney list on an as needed basis.
- g. Court Administration will screen applicants to the list of Spanish speaking attorneys. (Applications may be obtained in the Court Administration Office).
- h. The District and County Court-at-law Judges shall approve new applicants to the respective court appointment lists by majority vote.
- i. The Court Administration Office will conduct studies of the system as needed, plan for future needs, and prepare an annual budget for the court appointed attorney function and related expenses (e.g., investigators, psychiatric evaluations, expert witnesses, etc.).

Sec. 2: Criteria and Procedures for Determining Indigence

- a. The Pretrial Services Department staff shall interview defendants in jail after arrest to determine personal bond status and screen for the person's ability to hire an attorney. If defendant requests appointed counsel, Pretrial staff will provide the person with reasonable assistance filling out the Indigence Form. Pretrial Staff will make a recommendation as to whether the defendant meets the eligibility standards for appointment of counsel. If a determination of indigence is made, the Order Appointing Attorney Form is approved by the District and County Court-at-Law Judges or their designee.
- b. Indigence Standards:

1. A defendant is considered indigent if the defendant's household income does not exceed 150% of the Poverty Guidelines as established and revised annually by the U.S. Department of Health and Human Services and the difference between the defendants' monthly net income and reasonable necessary expenditures is less than \$500.
 2. A defendant is considered indigent if, at the time of requesting appointed counsel, the defendant, or the defendant's dependents have been determined to be eligible to receive Food Stamps, Medicaid, Temporary Assistance for Needy Families, Supplemental Security Income, or public housing.
 3. A defendant is considered indigent if the defendant is currently serving a sentence in a correctional institution, is currently residing in a public mental health facility, or is the subject of a proceeding in which admission or commitment to such a mental health facility is sought, and has no assets or property in excess of the amounts specified above.
 4. A defendant who does not meet any of the financial standards above shall nevertheless be determined indigent if the defendant is otherwise unable to retain private counsel without substantial hardship to the defendant or the defendant's dependents, taking into account the nature of the criminal charge(s), the anticipated complexity of the defense, the estimated cost of obtaining competent private legal representation for the matter charged, and the amount needed for the support of the defendant and the defendant's dependents.
- c. Defendants who are determined to be indigent and request a court appointed attorney, shall sign the Indigence Form containing a statement that they are unable to hire their own attorney.
 - d. If a defendant does not request an appointed attorney, the person will sign and date the Indigence Form at the appropriate top section indicating counsel is not requested.
 - e. An arrested person shall be brought before a Magistrate within 48 hours of arrest. Persons in custody brought before a Magistrate shall be informed by the Magistrate of the right to request counsel under Article 15.17 Subsection (e) and (f) of the Texas Code of Criminal Procedure. A record will be made of these proceedings and shall be preserved as required by Article 15.17.
 - f. If the arrested person does not speak and understand the English language or is deaf, the Magistrate shall ensure that the information and assistance are provided with the assistance of an interpreter consistent with Articles 38.30 and 38.31 of the Code of Criminal Procedure.
 - g. Pretrial Services shall transmit the completed Indigence Form/Order Appointing Attorney Form to the Court Administration Department no later than 24 hours after the request is made. If a defendant is released on bond prior to appointment of counsel, an attorney

shall be appointed during the first court appearance, after eligibility guidelines have been met.

Sec. 3: Appointment of Counsel

- a. On a daily basis, Court Administration staff will obtain the Indigence Form/Order Appointing Attorney Forms from Pretrial Services personnel. Reasonable effort includes letter, fax, phone, videoconference, or personal visit.

- c. In misdemeanor cases, a joint jail reduction docket will be held daily by the County Courts at Law. Appointments will be made on a rotating basis, in alphabetical order. Cases in which the attorney does not appear will be reappointed in Court from the alphabetical rotation.

- B. Ability to deal effectively with clients
- C. Ability to present legal arguments to court
- D. Ability to examine witnesses, make objections and argue to a jury - trial skills

- Ethics:
- A. Follows rules of professional conduct
 - B. Honesty in dealings with court, other lawyers, staff, and clients

3. All scores will be tendered to the Presiding Judge, who with the assistance of the Court Administrator shall determine the average score of each attorney. Any attorney whose average score falls below 75 shall be removed from the list. Such a suspension shall be for a minimum period of one year. The judges may vote to allow an attorney to handle court appointed cases on a lower level if appropriate (felony appointments only).

4. In the event an attorney:

- A. scores an average below 80; or
- B. is removed from the misdemeanor court appointment list; or
- C. is incapacitated physically, mentally, or otherwise, in such a way as to call into question his/her ability to provide adequate representation;

the judges shall discuss the attorney's level of proficiency and may vote to reduce his classification to a lower level or remove him from the list. Under these circumstances, a majority vote is required to remove or reclassify an attorney. If an attorney is removed from the list or reclassified to a lower level, the Presiding Judge shall schedule a meeting with the Court Administrator, Presiding Judge and attorney to discuss the reasons for the action. After a period of six months, the attorney may request reinstatement to the previous level or list. The request should be submitted in writing to the Presiding Judge. After the request is reviewed, the Judges will make a determination on the request for reinstatement. A majority vote is required to reinstate or return an attorney to the previous level or list.

5. Any attorney whose average score falls between 75 and 80, even if not reclassified, shall be requested to meet with the Presiding Judge to review his performance and receive feedback concerning reasons for his rating.
6. The notice to set the meeting under #5, above shall generally inform the attorney of the areas where the judges noted deficiencies. In order to address noted deficiencies, and in addition to any other appropriate action, the Presiding Judge may appoint a mentor from a list of volunteers provided by ACDLA to work with the attorney until the next attorney review.

b. Specific Incidents of Misconduct

1. If a judge experiences a specific problem with an attorney such as failure to attend court in a punctual manner, failure to timely visit clients, or other unethical or improper conduct, the judge may informally request an investigation by the court administrator or undertake his own investigation.
2. If the matter is not resolved to the Judge's satisfaction or the judge determines that the nature or circumstances of the conduct is sufficiently serious, the judge may request that the Presiding Judge immediately suspend the attorney from the appointment list.
3. The Presiding Judge shall suspend the attorney and instruct the court administrator to immediately notify him/her of said suspension. The notice shall further inform the attorney of the grounds for suspension and that the attorney has 7 days from date of notice to file a written response with the administrator.
4. The court administrator shall circulate any response to all judges and the suspension shall be voted on at the next regular meeting. Three or more votes ratify the suspension, which shall remain in effect until a majority of judges vote to return the attorney to the list.
5. As a matter of routine practice all unexcused absences from court and failures to visit clients in a timely fashion should be reported to the court administrator so her office can maintain a cumulative record for all district courts. When the administrator observes a recurring problem with an attorney it should be brought to the judges' attention at the earliest appropriate time. The judges will then take whatever action they deem appropriate, to include written warning or suspension under these rules.

c. Attorney Sanctions Pursuant to the Texas Rules of Disciplinary Procedure

Disciplinary sanctions imposed pursuant to the Texas Rules of Disciplinary Procedure may constitute grounds for suspension or removal from the appointment list.

1. If an attorney receives a disciplinary sanction pursuant to the Texas Rules of Disciplinary Procedure, other than a private reprimand, the attorney shall provide to Court Administration a copy of the order imposing sanctions within 30 days of the entry of said order.
2. An attorney may provide a written supplement of the disciplinary sanction when providing the order imposing sanctions.
3. The Court Administrator shall circulate the order imposing sanctions and the written supplement to all judges and the order shall be considered at the next regular meeting. The vote of a majority of judges is required to suspend or remove the attorney from the appointment list.

4. Failure to provide a copy of the order imposing a disciplinary sanction pursuant to the Texas Rules of Disciplinary Procedure to the Court Administrator within 30 days of the entry of said order may constitute independent grounds for removal from the appointment list.

d. Readmission to List

Any attorney suspended from the list may reapply after 1 year if suspended at annual review. The reapplication should contain information detailing all steps taken by the attorney to correct deficiencies or improve skills, together with any other information the attorney deems relevant.

e. Appellate Lawyers – Late Briefs

Any time a lawyer receives notice from an appellate court that the final deadline for filing of a brief has not been met and the brief is overdue, the lawyer shall notify Court Administration and provide a written explanation within two working days of receiving such notice. The presiding judge will promptly determine whether or not to suspend the attorney until the brief is properly filed.

Any time a lawyer receives an order to show cause why he should not be held in contempt for a failure to timely file a brief, the lawyer shall be removed from all appointment lists until the brief is properly filed.

The burden is on the attorney to provide proof of proper filing to Court Administration. This rule applies whether or not the subject case is being handled by appointment or otherwise. Any local judge receiving notice of the above facts will notify Criminal Court Administration immediately.

Sec. 12: Compensation of Appointed Counsel

In consideration of reasonable compensation for court appointed counsel, taking into account necessary overhead costs and availability of qualified attorneys willing to accept the stated rates, the following guidelines shall be used to claim attorney's fees for court appointed counsel in Felony and Misdemeanor Criminal cases effective January 1, 2003, pursuant to the Code of Criminal Procedure, Art. 26.05.

a. Compensation Rates and Requests for Payment

See Appendix:

Travis County Fee Guidelines For Appointed Counsel in Misdemeanor Criminal Cases
Travis County Fee Guidelines For Appointed Counsel in Felony Criminal Cases

- b. Court appointed counsel will be compensated for all necessary expenses, i.e., long distance telephone charges, copying expenses, auto mileage (IRS rate) outside of Travis County. All major expenses, such as investigators and expert witnesses, will require written approval by the Court prior to the expense being incurred.
- c. Expenses incurred without prior court approval will not automatically be reimbursed. Such expenses shall be reimbursed if the Court determines that they are reasonably necessary and reasonably incurred upon presentation of a claim for reimbursement.
- d. At the conclusion of the case, the appointed counsel shall present the completed voucher to the presiding judge for approval according to the fee schedules adopted by the District and County Court at Law Judges. No payment shall be made until the form for itemizing the services performed is submitted to the judge presiding over the proceedings and the judge approved the payment.
- e. An attorney whose request for payment is disapproved is entitled to a copy of the judge's findings for approving an amount different from the requested amount. The attorney may appeal the disapproval by filing a motion with the presiding judge of the Administrative Judicial Region, as provided in Article 26.05(c) Texas Code of Criminal Procedure.

 Judge Presiding

TRAVIS COUNTY FEE GUIDELINES
FOR APPOINTED COUNSEL IN MISDEMEANOR CRIMINAL
CASES

EFFECTIVE 01/01/02 FOR SERVICES RENDERED ON OR AFTER THAT DATE

The goal of these payment guidelines is to assure quality representation for indigent persons charged with misdemeanor crimes in Travis County. Those cases appropriate for trial should be tried and those appropriate for plea should be pled.

Each judge reserves the right to deviate from these guidelines in particular cases where the amount or quality of work performed is substantially above or below the norm.

Court appointed attorneys remain attorneys of record until final disposition of their cases unless a motion to withdraw or to substitute counsel is granted.

Expenses reasonably incurred by appointed counsel, such as long distance telephone charges or copying charges for documents will be reimbursed. Interpreters, investigators or expert witnesses must be approved in advance by written order of a judge to assure reimbursement.

PAYMENT GUIDELINES

Obtaining jail release	\$50.00 per case
Discovery and dismissal	\$175.00 per case
Plea & sentencing (1 defendant/1 case)	\$175.00 per case
Plea & sentencing (1 defendant/multiple cases)	\$175.00 1st case
	\$50.00 each succeeding case

EXPENSES

Court appointed counsel will be compensated for all necessary expenses: i.e., collect or long distance phone calls, copying expenses, auto mileage (at IRS rate). All major expenses, such as investigators or expert witnesses, will require written approval by the court prior to the expense being incurred.

REQUESTS FOR PAYMENTS

Request for payment forms shall be submitted at the time the case is disposed of except for trials. Requests for payment after trials should be submitted within 3 working days of the conclusion of the case. Failure to submit vouchers in a timely manner may result in non-payment.

Payment for all of a defendant(s) cases should be requested on one form.

Payment for expenses such as investigators and expert witnesses should be requested on a separate form.

CAVEAT

In an unusual case, the considerations set forth in Texas Rules of Professional Conduct Rule 1.04(b) may dictate a fee that is less than or more than the one established by these guidelines.
