Prepared by HUB Program Staff

August 2007

Thank you to Transportation and Natural Resources & Facilities Management for this information

The Travis County HUB Program under the direction of the Purchasing Agent, Cyd V. Grimes C.P.M., has assembled this list of proposed construction related projects. Please note that all of these listed projects are proposed pending budget and/or commissioners court approval.

If you are not registered, please register at www.rfpdepot.com to view current bid opportunities.

This summary is divided into six sections representing the departments and precincts specific projects. Information is listed as provided by each department. We have tried to provide you with the most relevant and complete information to assist your decision to bid on Travis County projects.

This information is always subject to change.

The information is divided into six sections:

Section 1: Capital Improvement Projects/ Roads and Bridges

Section 2: Facilities Management/ proposed improvements and maintenance for Travis County buildings and facilities

Sections 3, 4, 5, 6: Road Maintenance by Precincts/ Each of these will have descriptions of the type of maintenance, such as Type C, Type F asphalt or crack sealing. For a detailed description of road treatments, visit http://www.co.travis.tx.us/tnr/roads/TNR_originals/Rd_treatments.asp
