Under the provisions of Section 413.031 of the Texas Workers' Compensation Act, Title 5, Subtitle A of the Texas Labor Code, effective June 17, 2001 and Commission Rule 133.305 titled Medical Dispute Resolution - General and 133.308 titled Medical Dispute Resolution by Independent Review Organizations, the Medical Review Division (Division) assigned an IRO to conduct a review of the disputed medical necessity issues between the requestor and the respondent. The dispute was received on August 13, 2003.

The Medical Review Division has reviewed the IRO decision and determined that **the requestor prevailed** on the issues of medical necessity. Therefore, upon receipt of this Order and in accordance with § 133.308(r)(9), the Commission hereby Orders the respondent and non-prevailing party to **refund the requestor \$650.00** for the paid IRO fee. For the purposes of determining compliance with the Order, the Commission will add 20-days to the date the Order was deemed received as outlined on page one of this Order.

In accordance with §413.031(e), it is a defense for the carrier if the carrier timely complies with the IRO decision.

Based on review of the disputed issues within the request, the Medical Review Division has determined that **medical necessity was the only issue** to be resolved. The chronic pain management was found to be medically necessary. The respondent raised no other reasons for denying reimbursement of the chronic pain management charges.

This Findings and Decision is hereby issued this 16<sup>th</sup> day of October 2003.

Medical Dispute Resolution Officer

This Order is applicable to dates of service 10/16/02 through 12/10/02 in this dispute.

The respondent is prohibited from asserting additional denial reasons relative to this Decision upon issuing payment to the requestor in accordance with this Order (Rule 133.307(j)(2)).

This Decision is hereby issued this 16<sup>th</sup> day of October 2003.
