**PART III: REQUESTOR'S POSITION SUMMARY**

The carrier has filed a request for a refund based on noncompliance by the provider with multiple TWCC requirements.

**PART IV: RESPONDENT'S POSITION SUMMARY**

The respondent states in part… "The dispute should be dismissed because UME is not the health care provider which submitted the claim; TMI's refund request was not timely filed under TWCC rules; UME is not required to make financial disclosures required by TWCC rule 180.24; UME's "billing practices" do not violate Rule 134.801; and TMI makes no assertion that the services rendered were not medically necessary, nor that the medical services provided were not performed properly, nor that the recommendations arising therefrom were in error. The bulk of its claim is that through a hyper-technical interpretation of Commission rules TMI should be relieved of the obligation of paying for needed and properly delivered services which its policies and commission rules require it to pay…"

**PART V: MEDICAL DISPUTE RESOLUTION REVIEW SUMMARY, METHODOLOGY, AND/OR EXPLANATION**

Per Rule 133.304 (p), "an insurance carrier may request medical dispute resolution in accordance with §133.305 if the insurance carrier did not earlier make full payment on the medical bill in accordance with §413.031 of the Texas Labor Code…"

The insurance carrier filed for medical dispute resolution on 02/11/05 (refund request). Review of the file reveals that on 02/16/04, the provider billed the carrier $350.00 for a Designated Doctor Exam rendered on 02/16/04. On 03/26/04, the insurance carrier made full payment in the amount of $350.00 to the provider for the disputed service. The insurance carrier did not submit evidence of an overpayment, payment denial, or reduction of payment for the disputed service. Therefore, the Medical Review Division declines to issue an Order in this dispute. Since the insurance carrier made full payment on this medical bill, the provisions of §133.304 (p) prevent consideration of the other factual disputes presented in this particular case.

**PART VI: DETAIL FINDINGS (If needed)**

N/A

**PART VII: COMMISSION DECISION**

Based upon the review of the disputed healthcare services as outlined above, the Medical Review Division has determined that the requestor is not entitled to a refund.
