PART V: MEDICAL DISPUTE RESOLUTION REVIEW SUMMARY, METHODOLOGY, AND/OR EXPLANATION

This dispute relates to inpatient services provided in hospital setting with reimbursement subject to the provisions of Rule 134.401 (Acute Care Inpatient Hospital Fee Guideline). The hospital has requested reimbursement according to the stop-loss method contained in that rule. Rule 134.401(c)(6) establishes that the stop-loss method is to be used for "unusually costly services." The explanation that follows this paragraph indicates that in order to determine if "unusually costly services" were provided, the admission must not only exceed \$40,000 in total audited charges, but also involve "unusually extensive services."

After reviewing the documentation provided by both parties, it **does** appear that this particular admission involved "unusually extensive services." In particular, this admission resulted in a hospital stay of 5 days. The medical information provided indicates the patient underwent a 360 fusion with instrumentation from L4 to S1. Accordingly, the stop-loss method does apply and the reimbursement is to be based on the stop-loss methodology.

The total audited charges associated with this admission equals \$153,661.71. This amount multiplied by the stop-loss reimbursement factor (75%) results in a workers' compensation reimbursement amount equal to \$109,656.28 (\$115,246.28 – \$5,590.00)

Based on the facts of this situation, the parties' positions, and the application of the provisions of Rule 134.401(c), we find that the health care provider is entitled to a reimbursement amount for these services equal to \$109,656.28.

PART VI: COMMISSION DECISION AND ORDER

Based upon the review of the disputed healthcare services, the Medical Review Division has determined that the requestor is entitled to additional reimbursement in the amount of \$109,656.28. The Division hereby **ORDERS** the insurance carrier to remit this amount plus all accrued interest due at the time of payment to the Requestor within 20-days of receipt of this Order.
