# PART V: MEDICAL DISPUTE RESOLUTION REVIEW SUMMARY, METHODOLOGY, AND/OR EXPLANATION

Per Rule 133.304 (p), "an insurance carrier may request medical dispute resolution in accordance with §133.305 if the insurance carrier did not earlier make full payment on the medical bill in accordance with §413.031 of the Texas Labor Code..."

The insurance carrier filed for medical dispute resolution on June 2, 2005 (refund request). Review of the file reveals the provider billed the carrier \$350.00 for a designated doctor exam rendered on 9/3/04. The insurance carrier made full payment in the amount of \$350.00 to the provider for the disputed service and sent a refund request letter to the provider on December 27, 2004. The insurance carrier did not submit evidence of an overpayment, payment denial, or reduction of payment for the disputed service. Therefore, the Medical Review Division declines to issue an Order in this dispute. Since the insurance carrier made full payment on this medical bill, the provisions of §133.304 (p) prevent consideration of the other factual disputes presented in this particular case.
