PART V: MEDICAL DISPUTE RESOLUTION REVIEW SUMMARY, METHODOLOGY, AND/OR EXPLANATION

The request for medical dispute in this case was received on 9/9/05.

1. This dispute relates to hospital outpatient services provided in a hospital that are not covered under a Texas Department of Insurance, Division of Workers' Compensation ("TDI, DWC") fee guideline for this date of service. Therefore, the reimbursement determined through this dispute resolution process must reflect a fair and reasonable rate as described in 28 Texas Administrative Code §134.1 and Texas Labor Code §413.011(d) to achieve, in part, access to quality medical care and effective medical cost control. This case involves a factual dispute about what is a fair and reasonable reimbursement for the services provided.
2. The Respondent made total payments of \$5,216.85 with reduction codes of "M –Reduced to fair and reasonable," "G - Unbundling" and "F – Reduced according to Fee Guideline." Denials of "Unbundling" and "Reduced according to Fee Guideline" are not issues in this dispute as these charges are paid under the fair and reasonable reimbursement for the entire procedure.
3. The Requestor stated in their position that "...the amount of reimbursement deemed to be fair and reasonable...is at a minimum of 70% of billed charges. This is supported by a managed care contract with "Focus" that is attached..." No copy of the Focus contract was submitted with this dispute and therefore will not be considered during this review.
4. In this situation, the Requestor did not provide sufficient information on what a "fair and reasonable" reimbursement should be for these services. The Requestor purports that their total charges should be considered the amount for the "fair and reasonable" reimbursement. Hospital charges, however, are not a valid indicator of a hospital's costs at providing service nor at what is being paid by other payors. 22 *TexReg* 6269. In addition, Texas Labor Code section 413.011(d) provides, in part: "The [fee] guidelines may not provide for payment at a fee in excess of the fee... **paid** by that individual or by someone acting on that individual's behalf (emphasis added)." The Requestor has provided only charged amounts and not evidence of typical paid amount(s) for the disputed service(s).

PART VI: GENERAL PAYMENT POLICIES/REFERENCES IMPACTING DECISION

1. 28 Texas Administrative Code Sec. 134.1(d)
2. Other statutes, rules, and reference specified in this decision

PART VII: DIVISION FINDINGS AND DECISION

Based upon the lack of sufficient supporting documentation submitted by the Requestor and in accordance with the provisions of Texas Labor code, Sec. 413.031, the Division has determined that the Requestor **is not** entitled to additional reimbursement.
