1. This dispute relates to procedure/service billed under CPT code 99243 on 3-28-06 that was denied reimbursement by the insurance carrier based upon "F286 – Date(s) of service exceed (95) day time period for submission per Rule 408.027 and Bulletin No. B-0037-05A." Date of service 04-28-06 was withdrawn by the Requestor and will not be considered further.
2. Rule 102.4(h), titled General Rules for Non-Commission Communication, states "Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on:
 - (1) the date received, if sent by fax, personal delivery or electronic transmission or,
 - (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday."
3. Section 408.027(a) of the Labor Code states, "A health care provider shall submit a claim for payment to the insurance carrier not later than the 95th day after the date on which the health care services are provided to the injured employee. Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment."
4. The Requestor provided written documentation to the Division supporting that Form CMS-1500 was submitted timely to the carrier. Specifically, the Requestor submitted a USPS proof of delivery dated 4-20-06 in accordance with Rule 102.4(h). The Respondent submitted a CMS-1500 dated 3-30-06 in Block #31.
