### PART II: MEDICAL DISPUTE RESOLUTION REVIEW SUMMARY, METHODOLOGY, AND/OR EXPLANATION

Texas Labor Code 402.00128(b)(7) titled General Powers and Duties of Commissioner authorizes the Commissioner to enter appropriate orders. The Division will resolve medical fee disputes according to Rules 133.305 and 133.307 and other rules.

1. This dispute relates to procedure/service that was billed under CPT code 72100-26 rendered on 2-5-06 that was denied reimbursement by the insurance carrier based upon "17- A healthcare provider shall not submit a medical bill later than the ninety fifth day after the date the services are provided for services provided on or after September 1, 2005, Rule 134.801 Section C; and W1-Workers Comp State Fee Sched Adjust. Reimbursement based on Medicare Fee Schedule amount for facilities."

2. Rule 102.4(h), titled General Rules for Non-Commission Communication, states "Unless the great weight of evidence indicates otherwise, written communications shall be deemed to have been sent on:

- (1) the date received, if sent by fax, personal delivery or electronic transmission or,
- (2) the date postmarked if sent by mail via United States Postal Service regular mail, or, if the postmark date is unavailable, the later of the signature date on the written communication or the date it was received minus five days. If the date received minus five days is a Sunday or legal holiday, the date deemed sent shall be the next previous day which is not a Sunday or legal holiday."

3. Section 408.027(a) of the Labor Code states, "A health care provider shall submit a claim for payment to the insurance carrier not later than the 95th day after the date on which the health care services are provided to the injured employee. Failure by the health care provider to timely submit a claim for payment constitutes a forfeiture of the provider's right to reimbursement for that claim for payment."

4. The Requestor provided written documentation to the Division supporting that Form CMS-1500 was submitted timely to the carrier. Specifically, the Requestor submitted a computer printout that indicates bill was initially submitted on 2-13-06. The medical bill is timely submitted.

This dispute is being forwarded to the Legal and Compliance Division for further investigation.
